Naturally, many may be anxious about the uncertainties that may await them as members of the Armed Forces. But, they should rest assured that the full support and resources of this chamber, and of the American people, are with them in whatever challenges may lie ahead.

It is thanks to the dedication of untold numbers of patriots like these forty-seven that we are able to meet here today, in the House of Representatives, and openly debate the best solutions to the many and diverse problems that confront our country. It is thanks to their sacrifices that the United States of America remains a beacon of hope and freedom in a fractious world.

Madam Speaker, their decision to serve our country will not go unrecognized. I want to personally thank these forty-seven graduating seniors for the selflessness and courage that they have shown by volunteering to risk their lives in defense of others. We owe them, along with all those who serve our country, a deep debt of gratitude.

Mr. ROSS. Madam Speaker, I rise today to honor the memory of a true American hero and dedicated community servant. Lieutenant David Curlin of the Pine Bluff Fire & Emergency Services Department in Arkansas. Lieutenant Curlin passed away on May 22, 2010, in Little Rock at the age of 40 from injuries sustained while fighting a fire in Pine Bluff on January 4, 2010.

Lieutenant Curlin was raised in Watson Chapel, AR, where he graduated from high school in 1988. After graduation, David joined the United States Marine Corps and served in Operation Desert Storm. Following his service in the Marine Corps David joined the Pine Bluff Fire & Emergency Services Department eventually rising to the rank of Lieutenant. IN HONOR DR. FRANCES L. WHITE

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Ms. WOOLSEY. Madam Speaker, I rise today to honor Dr. Frances L. White, a community college educator for 32 years who is retiring as the Superintendent/President of the Marin Community College District. Dr. White is a distinguished leader who is herself a community college graduate. She is a dedicated educator committed to the community college mission and to the welfare of students, particularly those in the 112 public community colleges in California.

A former full-time faculty member in the Peralta Community College District, Dr. White earned her Ph.D. in education administration from the University of California at Berkeley. As an administrator she has served in a variety of roles including President of Skyline College in San Bruno, California and Executive Vice Chancellor at City College of San Francisco. She is the recipient of many awards

and recognitions, the author of scholarly publications, and has directed numerous workshops on college leadership, mentoring, and institutional effectiveness. In March, the Association of California Community College Administrators awarded her the prestigious 2010 Harry Buttner Distinguished Administrator Award.

Starting at College of Marin during a period of considerable turmoil, Dr. White is credited with working with the Board of Trustees and the Faculty to successfully stabilize a district plagued by decades of declining enrollments, crumbling classrooms, financial instability, poor community connections, and on the brink of accreditation loss. Capitalizing on her powerful personal qualities, White put a recovery plan in place and implemented a strategic direction that arrested the downward spiral and set the college on a visionary course.

A leader with considerable collaborative skills, Dr. White is a compassionate mentor, both to students and to colleagues. With her dedicated support, the Academic Senate developed and implemented Student Learning Outcomes and Program Review, essential for the institution to reestablish accreditation in good standing and what led the Academic Senate leaders to receive statewide recognition for their outstanding efforts.

Not one to shy from challenges, three weeks after taking the helm at College of Marin, the Board of Trustees passed a resolution to place a countywide facilities bond on the ballot. While most thought it would fail, under Dr. White's guidance and tireless work, the Measure C Bond was successful and received broad community support. The \$250 million bond made it possible for the College to undertake long-deferred facilities renovation and modernization creating newly designed and energy efficient, student-centered learning environments on both the Kentfield and Indian Valley campuses, which helped generate a 15% enrollment increase at Kentfield and a 135% enrollment increase at Indian Valley.

In addition to being a very competent administrator, Dr. White understands the importance of raising private funds for the College of Marin, and has been innovative in creating opportunities for friends of the college to support its mission. Launching the highly successful "President's Circle" as well as the "Education Excellence Innovation Fund," Dr. White has established an enviable budget reserve of 12 percent. The College has been very fortunate Dr. White came at a critical time and was able to initiate significant change and a notable shift in the institutional culture.

Madam Speaker, Dr. White is a gracious woman of remarkable talent and considerable commitment, and it is therefore appropriate to honor her today and to wish her well in her next endeavor. Congratulations, Fran White—you will be missed.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF THE FOUNDING OF TRINITY LUTHERAN CHURCH IN SPRINGFIELD, MISSOURI

HON. ROY BLUNT

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Mr. BLUNT. Madam Speaker, I rise to pay tribute to the Trinity Lutheran congregation of

Springfield, Missouri, celebrating its 100th year of service to the community and God. Trinity Lutheran is honoring this milestone with a year of special services, events and history displays.

Trinity Lutheran Church will welcome several preachers during this special year. Many who were integral to Trinity's 100-year history will honor and remember the congregation's growth, achievements and history of serving the Springfield area and bringing the word to worshipers.

Former Pastor Manny Rodriguez, who left to develop Amigos de Cristo, a mission church in Sedalia, is joining current Trinity Lutheran Pastor Bill R. Marler and Pastor Eric Tessaro to celebrate this anniversary. The pastors are encouraging the congregation to honor their history and consider long range plans to keep the spirit, message and mission of Trinity Lutheran fresh.

Like many churches 100 years ago struggling with finances, Trinity Lutheran began with a small group of households. Pastors from other congregations volunteered to minister in Springfield. Rev. A.F. Woker became the first pastor of Trinity in 1917. Soon, the congregation purchased property and constructed their first home. This building served them for three decades.

Today's well-known location of Trinity Lutheran is the result of a need to expand beyond the restrictions of its first home. As if divinely inspired, Trinity Lutheran moved into the wilderness of Greene County. This decision proved to be a blessing, placing the church in a location that would easily accommodate phenomenal growth in the 1950s and 1960s. It is still the congregation's home today.

Trinity's growth has also been guided by capable long-term pastors, each of whom were strong leaders and deeply rooted scriptural teachers. Such sound leadership and congregational support helped Trinity Lutheran create a number of new ministries, including campus ministry and a school.

Trinity Lutheran is one of Springfield's strong moral pillars, committed to the work of God and compassion for those less fortunate in our community. My hope is that Trinity Lutheran continues its heritage of strong leadership in Springfield for many centuries to come.

HONORING THE SERVICE OF SERGEANT THOMAS L. COLLINS

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Mr. BISHOP of New York. Madam Speaker, I rise today to commend the intellect and dedication of Sergeant Thomas L. Collins, a life-long resident of East Hampton, New York, who received a medal and certificate of recognition from the British government for his service as a cryptologist during WWII. So secret was his work during the war, Sgt. Collins' invaluable contributions were not recognized and made public until the 1990s.

After distinguishing himself during training at Arlington Hall, the U.S. cryptography center, he was chosen to escort the Allies' most advanced code-breaking machine, the Dragon, to Britain in 1944. Sgt. Collins carried a loaded Smith & Wesson revolver at all times during

his journey, a testament to the dangerous nature of his mission and the valuable cargo he guarded.

In October 1944, after landing in Scotland, he and the Dragon were transported by rail and truck to the renowned Allied cryptography center at Bletchley Park, and immediately put to use as Allied forces had their first battle on German soil, at Aachen. All told, Sgt. Collins used the Dragon to decode 143 Nazi messages. He was also instrumental in designing a successor to the original Dragon, which was credited with hastening the defeat of the Nazis by many weeks.

Madam Speaker, heroism has many faces, and the labors of dedicated code breakers hundreds of miles from the front lines saved many lives by providing our fighting forces the best intelligence available. Sgt. Collins is a living reminder of the varied contributions made by members of the Greatest Generation in defending freedom. I humbly join the British Government in honoring the wartime service of Sgt. Thomas L. Collins.

RECOGNIZING THE CHICAGO HUMAN RHYTHM PROJECT

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Mr. QUIGLEY. Madam Speaker, today I rise in recognition of the Chicago Human Rhythm Project's 20th anniversary. Over the last 20 years, the Chicago Human Rhythm Project's extraordinary community building efforts and celebration of American tap and percussive arts has firmly established them as one of Chicago's artistic mainstays.

Founded in 1990, the Chicago Human Rhythm Project, CHRP, has maintained community outreach as the cornerstone of its success. Most notably, CHRP has educated over 10,000 students and provided over \$250,000 in scholarships to students in need to study tap dance during the summer. CHRP has also provided a free outreach residency school program for elementary, high school, and cultural centers throughout the Chicagoland area. The cultivation of a stronger America through art is

further exemplified through their participation in the "Thanks 4 Giving" shared revenue program. Since joining "Thanks 4 Giving" six years ago, CHRP has raised over \$100,000 for charity.

CHRP's dedication to community extends beyond Chicago, Illinois and the United States of America with their involvement in an ongoing cultural exchange program. This program has given CHRP the opportunity to spread American tap dance across the globe by participating in exchanges with Brazil, China, Finland, France, Germany, Japan, Switzerland, and Venezuela. As a result of their commitment to the international community, CHRP was selected to represent the United States of America at the 5th Anniversary Beijing International Contemporary Dance Festival in 2007 and the Gala de Estrellas Internacional in Caracas, Venezuela in 2008.

Madam Speaker, I want to thank the Chicago Human Rhythm Project for their continued efforts. It is through their unabashed commitment to the arts and the community at large that they have helped to perpetuate the love affair with American dance and to establish Chicago as a global fine arts destination.

HONORING SISTER ROSEMARIE NASSIF, SSND, PHD

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Ms. LEE of California. Madam Speaker, I rise today to honor Sister Rosemarie Nassif, SSND, PhD, for her celebrated and successful 11-year tenure as Holy Names University President. On the occasion of her retirement, we recognize the quality and excellence of Sister Rosemarie's career and her talents as a dynamic and inspirational leader. During her time as president, Holy Names University has witnessed record-breaking enrollment, noted student diversity, expanded academic and sports programming, improved facilities, increased alumni participation and overall acclaim.

Sister Rosemarie's religious calling came early in life, and at the age of 17, she entered the School Sisters of Notre Dame. During her early career back East, Sister Rosemarie gained a breadth of experience as Associate Professor of Notre Dame College, St. Louis College of Pharmacy and Co-Vicar for the Archdiocese of St. Louis, Missouri. In Baltimore, she became President of the College of Notre Dame of Maryland and later, President of the Fund for Educational Excellence before leaving that post to join Holy Names University on May 1, 1999.

With a 140-year tradition of providing educational excellence in the Bay Area, Holy Names University, HNU, is a premier, private university founded by the Sisters of the Holy Names of Jesus and Mary and co-educational since 1971. Upon Sister Rosemarie's arrival, the university entered a period of "refoundation," where she, along with faculty and leadership, assessed the university's strengths and the critical needs of their students for the 21st century. She described this process as making the best match between tradition and innovation, while stretching to meet any challenges at hand. With foresight, dedication and solid
