22          “(d) PROHIBITION OF DISCRIMINATION AGAINST

16 tion to employees of such employer or their  
17 beneficiaries and do not vary on the basis of the  
18 type of business or industry in which such em-  
19 ployer is engaged.

20           “(B) Nothing in this title or any other pro-  
21 vision of law shall be construed to preclude an  
22 association health plan, or a health insurance  
23 issuer offering health insurance coverage in  
24 connection with an association health plan,  
25 from—

1           “(i) setting contribution rates based  
2           on the claims experience of the plan; or

3           “(ii) varying contribution rates for  
4           small employers in a State to the extent

8           group market with respect to health insur-  
9           ance coverage offered in connection with  
10          bona fide associations (within the meaning

13          subject to the requirements of section 702(b)

21          “(4) MARKETING REQUIREMENTS.—

22                  “(A) IN GENERAL.—If a benefit option  
23                  which consists of health insurance coverage is  
24                  offered under the plan, State-licensed insurance  
25                  agents shall be used to distribute to small em-

1           employers coverage which does not consist of  
2           health insurance coverage in a manner com-  
3           parable to the manner in which such agents are  
4           used to distribute health insurance coverage.

5           “(B)       STATE-LICENSED       INSURANCE  
6           AGENTS.—For purposes of subparagraph (A),  
7           the term ‘State-licensed insurance agents’

17          part, which shall be prescribed by the applicable au-  
18          thority by regulation.

19          “(b) ABILITY OF ASSOCIATION HEALTH PLANS TO  
20          DESIGN BENEFIT OPTIONS.—Subject to section 514(d),  
21          nothing in this part or any provision of State law (as de-  
22          fined in section 514(e)(1)) shall be construed to preclude  
23          an association health plan, or a health insurance issuer  
24          offering health insurance coverage in connection with an  
25          association health plan, from exercising its sole discretion

1 in selecting the specific items and services consisting of  
2 medical care to be included as benefits under such plan  
3 or coverage, except (subject to section 514) in the case  
4 of (1) any law to the extent that it is not preempted under  
5 section 731(a)(1) with respect to matters governed by sec-  
6 tion 711, 712, or 713, or (2) any law of the State with  
7 which filing and approval of a policy type offered by the  
8 plan was initially obtained to the extent that such law pro-  
9 hibits an exclusion of a specific disease from such cov-  
10 erage.

11 **“SEC. 806. MAINTENANCE OF RESERVES AND PROVISIONS**  
12 **FOR SOLVENCY FOR PLANS PROVIDING**  
13 **HEALTH BENEFITS IN ADDITION TO HEALTH**  
14 **INSURANCE COVERAGE.**

15 “(a) IN GENERAL.—The requirements of this section  
16 are met with respect to an association health plan if—

17 “(1) the benefits under the plan consist solely  
18 of health insurance coverage; or

19 “(2) if the plan provides any additional benefit  
20 options which do not consist of health insurance cov-  
21 erage, the plan—

22 “(A) establishes and maintains reserves  
23 with respect to such additional benefit options,  
24 in amounts recommended by the qualified actu-  
25 ary, consisting of—

1           “(i) a reserve sufficient for unearned  
2           contributions;

3           “(ii) a reserve sufficient for benefit li-  
4           abilities which have been incurred, which  
5           have not been satisfied, and for which risk  
6           of loss has not yet been transferred, and  
7           for expected administrative costs with re-  
8           spect to such benefit liabilities;

9           “(iii) a reserve sufficient for any other  
10          obligations of the plan; and

11          “(iv) a reserve sufficient for a margin  
12          of error and other fluctuations, taking into  
13          account the specific circumstances of the  
14          plan; and

15          “(B) establishes and maintains aggregate  
16          and specific excess/stop loss insurance and sol-  
17          vency indemnification, with respect to such ad-  
18          ditional benefit options for which risk of loss  
19          has not yet been transferred, as follows:

20                 “(i) The plan shall secure aggregate  
21                 excess/stop loss insurance for the plan with  
22                 an attachment point which is not greater  
23                 than 125 percent of expected gross annual  
24                 claims. The applicable authority may by  
25                 regulation provide for upward adjustments

1 in the amount of such percentage in speci-  
2 fied circumstances in which the plan spe-  
3 cifically provides for and maintains re-  
4 serves in excess of the amounts required  
5 under subparagraph (A).

6 “(ii) The plan shall secure specific ex-  
7 cess/stop loss insurance for the plan with  
8 an attachment point which is at least equal  
9 to an amount recommended by the plan’s  
10 qualified actuary. The applicable authority  
11 may by regulation provide for adjustments  
12 in the amount of such insurance in speci-  
13 fied circumstances in which the plan spe-  
14 cifically provides for and maintains re-  
15 serves in excess of the amounts required  
16 under subparagraph (A).

17 “(iii) The plan shall secure indem-  
18 nification insurance for any claims which  
19 the plan is unable to satisfy by reason of  
20 a plan termination.

21 Any person issuing to a plan insurance described in clause  
22 (i), (ii), or (iii) of subparagraph (B) shall notify the Sec-  
23 retary of any failure of premium payment meriting can-  
24 cellation of the policy prior to undertaking such a cancella-  
25 tion. Any regulations prescribed by the applicable author-

1 ity pursuant to clause (i) or (ii) of subparagraph (B) may  
2 allow for such adjustments in the required levels of excess/  
3 stop loss insurance as the qualified actuary may rec-  
4 ommend, taking into account the specific circumstances  
5 of the plan.

6 “(b) MINIMUM SURPLUS IN ADDITION TO CLAIMS  
7 RESERVES.—In the case of any association health plan de-  
8 scribed in subsection (a)(2), the requirements of this sub-  
9 section are met if the plan establishes and maintains sur-  
10 plus in an amount at least equal to—

11 “(1) \$500,000, or

12 “(2) such greater amount (but not greater than  
13 \$2,000,000) as may be set forth in regulations pre-  
14 scribed by the applicable authority, considering the  
15 level of aggregate and specific excess/stop loss insur-  
16 ance provided with respect to such plan and other  
17 factors related to solvency risk, such as the plan’s  
18 projected levels of participation or claims, the nature  
19 of the plan’s liabilities, and the types of assets avail-  
20 able to assure that such liabilities are met.

21 “(c) ADDITIONAL REQUIREMENTS.—In the case of  
22 any association health plan described in subsection (a)(2),  
23 the applicable authority may provide such additional re-  
24 quirements relating to reserves, excess/stop loss insurance,  
25 and indemnification insurance as the applicable authority

1 considers appropriate. Such requirements may be provided  
2 by regulation with respect to any such plan or any class  
3 of such plans.

4 “(d) ADJUSTMENTS FOR EXCESS/STOP LOSS INSUR-  
5 ANCE.—The applicable authority may provide for adjust-  
6 ments to the levels of reserves otherwise required under  
7 subsections (a) and (b) with respect to any plan or class  
8 of plans to take into account excess/stop loss insurance  
9 provided with respect to such plan or plans.

10 “(e) ALTERNATIVE MEANS OF COMPLIANCE.—The  
11 applicable authority may permit an association health plan  
12 described in subsection (a)(2) to substitute, for all or part  
13 of the requirements of this section (except subsection  
14 (a)(2)(B)(iii)), such security, guarantee, hold-harmless ar-  
15 rangement, or other financial arrangement as the applica-  
16 ble authority determines to be adequate to enable the plan  
17 to fully meet all its financial obligations on a timely basis  
18 and is otherwise no less protective of the interests of par-  
19 ticipants and beneficiaries than the requirements for  
20 which it is substituted. The applicable authority may take  
21 into account, for purposes of this subsection, evidence pro-  
22 vided by the plan or sponsor which demonstrates an as-  
23 sumption of liability with respect to the plan. Such evi-

21 the board of trustees of the plan shall, at the direction  
22 of the applicable authority, terminate the plan and, in the
