### CERTIFICATE OF DOCUMENTATION FOR THE VESSEL "SEA MISTRESS"

---

JANUARY 26, 1996.—Ordered to be printed

---

Mr. PRESSLER, introduced the following bill; which was read twice and referred to the Committee on Commerce, Science, and Transportation, submitted the following

### R E P O R T

[To accompany S. 911]

The Committee on Commerce, Science, and Transportation, to which was referred the bill (S. 911) "A bill to authorize the Secretary of Transportation to issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade for the vessel *Sea Mistress*", having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

#### PURPOSE OF THE BILL

S. 911, as reported, grants coastwise trading privileges to the vessel *Sea Mistress*.

#### BACKGROUND AND NEEDS

Subject to certain limited exceptions, the law known as the Jones Act (section 27 of the Merchant Marine Act, 1920) and sections 12106 through 12108 of title 46, U.S. Code, provide that only those vessels built in the United States, continuously documented under the laws of the United States and continuously owned by U.S. citizens may transport merchandise or passengers in the coastwise trade, or engage in the fisheries, of the United States.

Where the facts applicable to a particular vessel suggest the U.S.-built or U.S.-owned requirements have not been satisfied, the Coast Guard may not issue a document granting coastwise trading or fisheries privileges for that vessel unless the requirements of the Jones Act and the title 46 provisions are statutorily waived.

The vessel *Sea Mistress*, U.S. official number 696806, is a 41-foot aluminum dinner boat that was constructed in Kentucky in 1974.

It was purchased by Mr. David Yornell. The vessel's owner intends to use it for dinner boat excursions out of Occocuan, Virginia.

Because there is a break in the chain of title due to the seizure of the vessel by the Internal Revenue Service, the owner has not been able to obtain coastwise trade privileges for the *Sea Mistress*. Therefore, he is seeking a statutory waiver of the Jones Act for the vessel.

#### LEGISLATIVE HISTORY

S. 911 was introduced in the Senate on June 9, 1995, by Senator Robb. In open executive session on July 20, 1995, the Committee considered S. 911, and ordered the legislation reported favorably without objection and without amendment.

#### ESTIMATED COSTS

In accordance with paragraph 11(a) of rule XXVI of the Standing Rules of the Senate and Section 403 of the Congressional Budget Act of 1974, the Committee provides the following cost estimate, prepared by the Congressional Budget Office:

U.S. CONGRESS,

Enactment of these bills would have no impact on the federal budget or on those of state or local governments. The bills would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Deborah Reis, who can be reached at 226-2860.

Sincerely,

JUNE E. O'NEILL, *Director*

## REGULATORY IMPACT STATEMENT

In accordance with paragraph 11(b) of rule XXVI of the Standing Rules of the Senate, the Committee provides the following evaluation of the regulatory impact of the legislation, as reported.

Because S. 911 does not create any new programs, the legislation will have no additional regulatory impact, and will result in no additional reporting requirements. The legislation will have no further effect on the number or types of individuals and businesses regulated, the economic impact of such regulation, the personal privacy of affected individuals, or the paperwork required from such individuals and businesses.

## SECTION-BY-SECTION ANALYSIS

The bill consists of one section. It provides that, notwithstanding section 27 of the Merchant Marine Act, 1920 (46 U.S.C. App. 883), the Act of June 19, 1886 (24 Stat. 81, chapter 421; 46 U.S.C. App. 289), and section 12106 of title 46, U.S. Code, as applicable on the date of enactment of this bill, the vessel *Sea Mistress*, U.S. official number 696806, is eligible to engage in the coastwise trade and the Secretary of Transportation may issue a certificate of documentation for such vessel.

## CHANGES IN EXISTING LAW

In compliance with paragraph 12 of rule XXVI of the Standing Rules of the Senate, the Committee states that the bill as reported would make no change to existing law.
