HONORING THE CAREER OF DR.
JOAN L. VORIS

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 12, 2014

Mr. COSTA. Mr. Speaker, I rise today to honor the work and career of UCSF Fresno Associate Dean Dr. Joan L. Voris, and to congratulate her on her retirement from the UCSF Fresno Medical Education Program on January 5, 2015.

Dr. Voris has decided to retire, leaving her most recent post as the associate dean of the UCSF Fresno Medical Education Program, a position she has held since 2002. Prior to her appointment as associate dean, she was a faculty member for 24 years. In her position as associate dean Dr. Voris provided leadership and oversight to residency programs in eight specialties, 17 sub-specialties, undergraduate medical education, the UCSF Fresno Latino Center for Medical Education and Research, the California Area Health Education Center, the UCSF Fresno Alzheimer's and Memory Center, and various pipeline programs within the community.

Dr. Voris has made incredible changes to the UCSF Fresno medical education program as associate dean. During her tenure, the program has seen an increase in the number of core faculty from 77 to 229, and the number of residents and fellows trained on an annual basis increased from 172 to 293, a 70% increase. To add to her long list of accomplish-

ments, all but one of the 14 fellowship programs was established under her leadership.

Prior to working at UCSF Fresno, Dr. Voris attended prestigious Stanford University where she earned both her bachelor's and medical degrees. Afterwards, she completed her pediatrics residency training at UCSF Fresno. During her 36 years working as a pediatrician in Fresno, Dr. Voris has served on a medical team which brings health care to communities in Mexico during the summer, working to provide health care to those who live in areas which have access to little to no medical services.

Due to her amazing contributions to the medical community and her expertise in child abuse issues and childhood obesity, Dr. Voris was named by the Marjaree Mason Center in 2010 as one of their Top 10 Professional Women. Additionally, in 2012, she received the "Physician Community Service Lifetime Achievement Award" from the Fresno-Madera Medical Society.

Her colleagues have nothing but praise for Dr. Voris, expressing their appreciation at her tireless efforts to improve health care in the San Joaquin Valley and to increase awareness of UCSF Fresno.

Mr. Speaker, it is with utmost respect that I ask my colleagues to join me in honoring the career of Dr. Joan L. Voris. Her outstanding work in pediatrics, her improvements at the UCSF Fresno Medical Education Program, and her extensive contributions to the community have all led to her to be regarded as one of the best doctors in the Central Valley. It is my hope that she continues to have a happy and fulfilling life in retirement.

H.R. 83

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 12, 2014

Mr. CARTWRIGHT. Mr. Speaker, last night, I voted "no" on H.R. 83 (The Continuing Resolution/Omnibus bill) despite adequate funding levels in several areas because it contained far too many poison pills. The best way forward would have been to compromise on a bill that did not include policy riders and would have funded the government without jeopardizing our financial security, the environment, our retirees, and our election system. I fully support the provisions in H.R. 83 that provide robust funding for our military, provide a 1% pay raise for military and civilian employees, and would provide additional funding for Tobyhanna Army Depot. However, I ultimately voted "no" because the legislation places the interests of greedy Wall Street investment bankers ahead of regular American working families. The Continuing Resolution/Omnibus bill, which passed by a narrow 219-206, guts important Dodd-Frank safeguards against a repeat of the \$700 billion taxpayer bailout of Wall Street financiers. It also exponentially raises the limits on campaign contribution cash that wealthy individuals (like Wall Street bankers) can donate to federal political parties. In one bill, House Speaker JOHN BOEHNER has managed both to jeopardize the American economy and further weaken the foundations of our American democracy itself. We should have been able to vote on a bill
