**SEC. 2853. CONGRESSIONAL DESIGNATION OF THE NATIONAL MEDAL OF HONOR MUSEUM.**

(a) FINDINGS.—Congress makes the following findings:

(1) The Medal of Honor Museum will be the only museum in the United States that exists for the exclusive purpose of interpreting the story of the Medal of Honor and all of its recipients.

(2) The Medal of Honor Museum will be the only museum to educate a diverse group of audiences through its collection of artifacts, photographs, letters, documents, and first-hand personal accounts of Medal of Honor recipients and the wars they fought in during United States conflicts since the Civil War.

(3) The Medal of Honor Museum mission is—

(A) to preserve and present the extraordinary stories of individuals who reached the highest levels of recognition, “above and beyond the call of duty,” in service to the Nation;

(B) to inspire current and future generations about the ideals of the Medal of Honor six columns of character—Courage, Commitment, Integrity, Citizenship, Sacrifice, and Patriotism;

(C) to help visitors understand the meaning and price of freedom and what it means to put service above self; and

(D) to serve as an education center that, through various programs, reaches out across the country to further the Medal of Honor’s ideals among all Americans, especially our Nation’s youth.

(4) The Medal of Honor was established by an Act of Congress in 1861 and is awarded in its name. The Medal of Honor is the highest award for valor in action against an enemy force which can be bestowed upon an individual serving in the Armed Forces of the United States and is generally presented to its recipient by the President in the name of Congress.

(5) The total number of Medal of Honor recipients from the Civil War through the current War on Terrorism is 3,495 (19 individuals are double recipients). Since World War II, the vast majority of recipients from WWII, the Korean War, and Vietnam have been awarded posthumously.

(6) As of May 3, 2016, there are only 76 living Medal of Honor recipients, whose average age is 77, creating an urgent need to preserve the stories, artifacts, and heroic achievements of these individuals.

(7) The United States has a need to preserve forever the stories, knowledge, and history of the 3,495 recipients of the Medal of Honor to portray that history and the courage, commitment, integrity, citizenship, sacrifice, and patriotism of the recipients to citizens, visitors, and school children for centuries to come.

(8) Therefore, it is appropriate to designate The Medal of Honor Museum as “National Medal of Honor Museum”.

(b) DESIGNATION OF THE NATIONAL MEDAL OF HONOR MUSEUM.—The Medal of Honor Museum is hereby designated as “The National Medal of Honor Museum”.

(c) FUNDING.—The amount authorized to be appropriated under section 2403 for military construction, land acquisition, and military family housing functions of the Department of Defense (other than the military departments), as specified in the finding table in section 4601, is increased by \$10,000,000, with the amount of such increase to be allocated for planning and construction of the National Medal of Honor Museum.
