If any provision of this Act, or any application of such provision to any person or circumstance, is held to be unconstitutional, the remainder of this Act and the application of this Act to any other person or circumstance shall not be affected.

TITLE I—TEN-YEAR DISCRETIONARY CAPS WITH SEQUESTER

SEC. 101. ENFORCING DISCRETIONARY SPENDING LIMITS.

Section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 is amended to read as follows:

“SEC. 251. ENFORCING DISCRETIONARY SPENDING LIMITS.

“(a) **ENFORCEMENT.**—

“(1) **SEQUESTRATION.**—Within 15 calendar days after Congress adjourns to end a session there shall be a sequestration to eliminate a budget-year breach, if any, within any category.

“(2) **ELIMINATING A BREACH.**—Each non-exempt account within a category shall be reduced by a dollar amount calculated by multiplying the enacted level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach within that category.

“(3) **MILITARY PERSONNEL.**—If the President uses the authority to exempt any personnel account from sequestration under section 255(f), each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 255(f) has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

“(4) **PART-YEAR APPROPRIATIONS.**—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

“(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

“(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation for that account.

“(5) **LOOK-BACK.**—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach within a category for that year (after taking into account any sequestration of amounts within that category), the discretionary spending limits for that category for the next fiscal year shall be reduced by the amount or amounts of that breach.

“(6) **WITHIN-SESSION SEQUESTRATION.**—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach within a category for that year (after taking into account any prior sequestration of amounts within that category), 15 days later there shall be a sequestration to eliminate that breach within that category following the procedures set forth in paragraphs (2) through (4).

“(7) **ESTIMATES.**—

“(A) **CBO ESTIMATES.**—As soon as practicable after Congress completes action on any discretionary appropriation, CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation.

“(B) **OMB ESTIMATES AND EXPLANATION OF DIFFERENCES.**—Not later than 7 calendar days (excluding Saturdays, Sundays, and legal holidays) after the date of enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation, and an explanation of any difference between the 2 estimates. If during the preparation of the report OMB determines that there is a significant difference between OMB and CBO, OMB shall consult with the Committees on the Budget of the House of Representatives and the Senate regarding that difference and that consultation shall include, to the extent practicable, written communication to those committees that affords such committees the opportunity to comment before the issuance of the report.

“(C) **ASSUMPTIONS AND GUIDELINES.**—OMB estimates under this paragraph shall be made using current economic and technical assumptions. OMB shall use the OMB estimates transmitted to the Congress under this paragraph. OMB and CBO shall prepare estimates under this paragraph in conformance with scorekeeping guidelines determined after consultation among the Committees on the Budget of the House of Representatives and the Senate, CBO, and OMB.

“(D) **ANNUAL APPROPRIATIONS.**—For purposes of this paragraph, amounts provided by annual appropriations shall include any discretionary appropriations for the current year, if any, and the budget year in accounts for which funding is provided in that legislation that result from previously enacted legislation.

“(b) **ADJUSTMENTS TO DISCRETIONARY SPENDING LIMITS.**—

“(1) **CONCEPTS AND DEFINITIONS.**—When the President submits the budget under section 1105 of title 31, United States Code, OMB shall calculate and the budget shall include adjustments to discretionary spending limits (and those limits as cumulatively adjusted) for the budget year and each outyear to reflect changes in concepts and definitions. Such changes shall equal the baseline levels of new budget authority and outlays using up-to-date concepts and definitions,
