**PETITIONS AND MEMORIALS**

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-8. A resolution adopted by the House of Representatives of the State of Michigan memorializing the United States Congress to reinstate funding for the Yucca Mountain Nuclear Waste Repository; to the Committee on Energy and Natural Resources.

**HOUSE RESOLUTION NO. 21**

Whereas, Over the past four decades, nuclear power has been a significant source for the nation's electricity production. There are 104 operating nuclear power reactors in the United States, providing about one-fifth of the nation's electricity generation. According to the U.S. Energy Information Administration, Michigan's three nuclear power plants provided 28 percent of the electricity generated in Michigan in 2013; and

Whereas, Nuclear power can provide large amounts of reliable, emission-free electricity at stable prices. Many electricity markets across the nation are, or will soon be, in need of new baseload generating capacity. However, the construction of new nuclear power plants is being hampered by the unresolved issue of spent nuclear fuel; and

Whereas, Since the earliest days of nuclear power, the great dilemma is how to deal with used nuclear fuel. Currently, more than 70,000 metric tons of spent nuclear fuel are stored in pools or casks at temporary, and potentially vulnerable, sites around the country, including in Michigan. More nuclear waste is generated every day. This high-level radioactive waste demands exceptional care in all facets of its storage and disposal, including transportation; and

Whereas, The Nuclear Waste Policy Act of 1982 requires the federal government, through the Department of Energy (DOE), to build a repository for the permanent storage of high-level radioactive waste from nuclear power plants. This act includes a specific timetable to identify a suitable location and to establish the waste repository; and

Whereas, The establishment of a federal nuclear waste repository is more than fifteen years overdue. Under the Act, the DOE was supposed to begin accepting and storing the nation's nuclear waste by January 31, 1998. In 2002, Congress and President Bush approved Yucca Mountain in Nevada as the site of the repository, and in 2008, the Nuclear Regulatory Commission (NRC) accepted an application by the DOE to construct and operate the repository. However, in 2010, at the urging of President Obama, the DOE chose to unilaterally and irrevocably terminate the Yucca Mountain repository process; and

Whereas, The NRC released a report in October 2014 that found Yucca Mountain would be a safe and acceptable repository for the permanent storage of used nuclear fuel. The repository would meet all NRC standards for protecting people and the environment from radioactivity. Clearly, it is time to re-open the Yucca Mountain process, as it will provide the best long-term solution to our nation's used nuclear fuel problem; and

Whereas, The Yucca Mountain process cannot move forward without the U.S. Congress appropriating additional funds. Electric ratepayers in Michigan and across the country have paid billions into the federal Nuclear Waste Fund specifically to support development of a long-term repository. Since 1983, in accordance with the Nuclear Waste Policy Act, customers of Michigan electric utilities have paid \$812 million into the federal fund. While fee collection has been suspended as of May 16, 2014, the fund still contains a total balance of over \$31 billion: Now, therefore, be it

*Resolved by the House of Representatives,* That we memorialize the Congress of the United States to reinstate funding for the Yucca Mountain Nuclear Waste Repository; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-9. A joint resolution adopted by the Legislature of the State of Maine memorializing the President of the United States and Congress of the United States to support the reform of the Social Security offsets of the Government Pension Offset and the Windfall Elimination Provision; to the Committee on Finance.

**SENATE PAPER 382**

Whereas, under current federal law, individuals who receive a Social Security benefit and a public retirement benefit derived from employment not covered under Social Security are subject to a reduction in the Social Security benefits; and

Whereas, these laws, contained in the federal Social Security Act, 42 United States Code, Chapter 7, Subchapter II, Federal Old-Age, Survivors, and Disability Insurance Benefits, and known as the Government Pension Offset and the Windfall Elimination Provision, greatly affect public employees, particularly women; and

Whereas, the Windfall Elimination Provision reduces by a formula the Social Security benefit of a person who is also receiving a pension from a public employer that does not participate in Social Security; and

Whereas, the Government Pension Offset and the Windfall Elimination Provision are particularly burdensome on the finances of low-income and moderate-income public service workers, such as school teachers, clerical workers and school cafeteria employees, whose wages are low to start; and

Whereas, the Government Pension Offset and the Windfall Elimination Provision both

unfairly reduce benefits for those public employees and their spouses whose careers cross the line between the private and public sectors; and

Whereas, since many lower-paying public service jobs are held by women, both the Government Pension Offset and the Windfall Elimination Provision have a disproportionately adverse effect on women; and

Whereas, in some cases, additional support in the form of income, housing, heating and prescription drug and other safety net assistance from state and local governments is needed to make up for the reductions imposed at the federal level; and

Whereas, other participants in Social Security do not have their benefits reduced in this manner; and

Whereas, to participate or not to participate in Social Security in public sector employment is a decision of employers even though both the Government Pension Offset and the Windfall Elimination Provision directly punish employees and their spouses; and

Whereas, although the Government Pension Offset was enacted in 1977 and the Windfall Elimination Provision was enacted in 1983, many of the benefits in dispute were paid into Social Security prior to that time: Now, therefore, be it

*Resolved,* That We, your Memorialists, request that the President of the United States and the United States Congress work together to support reform proposals that include the following protections for low-income and moderate-income government retirees:

1. Protections permitting retention of a combined public pension and Social Security benefit with no applied reductions;
2. Protections permanently ensuring that level of benefit by indexing it to inflation; and
3. Protections ensuring that no current recipient's benefit is reduced by the reform legislation; and be it further

*Resolved,* That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable Barack H. Obama, President of the United States; the President of the United States Senate; the Speaker of the House of Representatives of the United States; and each Member of the Maine Congressional Delegation.

POM-10. A resolution adopted by the General Court of the Commonwealth of Massachusetts condemning all forms of anti-Semitism; to the Committee on Foreign Relations.

**RESOLUTIONS**

Whereas, there is clear evidence of increasing incidents and expressions of anti-Semitism throughout the world; and

Whereas, in April 2014, the United States Department of State released the International Religious Freedom report recognizing that anti-Semitism continues to be prevalent internationally; and

Whereas, anti-Semitic acts committed and recorded in 2014 include murders, violent attacks and death threats against Jews, arson, graffiti and property desecration and murders at Jewish cemeteries, places of worship, schools and community events; and

Whereas, such anti-Semitic acts also extend to soccer stadiums, the Internet, editorial cartoons and the use of Nazi salutes, leading many Jewish individuals to conceal their religious identity; and

Whereas, the recent terror attack at a kosher supermarket in Paris, France, and a mounting sense of insecurity among France's Jews reminds us of the urgent need for a commitment to address and confront anti-Semitism; and

Whereas, the Governments in France, Germany, Italy and the United Kingdom, the 4 countries where the majority of anti-Semitic incidents have occurred in Western Europe, have strongly condemned anti-Semitism as unacceptable in European society and have all made clear statements that such attacks on their Jewish communities are intolerable; and

Whereas, anti-Semitic imagery and comparisons of Jews and Israel to Nazis have been on display at demonstrations against Israel's actions in Gaza, throughout the United States, Europe, the Middle East and Latin America; and

Whereas, the Commonwealth of Massachusetts has a rich history of tolerance to all faiths and religions; and

Whereas, the United States Government has played an essential role in counteracting the resurgence of anti-Semitism worldwide and has consistently supported efforts to address the rise in anti-Semitism through its bilateral relationships and participation in international organizations such as the United Nations, the organization for security and cooperation in Europe, and the organization of American states; and

Whereas, the Massachusetts General Court joins with people everywhere in unequivocally condemning all forms of anti-Semitism and rejecting attempts to justify anti-Jewish hatred or violent attacks as an acceptable expression of disapproval or frustration over political events in the Middle East or elsewhere; and

Whereas, the Massachusetts General Court applauds the United States and those foreign leaders who have condemned anti-Semitic acts and calls on those who have yet to take firm action against anti-Semitism in their countries to do so; and

Whereas, the very recent killings of a Danish film director and a Jewish guard in Copenhagen, along with the vandalism of a Jewish cemetery in Eastern France, have given rise to concerns about a rise of terrorism and anti-Semitism across the continent: Now, therefore, be it

*Resolved*, That the Massachusetts General Court supports expanded anti-bias and Holocaust education programs to increase awareness, counter prejudice and enhance efforts to teach the universal lessons of the Holocaust; and be it further

*Resolved*, That a copy of these resolutions be transmitted forthwith by the Clerk of the Massachusetts Senate to the President of the United States, the United States Secretary of State, the Governor of the Commonwealth and to each member of Congress elected from this State.
