

RECOGNIZING J.P. JOHANSON,  
LENNOX KOHN AND JOHN THOMAS,  
AS, V

**HON. MIKE COFFMAN**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 7, 2016*

Mr. COFFMAN. Mr. Speaker, I rise today to recognize J.P. Johanson, Lennox Kohn, and John Thomas, V for their hard work and dedication to the people of Colorado's Sixth District as interns in my Washington, D.C. office for the autumn of the 114th Congress, Second Session.

The work of these young men has been exemplary and I know they all have bright futures. They served as tour guides, interacted with constituents, and learned a great deal about our nation's legislative process. I was glad to be able to offer this educational opportunity to these three and look forward to seeing them build their careers in public service.

All three of our interns have made plans to pursue careers in public service. I am certain they will continue in their great success and wish them all the best in their future endeavors. Mr. Speaker, it is an honor to recognize J.P. Johanson, Lennox Kohn, and John Thomas, V for their service this autumn.

HONORING THE JOHN MUIR LAND  
TRUST

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 7, 2016*

Mr. THOMPSON of California. Mr. Speaker, I, along with Congressman MARK DESAULNIER, rise today to honor the John Muir Land Trust, which earned Land Trust Accreditation status from the Land Trust Alliance in August 2016. The John Muir Land Trust is one of only 350 land trusts nationwide to receive this prestigious commendation.

The John Muir Land Trust began in 1989 as the Martinez Regional Land Trust in Contra Costa County, California. The Trust initially protected 150 acres of land in the Alhambra Valley, but its success soon attracted more supporters. Over the succeeding years, the renamed John Muir Land Trust grew to incorporate 13 properties throughout Contra Costa County and now protects 2,500 acres of multi-use land.

To demonstrate its ongoing commitment to future conservation, the John Muir Land Trust applied for formal accreditation from the Land Trust Alliance. For a decade, the Land Trust Alliance has provided accreditation to land trusts that demonstrate success in supporting the public interest and that meet high conservation standards. The John Muir Land Trust's recent accreditation is a testament to its tremendous accomplishments and importance within our Contra Costa community.

The Trust's work ensures that people throughout our community have access to trails for walking, hiking and cycling while also preserving agricultural lands. The John Muir Land Trust protects air and water quality and preserves habitats for endangered animal and plant species. Recently, the Trust expanded its community engagement by creating the

POINTing to Success program to support STEM education for middle and high school students, enhancing students' education through exposure to natural resources.

Mr. Speaker, the John Muir Land Trust conserves vital parts of our community's natural resources and provides residents with magnificent open spaces and an enhanced quality of life. Therefore, it is fitting and proper that we honor the John Muir Land Trust here today.

THE RETIREMENT OF PIETRO  
PARRAVANO FROM THE BOARD  
OF THE SAN MATEO COUNTY  
HARBOR DISTRICT

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 7, 2016*

Ms. SPEIER. Mr. Speaker, I rise to offer my congratulations to Pietro Parravano as he retires after 21 years of distinguished service on the board of the San Mateo County Harbor District. Pietro is as much an institution at the district as the docks, hoists and loading ramps that make the facility such a community treasure. His thoughtful guidance during his time on the board assured the public of good stewardship and a perspective based upon hands-on experience.

Pietro was first appointed to the harbor district board in 1995 and won re-election every four years thereafter. It is easy to see why he has earned the confidence of the public.

Pietro commercially fished the Anne B. out of Pillar Point Harbor for many years and remains a fixture at the Half Moon Bay farmers market. He knows the sea, the fishing industry, and the long-term needs of both. He is also sensitive to other public needs, such as the need for recreation and visitor-serving facilities at the two ports.

Pietro, originally from Princeton, New Jersey, moved to the West Coast in 1966 when his father spent a sabbatical at Stanford University. He began his career as a teacher but dedicated most of his life to commercial fishing and environmental advocacy. He served as President of the Half Moon Bay Seafood Marketing Association from 1988 to 1995. In 1997, he was one of two U.S. delegates to the World Forum of Fish Harvesters and Fish Workers in New Delhi. From 1992 to 2004 he was a member of the Pacific Coast Federation of Fishermen. In 2005, Pietro started the San Mateo County Food Alliance. He currently serves on the Joint Oceans Commission Initiative, the Institute for Fisheries Resources, and the Culinary Institute of America/Singapore which brings students from Singapore to the Bay Area to learn about sustainable food sources.

His community service is legendary in Half Moon Bay and beyond. In 1996, Pietro was recognized by the Chamber of Commerce for his Community Service, and in 1999, he was recognized as an Environment Leader when he was president of the Pacific Coast Federation of Fishermen. In 2008, Pietro was the fisheries representative at the opening of Ocean Hall at the Smithsonian in Washington DC. In 2013, he was awarded the Margi Grant Heart of Hospitality by the San Mateo County Convention and Visitors Bureau. In sum, he is the "go-to" person in San Mateo County for sustainable food and good fishing policy.

Mr. Speaker, I ask my colleagues to join me in recognizing Pietro Parravano for two decades of public service and a lifetime of dedication to our oceans and sustainable fisheries. While Pietro is retiring from the Harbor District Commission, his contributions will continue to shape life on the coast and I have no doubt that he will remain active and an important voice in our community.

TRIBUTE TO U.S. DEPUTY  
MARSHAL PATRICK CAROTHERS

**HON. DOUG COLLINS**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 7, 2016*

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to speak about a great loss that my home state of Georgia experienced on Friday, November 18th.

On that day, United States Deputy Marshal Patrick Carothers was killed in the line of duty while attempting to serve a warrant on a dangerous fugitive in Long County, Georgia.

At Marshal Carothers' memorial service, his son Paul remembered him, saying, "The day he went to heaven, he showed great heroism. But I believe he is a hero because of his character—because of who he chose to be every day."

I had the honor of meeting this man who, as a U.S. Marshal, protected our families and friends for 26 years. His legacy encourages us to reflect each day on who we choose to be.

I remain grateful for individuals like Deputy Marshal Patrick Carothers who selflessly serve, and, Mr. Speaker, I ask that we keep his wife and five children in our prayers in the coming days.

EDINA GIRLS' SWIMMING AND  
DIVING TEAM

**HON. ERIK PAULSEN**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 7, 2016*

Mr. PAULSEN. Mr. Speaker, I rise today to congratulate the Edina High School Girls' Swimming and Diving team for winning the Minnesota state title.

The Hornets' victory was a complete team effort as competitors from every grade level contributed to the win. Edina took the lead over their rivals after the third event and never looked back. Senior Rachel Wittmer led the way in swimming by winning the 50 freestyle for the fourth year in a row, and setting a new state record in the 200 and 400 freestyle relays with her teammates. In the diving competition, freshman Megan Phillip defeated the defending state champion on her final dive to claim the title.

Excelling in swimming and diving takes incredible dedication, and their championship is a testament to that continued discipline. These athletes pushed themselves every day to shave hundredths of a second off their personal best or repeated dive after dive until it was perfect. When adding in schoolwork, family obligations, and other commitments, it is remarkable these student-athletes accomplish all that they do.
