

going above and beyond to make our jobs easier.

Cathy and Dave exemplify what it means to serve. While civil service can be a thankless profession, these two worked hard with grace and always with a smile on their faces.

I can't imagine what the Senate Recording Studio will be like without them, but it is only fitting that Cathy and Dave ride into the sunset together.

Although many of us in the Senate are sad to see them trade in their headphones for baseball caps and spend their afternoons watching "Veep" instead of committee hearings, we wish them both the very best in a well-deserved retirement.

Today I want the RECORD to show that Cathy Glenn and Dave Ahart made the Senate a better place, and I join all of the Senators and staff to thank them for their incredible service.

##### TRIBUTE TO BETTY SCHOENBAUM

● Mrs. CAPITO. Mr. President, I wish to recognize a prolific philanthropist, successful businesswoman, and extraordinary friend to the people of West Virginia, Betty Frank Schoenbaum, on the occasion of her 100th birthday. Countless West Virginians, Americans, and people all over the world have benefited and continue to benefit from the endeavors of Betty and her late husband, Alex Schoenbaum.

Betty received her degree in commerce from the Ohio State University in 1939; it was there that she met Alex, and the two would begin their lifelong proclivity toward helping the underprivileged. They would marry and move to Charleston, WV, soon after, beginning a successful business career that would increase the impact of their generosity.

Starting with the Parkette Drive-In on Charleston's West Side, the

Schoenbaums built a prosperous restaurant chain that would eventually be known as Shoney's. The chain grew into over 1,000 locations across dozens of States, employing many West Virginians as it became an iconic American brand. Not content to rest on their success, Betty and Alex sought to share their good fortune with the world.

The philanthropic gifts made by the Schoenbaums are too numerous to list individually. During Alex's lifetime, he and Betty established the Schoenbaum Fund at the Greater Kanawha Valley Foundation in Charleston, which was used to purchase sports and recreation equipment for over 200 public schools in the Kanawha Valley. They also established the Schoenbaum Scholarship Foundation and the Schoenbaum Family Foundation, which continues to give to numerous organizations, including the Boy Scouts of America, the Children's Home Society of West Virginia, Mountaineer Food Bank, Mountaineer Habitat for Humanity, and the United Way of Kanawha Valley.

Since Alex's passing, Betty has continued to give, establishing the Schoenbaum Family Enrichment Center, funding the construction of a Library at the University of Charleston and an undergraduate college of business building at the Ohio State University, and endowing scholarships at West Virginia University and the Ohio State University.

Betty may be celebrating her 100th birthday, but age has not slowed her down. She continues to serve as the president of the Schoenbaum Family Foundation and as a board member for several foundations, committees, and organizations. She is also an active member of the Sarasota, FL, community. According to Betty, there is great joy and purpose to be had from a life of giving to your fellow man. I believe I speak for many when I say we can all benefit from her example. I wish her many more years of health and happiness.●

##### 55TH ANNIVERSARY OF ACCUWEATHER

● Mr. CASEY. Mr. President, today I rise to celebrate the 55th anniversary of AccuWeather, the worldwide weather service headquartered in State College, PA.

AccuWeather was founded by Dr. Joel Myers, who received his Ph.D. from the Pennsylvania State University and is currently a fellow of the American Meteorological Association. Dr. Myers got his start weather forecasting for gas and utility companies in Pennsylvania. In the 1960s and 1970s, Dr. Myers taught at Penn State and continued to expand his weather forecasting business to include highway departments, utility companies, construction companies, and ski resorts.

The name "AccuWeather" was first used in 1971 to service the WARM-AM radio station in the Wilkes-Barre/Scranton region. In 1972, AccuWeather

serviced its first television station, WPVI-TV in Philadelphia. Many of AccuWeather's first customers are still customers today.

In the 1980s, AccuWeather developed the USA TODAY weather page and became the official weather forecaster at the World Fair in Kentucky. The company also produced the weather maps for the Associated Press.

AccuWeather has been a global name since the 1970s. Having first established an international presence serving customers in Canada, AccuWeather has expanded to providing services all around the world for customers in locations such as South Asia, the Middle East and South America. Some of these global services include providing forecasts to help with crop rotation and forecasts for major ports, television stations, and newspapers. AccuWeather currently serves over 43,000 Zip Codes and over 1.5 billion people.

Dr. Myers and AccuWeather have been recognized on the State and national level, receiving the Pennsylvania Association of Broadcasters Pride in Pennsylvania Business Award, an Outstanding Job Generator Award from the Chamber of Business and Industry of Centre County, PA, and five Telly Awards. This year, AccuWeather received an award as the No. 1 most accurate forecaster by ForecastWatch, an industry tracker. Dr. Myers was honored as one of the 528 greatest entrepreneurs in American history with his biographical inclusion in Entrepreneur Magazine's Encyclopedia of Entrepreneurs.

In Centre County, PA, AccuWeather employs over 400 people in a facility that houses 23 radio booths and a TV studio with state-of-the-art equipment. AccuWeather is also a family business, with Dr. Myers' brothers serving as officers—Barry Lee Myers is the CEO and Evan Myers is the COO and senior vice president. I wish AccuWeather the best and look forward to its continued success serving Pennsylvania and many others around the world.●

##### REMEMBERING HAROLD DEAN WILCOXSON

● Mr. DAINES. Mr. President, Livingston, MT, lost an incredible member of the community on August 30 when Harold Dean Wilcoxson, son of Carl and Harriett Esther (Swingley) Wilcoxson, passed away at age 94. Harold spent much of his life operating the family-owned business and Montana institution, Wilcoxson's Ice Cream shop. Wilcoxson's Ice Cream has provided delicious ice cream and fond memories for Montanans for over 100 years.

Harold was born on April 15, 1923, and graduated from Park County High School in 1941. He pursued a certificate in electronics repair at Kinmen Business University in Spokane, WA, and used his electronics expertise for the rest of his life.

On September 15, 1942, Harold joined the U.S. Navy and served aboard the

U.S.S. *Quincey* as an electronics chief during World War II. His ship was located off of the French coast during the D-Day invasion of Normandy in 1944 and was anchored in Sagami Wan during the signing of the Japanese Instrument of Surrender in 1945.

Following his service, Harold returned to Montana to continue building Wilcoxson's Ice Cream. Amidst long hours of building the family business, Harold also enjoyed racecars. His love and passion for fast cars lasted a lifetime.

From cleaning cream cans as a boy to fixing electrical issues and managing new plant projects, Harold ensured Wilcoxson's Ice Cream shop would continue in its legacy of gourmet ice cream and service to Montanans for generations. Harold Dean Wilcoxson, beloved businessowner and mentor, brought much to the Livingston community through his quiet leadership and commitment to service and will be missed by many.●

#### RECOGNIZING THE FOSTER GRANDPARENT PROGRAM

● Mr. DAINES. Mr. President, today I have the honor of recognizing the administrators and volunteers of the Western Montana Area VI Agency on Aging Foster Grandparent Program. Based in the small town of Polson, MT, the program covers six mainly rural western Montana counties and the area's lone Indian reservation. Every year, the lives of dozens of children across Montana are changed for the better by the Foster Grandparent program, and dozens of senior citizens are able to use their time and skills to make a difference in the life of a child.

Foster grandparents are able to volunteer in many different settings, including schools, afterschool programs, Head Start programs, teen mentorship programs, and correctional facilities. With many communities in western Montana facing high unemployment, as well as meth and opioid drug crises, the Foster Grandparent program has a particular focus on at-risk children. Foster grandparents support children who have been abused or neglected, provide mentorship to teens, and help children with disabilities.

This week, community members and the Western Montana Area VI Agency on Aging are gathering to honor foster grandparents. Included in that group is Navy veteran Karl Paddock, who is receiving a special award for his service to the program. Our communities need more people like Karl and all of the foster grandparents who are willing to step up and make a difference in the lives of our most precious resource: our children.

It is my hope that the Western Montana Area VI Agency on Aging Foster Grandparent Program will continue to grow in the years to come. I congratulate everyone involved in its success and the difference it is making for the communities of western Montana.●

REMEMBERING BRYAN A. STRONG

● Ms. DUCKWORTH. Mr. President, today I wish to commemorate the life of Bryan A. Strong, a caring husband, loving father, and dedicated police officer with the Chicago Police Department.

Mr. Strong passed away from a heart attack on March 27, 2014. We remember him for his compassion, sympathy, and love of life. As a policeman, Mr. Strong put the needs of others above his own. He served his community with pride, selflessness, and honor.

Mr. Strong leaves an admirable legacy in his community and family. His son, Brian, and wife, Janette, remember him as their adventurous best friend who filled their lives—and many others—with excitement and love.

I am grateful for Mr. Strong's service. May his life and legacy serve as an inspiration to all.

Thank you.●
