

HONORING THE LIFE OF CARLYLE FARNSWORTH

(Mr. McKINLEY asked and was given permission to address the House for 1 minute.)

Mr. McKINLEY. Mr. Speaker, I rise to recognize and honor the life of Carlyle Farnsworth from Wheeling, who passed away on Christmas Eve.

I was honored to have known him as a friend. Carlyle was a member of the Greatest Generation in America, and he served in the United States Marine Corps during World War II. When he returned home, he built a career, raised a family, and was a community leader for a number of years.

He served on the board of the Wheeling Hospital for 29 years and was a past president. He was president of the Wheeling Area Chamber of Commerce, was active in scouting with the local valley Scout council, and served as the vice president of the Scouts for over 20 years. Carlyle attended the very first National Scouting Jamboree right here in Washington in 1937.

He was a distinguished banker for over 40 years and served as the bank president for many of those years. He belonged to numerous State and national banking associations and served on the West Virginia State Board of Investments.

My lasting impression of Carlyle was how cheerful, upbeat, and positive he was. I offer my condolences to his loving wife of 44 years, Sue; to his daughter, Betsy Ann; to his son, Thomas, and his wife C.J.

Carlyle will be missed, but he will be remembered as a leader, as a loving husband, and as an inspiration to all of those with whom he came in contact.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 3:45 p.m. today.

Accordingly (at 2 o'clock and 7 minutes p.m.), the House stood in recess.

□ 1548

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. RIBBLE) at 3 o'clock and 48 minutes p.m.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Record votes on postponed questions will be taken later.

CHILD NICOTINE POISONING PREVENTION ACT OF 2015

Mrs. BROOKS of Indiana. Mr. Speaker, I move to suspend the rules and pass the bill (S. 142) to require special packaging for liquid nicotine containers, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 142

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Child Nicotine Poisoning Prevention Act of 2015".

SEC. 2. SPECIAL PACKAGING FOR LIQUID NICOTINE CONTAINERS.

(a) REQUIREMENT.—Notwithstanding section 2(f)(2) of the Federal Hazardous Substances Act (15 U.S.C. 1261(f)(2)) and section 3(a)(5) of the Consumer Product Safety Act (15 U.S.C. 2052(a)(5)), any nicotine provided in a liquid nicotine container sold, offered for sale, manufactured for sale, distributed in commerce, or imported into the United States shall be packaged in accordance with the standards provided in section 1700.15 of title 16, Code of Federal Regulations, as determined through testing in accordance with the method described in section 1700.20 of title 16, Code of Federal Regulations, and any subsequent changes to such sections adopted by the Commission.

(b) SAVINGS CLAUSE.—

(1) IN GENERAL.—Nothing in this Act shall be construed to limit or otherwise affect the authority of the Secretary of Health and Human Services to regulate, issue guidance, or take action regarding the manufacture, marketing, sale, distribution, importation, or packaging, including child-resistant packaging, of nicotine, liquid nicotine, liquid nicotine containers, electronic cigarettes, electronic nicotine delivery systems or other similar products that contain or dispense liquid nicotine, or any other nicotine-related products, including—

(A) authority under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) and the Family Smoking Prevention and Tobacco Control Act (Public Law 111-31) and the amendments made by such Act; and

(B) authority for the rulemaking entitled "Deeming Tobacco Products to Be Subject to the Federal Food, Drug, and Cosmetic Act, as Amended by the Family Smoking Prevention and Tobacco Control Act; regulations on the Sale and Distribution of Tobacco Products and the Required Warning Statements for Tobacco Products" (April 2014) (FDA-2014-N-0189), the rulemaking entitled "Nicotine Exposure Warnings and Child-Resistant Packaging for Liquid Nicotine, Nicotine-Containing E-Liquid(s), and Other Tobacco Products" (June 2015) (FDA-2015-N-1514), and subsequent actions by the Secretary regarding packaging of liquid nicotine containers.

(2) CONSULTATION.—If the Secretary of Health and Human Services adopts, maintains, enforces, or imposes or continues in effect any packaging requirement for liquid nicotine containers, including a child-resistant packaging requirement, the Secretary shall consult with the Commission, taking into consideration the expertise of the Commission in implementing and enforcing this Act and the Poison Prevention Packaging Act of 1970 (15 U.S.C. 1471 et seq.).

(c) APPLICABILITY.—Notwithstanding section 3(a)(5) of the Consumer Product Safety Act (15 U.S.C. 2052(a)(5)) and section 2(f)(2) of the Federal Hazardous Substances Act (15 U.S.C. 1261(f)(2)), the requirement of subsection (a) shall be treated as a standard for

the special packaging of a household substance established under section 3(a) of the Poison Prevention Packaging Act of 1970 (15 U.S.C. 1472(a)).

(d) DEFINITIONS.—In this section:

(1) COMMISSION.—The term "Commission" means the Consumer Product Safety Commission.

(2) LIQUID NICOTINE CONTAINER.—

(A) IN GENERAL.—Notwithstanding section 2(f)(2) of the Federal Hazardous Substances Act (15 U.S.C. 1261(f)(2)) and section 3(a)(5) of the Consumer Product Safety Act (15 U.S.C. 2052(a)(5)), the term "liquid nicotine container" means a package (as defined in section 2 of the Poison Prevention Packaging Act of 1970 (15 U.S.C. 1471))—

(i) from which nicotine in a solution or other form is accessible through normal and foreseeable use by a consumer; and

(ii) that is used to hold soluble nicotine in any concentration.

(B) EXCLUSION.—The term "liquid nicotine container" does not include a sealed, pre-filled, and disposable container of nicotine in a solution or other form in which such container is inserted directly into an electronic cigarette, electronic nicotine delivery system, or other similar product, if the nicotine in the container is inaccessible through customary or reasonably foreseeable handling or use, including reasonably foreseeable ingestion or other contact by children.

(3) NICOTINE.—The term "nicotine" means any form of the chemical nicotine, including any salt or complex, regardless of whether the chemical is naturally or synthetically derived.

SEC. 3. EFFECTIVE DATE.

This Act shall take effect on the date that is 180 days after the date of the enactment of this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from Indiana (Mrs. BROOKS) and the gentleman from Maryland (Mr. SARBANES) each will control 20 minutes.

The Chair recognizes the gentlewoman from Indiana.

GENERAL LEAVE

Mrs. BROOKS of Indiana. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and to insert extraneous materials into the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Indiana?

There was no objection.

Mrs. BROOKS of Indiana. Mr. Speaker, I yield myself such time as I may consume.

Recently there has been a significant amount of debate surrounding liquid nicotine, ranging from its use as cigarette cessation to its use in public spaces. While there are differing points on the future of vaping, everyone can agree on the need to prevent the product from inadvertently reaching the hands of children.

That is why my colleague from Connecticut (Ms. ESTY) and I introduced the Child Nicotine Poisoning Prevention Act, which simply requires child safety packaging be added to liquid nicotine containers. The bill we are considering today and have already passed in the Senate is identical to our bill, which passed out of the Committee on Energy and Commerce in October of last year.
