AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. HULTGREN) at noon.

PRAYER

Reverend Kent Clark, Grace Gospel Fellowship, Pontiac, Michigan, offered the following prayer:

Our God, our Father, we call upon Your name—a name at which every knee shall bow. Your name is Wonderful, Counselor, Mighty God, Everlasting Father. You are the Prince of Peace, the Rose of Sharon, the Lily of the Valley, and the bright Morning Star. You are the fairest of 10,000.

You are the great creator God, alpha and omega, beginning and end, first and last. Your name is Redeemer and the Lord, the Way, the Truth and Life, Bread of Life, and Author and Finisher of our faith.

We know no greater judgment could befall a nation than for it to be deserted by God, left to be the play thing of malignant forces.

Speak to us, O great Jehovah.

We know a sparrow does not fall without Your notice, and we know that a nation cannot rise without Your aid.

In the name of Joshua, Jesus saves, Immanuel—God with us.

Amen.

FOREST TREE DAMAGE TOLL AND FIRE DANGER

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, years of drought have left a terrible toll on the forests of the Sierra Nevada in California. The Forest Service estimates that there are at least 40 million trees that have died in California alone. The scope of this challenge is almost unbelievable, and the danger it presents is nearly unavoidable. However, there are steps that we can take to address it.

While it is refreshing that the Forest Service is finally using the categorical exclusions that have been authorized under the recent farm bill to speed forest management projects, it won't be enough to prevent forest fires of devastating sizes and scopes. The Forest Service should rapidly increase the numbers of public-private partnerships it engages in and allow the private sector to remove the dead trees that are just waiting for a spark.

The Senate should act immediately to pass H.R. 2647 and allow forest fires
