

is also harming the health of the American people. We secure economic opportunity for all citizens.

We don't leave anybody behind. We recognize the imperative and the opportunity that is so necessary for folks. We do, however, believe that there are places where appropriate federalism ought to occur, where States and local communities can better respond to the needs of their citizens, whether it is in the area of health care, whether it is in the area of nutritional assistance, or whether it is in the area of education, something that so many State legislatures and so many Governors are talking about as we speak.

We hold Washington accountable. We think it is important to have a right size of Washington, not an expanded Federal bureaucracy that continues to overreach and continues to affect adversely, in regulatory schemes, the lives of the American people. We cut waste and fraud and abuse all across the Federal Government, defining areas that need to be audited and where we need to find savings. The American people, the hardworking American people, they are sick and tired of the kind of waste in this government. We support rights of conscience for physicians all across this land, and we push back on the executive overreach.

This is A Balanced Budget for a Stronger America. It will result in a greater efficiency, greater effectiveness, and greater accountability of this government. I urge my colleagues to support A Balanced Budget for a Stronger America.

I yield back the balance of my time.

The Acting CHAIR. All time for general debate on the congressional budget has expired.

Mr. TOM PRICE of Georgia. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. MOOLENAAR) having assumed the chair, Mr. CURBELO of Florida, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the resolution (H. Con. Res. 27) establishing the budget for the United States Government for fiscal year 2016 and setting forth appropriate budgetary levels for fiscal years 2017 through 2025, had come to no resolution thereon.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

BENJAMIN P. GROGAN AND JERRY L. DOVE FEDERAL BUREAU OF INVESTIGATION MIAMI FIELD OFFICE

Mr. CURBELO of Florida. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1092) to designate the Federal building located at 2030 Southwest 145th Avenue in Miramar, Florida, as the "Benjamin P. Grogan and Jerry L. Dove Federal Bureau of Investigation Miami Field Office", as amended.

The Clerk read the title of the bill.

The Chair recognizes the gentleman from Florida.

#### GENERAL LEAVE

Mr. CURBELO of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 1092, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. CURBELO of Florida. I yield myself such time as I may consume.

Mr. Speaker, H.R. 1092, as amended, would designate the Federal building located at 2030 Southwest 145th Avenue in Miramar, Florida, as the Benjamin P. Grogan and Jerry L. Dove Federal Building.

FBI Special Agents Jerry Dove and Benjamin P. Grogan were killed in 1986 during a gun battle with robbery suspects. Special Agents Dove and Grogan had been a part of a surveillance effort in connection with a series of violent bank robberies in Miami, Florida.

Special Agent Dove was born in January 1956 in Charleston, West Virginia. He earned degrees from Marshall University and West Virginia University and had been in law enforcement for 4 years prior to his death.

Special Agent Grogan was born in Atlanta, Georgia, in February 1933. He became an FBI special agent in 1961 and had been with the FBI for 19 years prior to his death.

This legislation recognizes the ultimate sacrifice of these two FBI agents

who were killed in the line of duty. I am pleased to be a cosponsor of this legislation, and I want to thank the gentlewoman from Florida (Ms. WILSON) for her leadership on this bill.

Mr. Speaker, earlier this afternoon, I spoke with George Piro, special agent in charge of the FBI's Miami field office, and on behalf of the families of the fallen officers and of all of his colleagues, he conveyed his sincere appreciation to this House for considering this important legislation today.

I urge my colleagues to support passage of this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. CARSON of Indiana. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 1092, as amended, which designates the Federal building located in Miramar, Florida, as the Benjamin P. Grogan and Jerry L. Dove Federal Bureau of Investigation Miami Field Office.

I would also like to thank my dear friend and pioneer and legend, the gentlelady from Florida, Madam FREDERICA WILSON, who really is a Floridian icon, but I want to recognize her for her dedicated work with law enforcement officers, including the two who died in the line of duty.

On April 11, 1989, Mr. Speaker, FBI Agents Jerry Dove and Benjamin Grogan were killed in southwest Miami, Florida. While these two FBI agents were investigating a spate of violent armed robberies, they observed a vehicle suspected to be connected to the robberies. When the agents attempted to stop the vehicle and the suspects refused, a high-speed chase ensued. A gun battle followed, and Special Agents Dove and Grogan were killed. Five other agents were injured in the attack.

Now, since this incident, Mr. Speaker, every April 11, the Miami FBI field office has held a special ceremony to honor Special Agents Dove and Grogan and other law enforcement officers who have been killed in the line of duty.

As a former police officer, I have a deep appreciation of this honor being bestowed today. Naming this new facility after FBI Special Agents Jerry Dove and Benjamin P. Grogan is a fitting tribute to these two law enforcement officers who gave their lives in service and protection of the citizens of Miami, Florida.

I urge my colleagues to join us in supporting H.R. 1092, as amended.

Mr. Speaker, I reserve the balance of my time.

Mr. CURBELO of Florida. Mr. Speaker, I yield 2 minutes to my distinguished colleague from Florida, Ms. ILEANA ROS-LEHTINEN.

Ms. ROS-LEHTINEN. Mr. Speaker, I thank our brand-new Florida colleague, the gentleman from Miami, Mr.

CURBELO, for his leadership in bringing this important bill to the floor before us tonight. I especially commend my good friend, the gentlelady from Miami, Dr. WILSON, for spearheading this effort to commemorate and thank our law enforcement officers, and especially to highlight the sacrifice that these two special agents made.

As was pointed out by the previous speakers, Mr. Speaker, in 1986, Special Agents Benjamin P. Grogan and Jerry L. Dove were killed while serving bravely in the line of duty after they and other agents gave chase to two robbery suspects.

□ 1800

A 5-minute gun battle—the bloodiest in FBI history—erupted when the suspects' vehicle was stopped in my sleepy neighborhood of Pinecrest, Florida, and both suspects began firing on law enforcement.

In addition to the tragic loss of Special Agents Grogan and Dove, five other agents, including the agent who shot and killed the suspects, were injured, as approximately 145 shots were fired during this exchange.

Even though scenes as tragic as this one are very rare in south Florida today, our community understands the dangers that all law enforcement officers face in the course of their daily work to protect civilians. The sacrifice of both special agents and their families is a testament to the ethos of service in our south Florida community.

Although nothing will bring back these brave agents, I am proud to support Ms. WILSON's important bill to name the FBI's new south Florida field office for them. It is just one way, Mr. Speaker, in which we can honor their service and their sacrifice.

Special Agents Dove and Grogan are role models for our new generation of law enforcement officers. Their bravery, their courage, their selfless dedication is seen every day in law enforcement officers in south Florida.

Mr. CARSON of Indiana. Mr. Speaker, I yield 10 minutes to the gentlewoman from Florida (Ms. WILSON), the author of the bill.

Ms. WILSON of Florida. Mr. Speaker, a special thank you to Speaker BOEHNER for realizing the urgency of this bill. We just got this information, and I went to the Speaker and he redlined the bill and brought it to the floor.

I am proud to have my Florida colleagues here with me: a legend in her own time, Representative ILEANA ROS-LEHTINEN, and Mr. CURBELO, who is new. He has really jumped into Congress and has been so helpful in all that we do.

It is a pleasure for the time to be managed by ANDRÉ CARSON, who himself is a police officer and who understands who we consider a role model in that field. I thank you so much for being here today for this important bill.

I rise today to urge my colleagues to support H.R. 1092, which proposes to

designate the Federal building located at 2030 Southwest 145th Avenue in Miramar, Florida, in the heart of my district, as the Benjamin P. Grogan and Jerry L. Dove Federal Building.

This new 475,000-square-foot facility is a state-of-the-art office building and is developed in accordance with the 2030 Zero Environmental Footprint project goal, according to the architects.

This facility is a part of the GSA's Design Excellence Program, and in the words of the architect, it "expresses the dignity, enterprise, and stability of the United States Government, while the landscape restores the native environment by reintroducing wetlands and vegetation typical of the Everglades."

The facility is LEED certified and is designed to reduce the consumption of potable water by 95 percent. There are also solar panels on the roof of the annex and garage that will provide renewable electricity. The building will be high tech and be able to support over 1,000 employees.

There are a few major points that I want to mention about the building. First, the building is aesthetically gorgeous and far from what you would consider your typical government building. It sheds the model that government buildings always place function over form. The building stands out from the neighboring buildings so much that most people don't know that it is the FBI's new field office.

Also, the construction cost was approximately \$8 million below the budgeted amount, and this was achieved through the operational efficiency of the contractor Hensel Phelps, the FBI, and GSA.

The project provided a boost to the local economy by creating hundreds of jobs for the residents of my community. The employees will be able to give back to the economy—which is so great—by spending money in the city of Miramar.

Now, Mr. Speaker, we have an opportunity to create an even stronger personal connection with the local community.

We are naming the building in honor of Special Agents Benjamin P. Grogan and Jerry L. Dove, members of the Federal Bureau of Investigation who died valiantly on Friday, April 11, 1986, in what is still considered the bloodiest gun battle in the storied history of the FBI.

Most men and women in law enforcement leave their homes for work knowing that there is a possibility that they may not return, but I don't know if that was on the minds of Agents Grogan and Dove as they left their homes on April 11, 1986.

I do know that it was an unusually cool and breezy spring morning in south Florida. I do know that Miami in the 1980s was plagued by crime and graphic violence. This period has been chronicled in media reports and dramatically portrayed on the TV show "Miami Vice" and in movies like "Scarface."

I know that Agents Grogan and Dove knew about this violence when they said good-bye to their families, picked up their badges and guns, and left home on the morning of April 11, 1986. Yet they still answered the charge to protect their community in the face of this danger.

I know that Agent Grogan was a company man. I know that he had 25 years of dedicated service to the Bureau and was 1 year from retirement. His wife was also an employee of the Bureau.

I know that Agent Dove had only 4 years of service in the Bureau after completing law school, but he was living his boyhood dream, according to his family.

I have their photos displayed here so that you can see the men we are proposing to honor. I wanted to have their pictures so that you can see the bravery in their eyes.

I know that their bravery was the motivation for their joining a team of fellow agents on the morning of April 11, 1986, to tail a vehicle with two suspects on board whom they thought were connected to a string of violent bank robberies.

The agents attempted to hail the driver of the vehicle to pull over, and when that failed, the agents strategically cornered the vehicle, which came to a crashing halt by hitting a tree. A gun battle immediately ensued. There was a barrage of bullets.

I can only imagine how the crackle from the guns cut through the normally peaceful morning of that south Dade neighborhood. Yet our brave men of the Federal Bureau of Investigation returned fire. Their fire hit the suspects several times but, unfortunately, those weapons were not powerful enough to stop them.

On the other hand, the weapons that were used by the suspects were so powerful that the agents were injured by misses that tore pieces of metal from their vehicles. However, those agents continued to battle on. Those agents knew that this could be that day which they prayed to avoid as they said good-bye to their loved ones and left their home, but they still battled on.

I can only imagine the frustration of Special Agents Richard Manauzzi, Gordon McNeill, Edmundo Mireles, Gilbert Orrantia, John Hanlon, Ronald Risner, and Grogan and Dove as they shot dozens of bullets into the suspects' direction and the high-powered rifle continued to return fire, but they still battled on.

In a desperate attempt to flee, the suspects tried to commandeer Grogan and Dove's vehicle. When they came around to the side of the vehicle, Grogan and Dove were on the ground in a defensive position they had taken to battle the suspects. It is reported that the suspects shot both agents with a high-powered rifle at close range. Shortly after, the suspects were themselves fatally shot by Agent Edmundo Mireles.

Agent Mireles made a very impressive statement about his role in that tragic event. He said:

I knew that I was going to die, but I was going to do my best to make sure that the suspects didn't get away.

When the dust cleared, two agents lay dead on that spring morning, and five were seriously injured.

I know one other thing: that if for no other reason, we are here in Congress to honor, commend, and decorate those Americans who live up to the ideals upon which this great country was founded.

Mr. Speaker, I implore you and my colleagues in Congress to join me, the Transportation Committee, and my Florida colleagues, and lift up Special Agent Benjamin Grogan and Special Agent Dove from that street in south Miami and place their names high, where the world can know that we are proud of their sacrifice for their Nation.

It is only fitting that these names should be placed on the same mantle with the letters FBI because Special Agents Grogan and Dove embody the motto for which the agency has become known: fidelity, bravery, and integrity.

God bless the FBI, and God bless America.

Mr. CARSON of Indiana. Mr. Speaker, I yield back the balance of my time.

Mr. CURBELO of Florida. Mr. Speaker, I yield myself such time as I may consume.

I want to thank my two colleagues from Florida for their moving and eloquent remarks. I especially want to thank Ms. WILSON for raising awareness and taking this very special initiative to honor these men who gave the ultimate sacrifice for the safety and the security of our community.

Mr. Speaker, it is often in this House that we take time to remember those who are defending our freedoms around the globe, our men and women in uniform, as we should, because many of them also pay the ultimate sacrifice. Less frequently do we take time to honor our heroes in law enforcement, those who live with us in our neighborhoods and who keep our neighborhoods and our homes safe.

By doing this today, this House is honoring not just these men, not just their families, but all of our law enforcement officers throughout this country who every day fight to keep us safe and to guarantee the security of our neighborhoods and of our families.

Once again, I thank my colleagues for this wonderful bipartisan effort to honor those who truly deserve to be honored by this House.

With that, Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. CURBELO) that the House suspend the rules and pass the bill, H.R. 1092.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to designate the Federal building located at 2030 Southwest 145th Avenue in Miramar, Florida, as the 'Benjamin P. Grogan and Jerry L. Dove Federal Building'."

A motion to reconsider was laid on the table.
