EXPRESSING THE SENSE OF THE SENATE ON THE CURRENT SITUATION IN IRAQ

Mr. PRYOR. Mr. President, I ask unanimous consent that the Senate now proceed to the consideration of Calendar No. 575, S. Res. 530.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 530) expressing the sense of the Senate on the current situation in Iraq and the urgent need to protect religious minorities from persecution from the Sunni Islamist insurgent and terrorist group the Islamic State, formerly known as the Islamic State of Iraq and the Levant (ISIL), as it expands its control over areas in northwestern Iraq.

There being no objection, the Senate proceeded to consider the resolution, which was reported from the Committee on Foreign Relations with an amendment and an amendment to the preamble and an amendment to the title.

(Strike out all after the resolving clause and insert the part printed in italic.)

(Strike the preamble and insert the part printed in italic.)

Whereas Iraq is currently embroiled in a surge of violence arising from an ISIL-led offensive that began in Anbar province and has spread to key locations such as Mosul, Tikrit, and Samarra and continues to engulf the region in violence and instability;

Whereas, on June 29, 2014, ISIL leader Abu Bakr al-Baghdadi renamed the group the Islamic State and pronounced himself Caliph of a new Islamic caliphate encompassing the areas under his control, and Mr. al-Baghdadi has a stated mission of spreading the Islamic State and caliphate across the region through violence against Shiites, non-Muslims, and unsupportive Sunnis;

Whereas Iraq's population is approximately 31,300,000 people, with 97 percent identifying themselves as Muslim and the approximately 3 percent of religious minorities groups comprising of Christians, Yazidis, Sabeen-Mandaeans, Bahais, Shabaks, Kakais, and Jews;

Whereas the Iraqi Christian population is estimated to be between 400,000 and 850,000, with two-thirds being Chaldean, one-fifth Assyrian, and the remainder consisting of Syriacs, Protestants, Armenians, and Anglicans;

Whereas the Iraqi constitution provides for religious freedom by stating that "no law may be enacted that contradicts the principles of democracy," "no law may be enacted that contradicts the rights and basic freedoms stipulated in this Constitution," and "[this Constitution] guarantees the full religious rights to freedom of religious belief and practice of all individuals such as Christians, Yazidis, and Mandaean Sabeans";

Whereas the fall of Mosul in particular has sparked enough anxiety among the Christian population that, for the first time in 1,600 years, there was no Mass in that city;

Whereas over 50 percent of Iraq's Christian population has fled since the fall of Saddam Hussein, and the government under Prime Minister Nouri al-Maliki did not uphold its commitment to protect the rights of religious minorities;

Whereas the United States Government has provided over \$73,000,000 of cumulative assistance to Iraq's minority populations since 2003 through economic development, humanitarian services, and capacity development;

Whereas 84,902 Iraqis have resettled to the United States between 2007 and 2013 and over 300,000 Chaldean and Assyrians currently reside throughout the country, particularly in Michigan, California, Arizona, Illinois, and Ohio; and

Whereas President Barack Obama recently declared on Religious Freedom Day, "Foremost among the rights Americans hold sacred is the freedom to worship as we choose . . . we also remember that religious liberty is not just an American right; it is a universal human right to be protected here at home and across the globe. This freedom is an essential part of human dignity, and without it our world cannot know lasting peace." Now, therefore, be it

Resolved,

That the Senate—

(1) reaffirms its commitment to promoting and to protecting religious freedom around the world;

(2) calls on the Department of State to work with the Government of Iraq, the Kurdistan Regional Government, neighboring countries, the diaspora community in the United States, and other key stakeholders to address the urgent plight of those Iraqi minority groups seeking safety and protection from persecution in Iraq;

(3) respectfully requests the Government of Iraq to prioritize the issue of protecting religious minorities and take concrete action to enact and enforce laws protecting religious freedom; and

(4) urges the President to ensure the timely processing of visas for Iraq's minority groups fleeing religious persecution, in accordance with

existing United States immigration law and national security screening procedures.

Mr. PRYOR. Mr. President, I ask unanimous consent that the committee-reported substitute amendment be agreed to, the resolution, as amended, be agreed to, the committee-reported amendment to the preamble be agreed to, the preamble, as amended, be agreed to, and the title amendment be agreed to, and the motions to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The committee-reported amendment in the nature of a substitute was agreed to.

The resolution (S. Res. 530), as amended, was agreed to.

The committee-reported amendment to the preamble in the nature of a substitute was agreed to.

The preamble, as amended, was agreed to.

The title amendment was agreed to, as follows:

Amend the title so as to read: "A resolution expressing the sense of the Senate on the current situation in Iraq and the urgent need to protect religious minorities from persecution from the terrorist group the Islamic State of Iraq and the Levant (ISIL)."

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

There being no objection, the Senate proceeded to consider the resolution, which had been reported from the Committee on Foreign Relations, with an amendment to the preamble, as follows:

(Strike the preamble and insert the part printed in italic.)

Whereas Ebola hemorrhagic fever is an extremely infectious virus that causes severe illness with a fatality rate that can well exceed 50 percent;

Whereas Ebola is spread through contact with blood, secretions, or other bodily fluids of infected humans and animals and can have an incubation period of up to 21 days;

Whereas the Ebola virus first appeared in the Democratic Republic of the Congo in 1976 and has afflicted communities in Africa at least 20 times since then;

Whereas the current Ebola outbreak first occurred in February 2014 in forested areas of southeastern Guinea and subsequently spread to Liberia, Sierra Leone, Nigeria, and Senegal, and the Democratic Republic of the Congo recently discovered the outbreak of a separate strain of the virus;

Whereas this is the first outbreak of Ebola in West Africa and the biggest and most complex to date, due to its emergence in populated, transient border areas, making containment a significant challenge;
