IN RECOGNITION OF THE SONS OF THE PIONEERS 75TH ANNIVERSARY

HON. ROY BLUNT

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 25, 2009

Mr. BLUNT. Madam Speaker, I rise today to honor a legendary Ozarks western singing group—Sons of the Pioneers, who will celebrate their 75th anniversary of performing this year. They are known worldwide for their vocal blend, unique harmonies and special arrangements of their classic songs. Introduced in 1934, the Sons of the Pioneers are reputed to be the longest continually performing musical group in the history of western music.

After about 50 years of touring, the Sons of the Pioneers decided to make Branson their home. They settled at the Shepherd of the Hills, where they perform at the Sons of the Pioneers Pavilion. The six-member group entertains guests with western songs and stories.

The members have changed over the years, but they all continue to present the music in its original form for everyone to enjoy.

The founding members included Roy Rogers (Leonard Slye), Bob Nolan and Tim Spencer, who was born in Webb City, Missouri, which is now part of my congressional district. Their unique style of music became widely admired and copied. They composed many original songs, several of which have become true American classics. "Tumbling Tumbleweeds," "Cool Water," and "Riders in the Sky" were part of a unique sound and style, which became the traditional music of the American cowboy and the West.

The Sons of the Pioneers has had 33 members, and has never disbanded. The Sons of the Pioneers have performed in nearly 100

movies and have sung over 3,000 western songs. They have starred in movies with well known actors such as John Wayne, Gene Autry, Bing Crosby, and of course Roy Rogers.

The Sons of the Pioneers has achieved many awards and accolades over their three-quarters of a century performing. They are considered "National Treasures" by the Smithsonian Institute. They have been inducted in several halls of fame including: Nashville Country Hall of Fame in 1978, Western Hero's Hall of Fame in 1984, Western Music Association Hall of Fame in 1990 and the National Cowboy Hall of Fame in 1995. The group won Vocal Group of the Year in 1970 and Band of the Year in 1978. In 1986, their popular song "Cool Water" was inducted into the Grammy Hall of Fame.

Sons of the Pioneers is truly a group who deserves significant credit for the music they have created, the standards they have set, the achievements they have accomplished, and all the generations they have touched.

This year celebrates the Sons of the Pioneers' 75th Anniversary of creating and preserving western music. It is truly an honor for Southwest Missouri to be the home of such a distinguished group. I wish Sons of the Pioneers continued success and many more years of keeping western music alive for future generations to enjoy.
