1 **TITLE II—SELECT COMMITTEE**
2 **ON INVESTIGATION OF THE**
3 **ECONOMIC CRISIS**

4 **SEC. 201. FINDINGS.**

5 The Senate finds the following:

6 (1) The United States is currently facing an
7 unprecedented economic crisis, with massive losses
8 of jobs in the United States and an alarming con-
9 traction of economic activity in the United States.

10 (2) The United States Government has pledged,
11 committed, or loaned more than \$9,000,000,000,000
12 as of February 2009 in an attempt to mitigate and
13 resolve the economic crisis and trillions of dollars
14 more may well be necessary before the crisis is over.

15 (3) The economic crisis reaches into, and has
16 impacted, almost every aspect of the United States
17 economy and significant parts of the international
18 economy.

19 (4) Any thorough and complete study and in-
20 vestigation of this complex and far-reaching eco-
21 nomic crisis will require sustained and singular focus
22 for many months.

23 (5) A study and investigation of this size and
24 scope implicates the jurisdiction of several Standing
25 Committees of the Senate and, if it is to be done

1 correctly and timely, will require a degree of undi-
2 vided attention and resources beyond the capacity of
3 the Standing Committees of the Senate, which are
4 already over-burdened.

5 (6) Adding such a significant study and inves-
6 tigation to the duties of the existing Standing Com-
7 mittees of the Senate would make it difficult for
8 such committees to get their regular required work
9 accomplished, particularly when so much attention
10 and so many resources are appropriately devoted to
11 responding to the ongoing economic crisis.

12 (7) Dozens of important investigations have
13 been conducted with the creation of a select com-
14 mittee of the Senate for a specific purpose and a set
15 time.

16 (8) The American public has a right to get
17 straight answers on how this economic crisis devel-
18 oped and what steps should be taken to make sure
19 that nothing like it happens again.

20 **SEC. 202. SELECT COMMITTEE ON INVESTIGATION OF THE**
21 **ECONOMIC CRISIS.**

22 There is established a select committee of the Senate
23 to be known as the Select Committee on Investigation of
24 the Economic Crisis (hereafter in this title referred to as

1 **SEC. 203. PURPOSE AND DUTIES.**

2 (a) PURPOSE.—The purpose of the Select Committee
3 is to study and investigate the facts and circumstances
4 giving rise to the current economic crisis facing the United

6 a future recurrence of such a crisis.

7 (b) DUTIES.—The Select Committee is authorized
8 and directed to do everything necessary or appropriate to
9 conduct the study and investigation specified in subsection
10 (a). Without restricting in any way the authority conferred
11 on the Select Committee by the preceding sentence, the
12 Senate further expressly authorizes and directs the Select
13 Committee to examine the facts and circumstances giving
14 rise to the current economic crisis facing the United
15 States, and report on such examination, regarding the fol-
16 lowing:

17 (1) The causes of the current economic crisis.

18 (2) Lessons learned from the current economic
19 crisis.

21 that such additional rules or procedures are necessary or
22 advisable to enable the Select Committee to conduct the
23 investigation, study, and hearings authorized by this title.
24 Any such additional rules and procedures—

1 (1) shall not be inconsistent with this title or
2 the Standing Rules of the Senate; and

3 (2) shall become effective upon publication in
4 the Congressional Record.

5 **SEC. 206. AUTHORITY OF SELECT COMMITTEE.**
