10 “(C) drug-related production, manufacturing,
11 importation, or distribution in the area is having a
12 significant harmful impact in other areas of the
13 United States; and

14 “(D) a significant increase in allocation of Fed-

23 appropriate.

24 “(f) REVIEW OF CURRENT AREAS.—Within one year
25 from the date of enactment, the Director shall review each

1 current high intensity drug trafficking area to determine
2 whether it continues to warrant designation as a high in-
3 tensity drug trafficking area, considering the factors in

6 percent of the amounts appropriated under this sec-

21 shall ensure that assistance to such investigations remains
22 incidental to the mission of high intensity drug trafficking
23 areas to reduce drug availability and carry out drug-re-

7 **SEC. 7. FUNDING FOR CERTAIN HIGH INTENSITY DRUG**
8 **TRAFFICKING AREAS.**

9 (a) SHORT TITLE.—This section may be cited as the
10 “Dawson Family Community Protection Act”.

11 (b) FINDINGS.—Congress finds the following:

12 (1) In the early morning hours of October 16,
13 2002, the home of Carnell and Angela Dawson was
14 firebombed in apparent retaliation for Mrs.
15 Dawson’s notification of police about persistent drug
16 distribution activity in their East Baltimore City
17 neighborhood.

18 (2) The arson claimed the lives of Mr. and Mrs.
19 Dawson and their 5 young children, aged 9 to 14.

20 (3) The horrific murder of the Dawson family
21 is a stark example of domestic narco-terrorism.

22 (4) In all phases of counter-narcotics law en-
23 forcement—from prevention to investigation to pros-
24 ecution to reentry—the voluntary cooperation of or-
25 dinary citizens is a critical component.

1 (5) Voluntary cooperation is difficult for law en-
2 forcement officials to obtain when citizens feel that
3 cooperation carries the risk of violent retaliation by
4 illegal drug trafficking organizations and their affili-
5 ates.

6 (6) Public confidence that law enforcement is
7 doing all it can to make communities safe is a pre-
8 requisite for voluntary cooperation among people
9 who may be subject to intimidation or reprisal (or
10 both).

11 (7) Witness protection programs are insufficient
12 on their own to provide security because many indi-
13 viduals and families who strive every day to make
14 distressed neighborhoods livable for their children,
15 other relatives, and neighbors will resist or refuse of-
16 fers of relocation by local, State, and Federal pros-
17 ecutorial agencies and because, moreover, the contin-
18 ued presence of strong individuals and families is
19 critical to preserving and strengthening the social
20 fabric in such communities.

21 (8) Where (as in certain sections of Baltimore
22 City) interstate trafficking of illegal drugs has severe
23 ancillary local consequences within areas designated
24 as high intensity drug trafficking areas, it is impor-
25 tant that supplementary High Intensity Drug Traf-

1 ficking Areas Program funds be committed to sup-
2 port initiatives aimed at making the affected com-
3 munities safe for the residents of those communities
4 and encouraging their cooperation with local, State,
5 and Federal law enforcement efforts to combat ille-
6 gal drug trafficking.

7 (c) FUNDING FOR CERTAIN HIGH INTENSITY DRUG
8 TRAFFICKING AREAS.—Section 707 is further amended in
9 subsection (i) by adding at the end the following new para-
10 graph:

11 “(3) SPECIFIC PURPOSES.—The Director shall
12 ensure that, of the amounts appropriated for a fiscal
13 year for the Program, at least \$1,000,000 is used in
14 high intensity drug trafficking areas with severe
15 neighborhood safety and illegal drug distribution
16 problems. The funds shall be used—

17 “(A) to ensure the safety of neighborhoods
18 and the protection of communities, including
19 the prevention of the intimidation of potential
20 witnesses of illegal drug distribution and related
21 activities; and

22 “(B) to combat illegal drug trafficking
23 through such methods as the Director considers
24 appropriate, such as establishing or operating
25 (or both) a toll-free telephone hotline for use by

1 the public to provide information about illegal
2 drug-related activities.”.

20 give priority in transferring technologies most likely
21 to assist in drug interdiction and border enforcement
22 to State, local, and tribal law enforcement agencies

24 with significant traffic in illicit drugs.

1 “(3) LIMITATION ON AUTHORITY.—The author-
