

Public Law 106-8
106th Congress

An Act

To provide for a loan guarantee program to address the Year 2000 computer problems of small business concerns, and for other purposes.

Apr. 2, 1999
[S. 314]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Small Business Year 2000 Readiness Act”.

Small Business
Year 2000
Readiness Act.
15 USC 631 note.

SEC. 2. FINDINGS.

Congress finds that—

(1) the failure of many computer programs to recognize the Year 2000 may have extreme negative financial consequences in the Year 2000, and in subsequent years for both large and small businesses;

(2) small businesses are well behind larger businesses in implementing corrective changes to their automated systems;

(3) many small businesses do not have access to capital to fix mission critical automated systems, which could result in severe financial distress or failure for small businesses; and

(4) the failure of a large number of small businesses due to the Year 2000 computer problem would have a highly detrimental effect on the economy in the Year 2000 and in subsequent years.

15 USC 636 note.
