Vol. 159

WASHINGTON, THURSDAY, NOVEMBER 21, 2013

No. 167

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker pro tempore (Mr. POE of Texas).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
November 21, 2013.

I hereby appoint the Honorable TED POE to act as Speaker pro tempore on this day.

JOHN A. BOEHNER,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Eternal God, we give You thanks for giving us another day.

We come to the end of a week where we have given thanks for the heroism of the brave men who served as code talkers during the world wars. They answered the call to service of their Nation at a time of great danger, and we are grateful to them.

Now we approach a week during which all Americans will gather to remember who we are: a Nation generously blessed not only by You, our God, but by courageous ancestors, faithful allies, and the best good wishes of people everywhere who long for freedom, who would glory in the difficult work of participative government, and who do not enjoy the bounty we are privileged to possess.

Bless the Members of this assembly, and us all, that we would be worthy of the call we have been given as Americans. Help us all to be truly thankful and appropriately generous in our response.

May all that is done this day be for Your greater honor and glory.

Amen.

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Utah (Mr. BISHOP) come forward and lead the House in the Pledge of Allegiance.

Mr. BISHOP of Utah led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain up to five requests for 1-minute speeches on each side of the aisle.

BIG WEEK FOR AMERICA'S ENERGY SUPPORTERS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, over 25 years ago, Congress legislated Yucca Mountain as our national repository for nuclear waste. Sadly, the President discontinued the project in 2009 solely for political reasons. On Monday, the Nuclear Regulatory Commission ordered the Department of Energy to proceed with the review process.

This administration has failed to produce a clear plan for storing spent nuclear fuel, putting the environment at risk. South Carolinians have paid \$2

billion into the program for the fees to address spent nuclear waste. Yet because of the President's party politics, a facility does not exist.

Thankfully, the judicial system sided with the American people this week and demanded the Energy Department to stop collecting these fees until a path forward is created. Yucca Mountain is clearly environmentally safe and secure and should be completed.

This is great news for the Aiken-Barnwell community and other commercial reactor sites across the country. The President should abide by the law. America is a strong Nation because we are a Nation of laws.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

I appreciate the community service of Bill and Anne West.

REMEMBERING THOSE LOST IN THE ILLINOIS TORNADO

(Mr. QUIGLEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. QUIGLEY. Mr. Speaker, I rise today to remember those who tragically lost their lives this week in Illinois. Last weekend, tornados ripped across my State and six people were killed.

Extreme weather events are sadly becoming the norm across the country; 2012 was the second most extreme weather year to date, with 11 extreme weather events across our country.

Last year, Illinois experienced a total of 113 broken heat records, two broken snow records, 36 broken precipitation records, and one large wildfire. Clearly, this year looks to be no different.

The reality is this: stronger, more destructive storms are pounding our region with distressing regularity and with huge costs to our State, our residents, and our economy.
