HONORING MS. SYBIL LYNN

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to honor Ms. Sybil Lynn as she bids farewell to 12 years of service and dedication to the Jekyll Island Authority Board of Directors.

Ms. Lynn was appointed to the board by Georgia Governor Sonny Perdue in 2005. Since that time, she has played a vital role in assisting with the island's revitalization, including construction of the Jekyll Island Convention Center, the new Beach Village, and renovation of island hotels.

A testament to her dedication to the betterment of coastal Georgia is that she only missed two meetings during her 12 years of membership on the Jekyll Island Authority Board of Directors.

Ms. Lynn has fed citizens of Wayne and surrounding counties, as well as citizens from all over the United States, for 40 years at Sybil's Family Restaurant in Jesup.

Ms. Lynn's insight, service, and commitment will be truly missed by the Jekyll Island Authority Board of Directors.

RENEW VITAL HEALTHCARE PROGRAMS

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, healthcare in rural America faces many challenges and many difficulties.

This month, there are a couple of issues we will be facing. On September 30, we have the expiration of a program for community health centers and teaching health centers, which both aid greatly in rural healthcare, where it is difficult to get doctors and others to locate to those areas.

On September 30, if Congress doesn't act, we will have to at least get an extension in place to keep those programs alive. Community health centers are often a lifeline to rural residents in areas lacking major hospitals. Teaching health centers, in particular, help train physicians in underserved areas and have been a great tool to address doctor shortages in rural America.

Mr. Speaker, we have much to do. We need to reauthorize these programs be-

fore the end of the month or, at the very least, have an extension so that we don't put an even greater burden on rural America and its health challenges.
