18                                *CONVENTIONAL WEAPONS REVIEW*

19        *SEC. 594. (a) FINDINGS.—The Congress makes the fol-*  
 20        *lowing findings:*

21                *(1) On September 26, 1994, the President de-*  
 22        *clared that it is a goal of the United States to eventu-*  
 23        *ally eliminate antipersonnel landmines.*

24                *(2) On December 15, 1994, the United Nations*  
 25        *General Assembly adopted a resolution sponsored by*

1        *the United States which called for international ef-*  
2        *forts to eliminate antipersonnel landmines.*

3            (3) *According to the Department of State, there*  
4        *are an estimated 80,000,000 to 110,000,000*  
5        *unexploded landmines in 62 countries.*

6            (4) *Antipersonnel landmines are routinely used*  
7        *against civilian populations and kill and maim an*  
8        *estimated 70 people each day, or 26,000 people each*  
9        *year.*

10          (5) *The Secretary of State has noted that land-*  
11        *mines are “slow-motion weapons of mass destruc-*  
12        *tion”.*

13          (6) *There are hundreds of varieties of anti-*  
14        *personnel landmines, from a simple type available at*  
15        *a cost of only two dollars to the more complex self-*  
16        *destructing type, and all landmines of whatever vari-*  
17        *ety kill and maim civilians, as well as combatants,*  
18        *indiscriminately.*

19          (b) *CONVENTIONAL WEAPONS CONVENTION REVIEW.—*  
20        *It is the sense of Congress that, at the United Nations con-*  
21        *ference to review the 1980 Conventional Weapons Conven-*  
22        *tion, including Protocol II on landmines, that is to be held*  
23        *from September 25 to October 13, 1995, the President*  
24        *should actively support proposals to modify Protocol II that*

1 *would implement as rapidly as possible the United States*  
2 *goal of eventually eliminating antipersonnel landmines.*

3 (c) *MORATORIUM ON USE OF ANTIPERSONNEL LAND-*  
4 *MINES.—(1) UNITED STATES MORATORIUM.—(A) For a pe-*  
5 *riod of one year beginning three years after the date of the*  
6 *enactment of this Act, the United States shall not use anti-*  
7 *personnel landmines except along internationally recog-*  
8 *nized national borders or in demilitarized zones within a*  
9 *perimeter marked area that is monitored by military per-*  
10 *sonnel and protected by adequate means to ensure the exclu-*  
11 *sion of civilians.*

12 (B) *If the President determines, before the end of the*  
13 *one year period of the United States moratorium under sub-*  
14 *paragraph (A), that the governments of other nations are*  
15 *implementing moratoria on use of antipersonnel landmines*  
16 *similar to the United States moratorium, the President*  
17 *may extend the period of the United States moratorium for*  
18 *such additional period as the President considers appro-*  
19 *priate.*

20 (2) *OTHER NATIONS.—It is the sense of Congress that*  
21 *the President should actively encourage the governments of*  
22 *other nations to join the United States in solving the global*  
23 *landmine crisis by implementing moratoria on use of anti-*  
24 *personnel landmines similar to the United States morato-*

1 rium as a step toward the elimination of antipersonnel  
2 landmines.

3 (d) *ANTIPERSONNEL LANDMINE EXPORTS.*—It is the  
4 sense of Congress that, consistent with the United States  
5 moratorium on exports of antipersonnel landmines and in  
6 order to further discourage the global proliferation of anti-  
7 personnel landmines, the United States Government should  
8 not sell, license for export, or otherwise transfer defense arti-  
9 cles and services to any foreign government which, as deter-  
10 mined by the President, sells, exports, or otherwise transfers  
11 antipersonnel landmines.

2 ***TITLE VII—NATO PARTICIPA-***  
 3 ***TION ACT AMENDMENTS OF***  
 4 ***1995***

5 ***SECTION 701. SHORT TITLE.***

6 *This title may be cited as the “NATO Participation*  
 7 *Act Amendments of 1995”.*

8 ***SEC. 702. FINDINGS.***

9 *The Congress makes the following findings:*

10 *(1) Since 1949, the North Atlantic Treaty Orga-*  
 11 *nization (NATO) has played an essential role in*  
 12 *guaranteeing the security, freedom, and prosperity of*  
 13 *the United States and its partners in the Alliance.*

14 *(2) NATO has expanded its membership on three*  
 15 *different occasions since 1949.*

16 *(3) The sustained commitment of the member*  
 17 *countries of NATO to mutual defense of their security*  
 18 *ultimately made possible the democratic trans-*  
 19 *formation in Central and Eastern Europe and the de-*  
 20 *mise of the Soviet Union.*

21 *(4) NATO was designed to be and remains a de-*  
 22 *fensive military organization whose members have*  
 23 *never contemplated the use of, or used, military force*  
 24 *to expand the borders of its member states.*

1           (5) *While the immediate threat to the security of*  
2           *the United States and its allies has been reduced with*  
3           *the collapse of the Iron Curtain, new security threats,*  
4           *such as the situation in Bosnia and Herzegovina, are*  
5           *emerging to the shared interests of the member coun-*  
6           *tries of NATO.*

7           (6) *NATO remains the only multilateral security*  
8           *organization capable of conducting effective military*  
9           *operations to protect Western security interests.*

10          (7) *NATO has played a positive role in defusing*  
11          *tensions between NATO members and, as a result, no*  
12          *military action has occurred between two NATO*  
13          *member states since the inception of NATO in 1949.*

14          (8) *NATO is also an important diplomatic*  
15          *forum for the discussion of issues of concern to its*
