

native, who was stationed at Pearl Harbor on the day of the attacks. Mr. Wickett went on to fight on behalf of our Nation for over 4 years.

Following his tour, he returned home to western New York, raised a family, and continued to serve his community as a Buffalo firefighter.

Unfortunately, Mr. Wickett is no longer with us, passing away a few years ago, but his stories and acts of bravery live on.

Today I join all Americans in remembering those who paid the ultimate price at Pearl Harbor and those who sought and seek to protect our freedom here and throughout the world. This Nation is always grateful for those like Mr. Wickett, for their bravery, dedication, and selfless service.

#### CONGRATULATING FAIRFIELD AREA HIGH SCHOOL GIRLS' SOCCER TEAM

(Mr. PERRY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PERRY. Mr. Speaker, today I proudly honor my constituents, the Fairfield Area High School girls' soccer team, for earning the PIAA 1A championship. These young women have brought home the first State team sports title in Fairfield's history.

The Green Knights defeated District 7 champion, Shady Side, in a 9-4 victory, at Hersheypark Stadium, on November 18, 2016. The Green Knights finished the season with a 25-1 record and scored 27 goals in four State playoff games, including two nine-goal performances.

For a team from a small community, the Green Knights had an army of loyal supporters.

I extend my congratulations to the team, to the head coach, Phomma Phanhthy, and the school officials, family, and friends who supported these young women on this incredible journey. We are all so very proud of you.

#### RESPONSIBILITIES OF PUBLIC SERVANTS

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, I, too, rise to acknowledge the fallen on this day, December 7, at Pearl Harbor, the day of infamy, and offer to them our greatest admiration and gratitude. Our prayers continue to be with their ongoing families.

Mr. Speaker, I also rise today to speak about the responsibilities of public servants.

To my knowledge, Air Force One does not belong to any particular Presidency, regardless of party. Therefore, any attempt to ensure the technological sophistication and the quality of that aircraft should be left to the decisionmakers who have the responsi-

bility of protecting the President of the United States or, in essence, those who have the responsibility of governing the United States military, which includes the Congress and, certainly, our Pentagon.

I am concerned when the incoming person that will take the oath of office begins to abuse the process and suggests that this is too costly and that this company—Boeing, in particular—should be undermined.

Our job is to create and save jobs, not to destroy jobs. Our job also, Mr. Speaker, is to protect the President of the United States; and that kind of interference, uninformed, should be stopped immediately.

#### 75TH ANNIVERSARY OF PEARL HARBOR

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today, on the 75th anniversary of the attack on Pearl Harbor, to remember, in particular, the recognition of one of the survivors we still have with us, David Edward Callahan, a great northern California veteran who put his life on the line to serve in the United States Navy at a time when the world was on fire.

Less than 4 months after he reported to the U.S. naval training station in San Diego at the age of 16—he fibbed a little on his application—Mr. Callahan soon would be standing to colors aboard the USS *New Orleans* when the drone of the first Japanese aircraft was heard that morning at Pearl Harbor.

It would only be the start of his service to us in the U.S. For 6 years, he would fight the Japanese in almost every major battle of the Pacific war as a combat swimmer, which later became known as the Navy SEALs, from Guadalcanal to Iwo Jima, where he was awarded a Purple Heart.

On behalf of the First District of California, we want to show our gratitude to Mr. Callahan because his service didn't end there. Later on in the Pacific nuclear proving grounds, he used his diving skills there to see how that would work in the nuclear testing that was going on at that time.

He has never stopped serving. He has never been less than an inspiration for all of us. He will be taking part in Pearl Harbor ceremonies today. We are glad to have him, and we are proud to have him as an American.

#### 75TH ANNIVERSARY OF PEARL HARBOR

(Ms. EDDIE BERNICE JOHNSON of Texas asked and was given permission to address the House for 1 minute.)

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, today marks the 75th anniversary of the attack on Pearl Harbor. It was a defining moment in our Nation's history, and, as has been said, a day that will live in infamy.

The events of Pearl Harbor demonstrated the resolve of the American people and our Armed Forces. It is a day when we honor those who gave their lives in the defense of this country, but also honor those who have saved lives of others during this tragedy.

Petty Officer Doris "Dorie" Miller, from my hometown of Waco, was one such individual who went above and beyond the call of duty in defense of this country and his fellow Americans. Dorie Miller is widely recognized as a hero after the attack on Pearl Harbor for his remarkable courage when his ship, the USS *West Virginia*, came under attack by the Japanese.

In the face of imminent danger, he assisted his ship's commander, who was mortally wounded, to safety. He then reportedly manned a .50-caliber anti-aircraft machine gun to shoot down at least 3 of the 29 Japanese planes that went down that day.

Mr. Speaker, ever since I have been a Member of Congress, I have worked time and time again to get Dorie Miller awarded the Congressional Medal of Honor. Yet, today he is left with still the Navy Cross. It is time we honor the unheard sacrifices of our men and women in uniform and award Dorie Miller the Congressional Medal of Honor.

#### WHY THE CONSTITUTION IS IMPORTANT

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, the United States of America is a nation of laws, where the government derives its limited powers from "We the People," the consenting governed.

Since 1789, the Constitution has served as our country's legal foundation. Its wisdom is timeless. And just as George Washington called the Constitution the guide he would never abandon, we won't abandon it either or try to tinker unnecessarily with its brilliance.

Thanks to the foresight of the Constitution's Framers, their understanding of government overreach, and their grasp of human nature, we have an abiding document that checks the power of the Federal Government and protects the rights of individual citizens.

It is genius in its brevity, in its endurance, and in its aforethought to limit and separate the governing powers established therein.

As a Member of Congress, it is an honor and sacred duty to protect and uphold the Constitution.
