20                (1) such measure provides new budget authority  
21                to carry out such program; or

22                (2) such measure authorizes discretionary new  
23                budget authority to carry out such program and the

20 applicable fiscal year caused by such legislation or any  
21 previously enacted legislation.

9 lays for such fiscal year for the committee reporting such  
10 measure by the amount of outlays that corresponds to  
11 such excess obligation limitations, but not to exceed the  
12 amount of such excess that was offset pursuant to sub-
