#### HONORING PALM SPRINGS POLICE OFFICERS JOSE VEGA AND LESLEY ZEREBNY

(Mr. RUIZ asked and was given permission to address the House for 1 minute.)

Mr. RUIZ. Mr. Speaker, I rise to honor the lives of Palm Springs Police Officers Jose "Gil" Vega and Lesley Zerebny, who were tragically shot and killed 1 year ago in the line of duty.

Officer Vega lived by the mantra of "To Serve and Protect." He served our community for nearly 35 years and was just 2 months away from retirement when he was taken from his family and our community.

Officer Lesley Zerebny had recently returned to work following the birth of her daughter, Cora. Now a year old, Cora will never hold her mother. Lesley's community will always remember her as a fighter and a protector.

This weekend, the entire Coachella Valley community will honor their memory by dedicating a 4-mile stretch of Highway 111 in their honor. I am proud of our community for supporting the Vega and Zerebny families. Let's come together to ensure they have what they need to mourn, recover, and prosper.

Officers Vega, Zerebny, and family: We honor you for your sacrifice, and we are grateful for your service. Officer Vega and Officer Zerebny, end of watch, October 8, 2016.

#### IN SUPPORT OF TAX REFORM

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Mr. Speaker, I rise today to speak in support of H. Con. Res. 71. It has been said frequently that our Federal Tax Code today is more than 60 times longer than the Bible, and it contains none of the good news.

It has been more than 30 years since we updated our tax system, and many Americans are struggling to make ends meet, to find decent paying jobs and prepare for retirement.

No matter where I travel in my district, Mr. Speaker, Louisiana's Fourth District, I hear story after story about how our excessive Tax Code and burdensome regulations continue to hinder our businesses and stunt our economic growth.

Congress must act now and deliver a Tax Code that meets the current demands of the 21st century economy.

Fortunately, my Republican colleagues and I have put forth a framework to do exactly that. Our plan will create more jobs, fairer taxes, and bigger paychecks for working class Americans and small businesses.

When the people are allowed to keep more of their hard-earned dollars instead of turning them over to an already bloated Federal Government, we will unleash the free market again.

It is well past time we get our economy back on track, and passing meaningful tax reform is a crucial first step in completing that mission.

#### PAYING TRIBUTE TO RICHARD THELEN

(Mr. BISHOP of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of Michigan. Mr. Speaker, I rise today to pay tribute to an incredible constituent in my district, Richard Thelen.

Seventy-two years ago, Mr. Thelen was aboard the USS *Indianapolis* with nearly 1,200 others when it was hit by two Japanese torpedoes and sank within a matter of minutes. He and 318 men of the crew survived 5 days in the ocean surrounded by sharks without any food or drinking water. He defied truly remarkable odds.

After this ordeal, Mr. Thelen went on to finish high school and was honorably discharged from the Navy. He was a truck driver for more than 40 years and raised six children. Today, he is 89 years young, and it is a privilege to have him as a part of the Eighth District community.

Mr. Speaker, I would like to inform this body that I am prepared to introduce legislation to honor Mr. Thelen of Lansing, Michigan, and the rest of his shipmates, with the Congressional Gold Medal award.

As we remember the survivors of this terrible tragedy, those we lost, and the recent finding of the ship itself, we thank you, Mr. Thelen, for your valiant service to our country.

#### COMMUNITY HEALTH CENTERS

(Mr. BARR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARR. Mr. Speaker, I rise today to urge my colleagues to act quickly to reauthorize the Community Health Center Fund, which expired last week on September 30.

Community health centers provide cost-effective and accessible primary care, mental health counseling, and substance abuse treatment for over 27 million patients nationally, including over 200,000 of my constituents in Kentucky's Sixth District.

The upfront Federal investment in community health centers leads to savings down the road by fighting the cycle of opioid addiction, preventing more complex health conditions, and diverting patients away from higher cost centers of care, such as the emergency room.

I have visited community health centers in my district, including White House Clinics, Sterling Health Solutions, Family Care of Bluegrass, and HealthFirst Bluegrass, and I have witnessed firsthand what a difference these organizations make in providing much needed care to at-risk Kentuckians.

Without the support of the Community Health Center Fund, these CHCs may soon be forced to cut back services, lay off staff, or even shut down clinics.

Mr. Speaker, admittedly, there is a robust debate in this country and a wide diversity of opinion about healthcare reform, the ACA, and what repeal and replacing the ACA should look like, but we should all agree that community health centers are part of the solution.

#### PROTECTING THE UNBORN

(Mr. ABRAHAM asked and was given permission to address the House for 1 minute.)

Mr. ABRAHAM. Mr. Speaker, I rise today to offer my support to the Pain-Capable Unborn Child Protection Act.

This legislation is crucial toward protecting the most vulnerable among us: the unborn.

As a doctor, it is my job to stay current with the latest medical research, and I have done so in my job in Congress, too.

The research overwhelmingly shows that children 20 weeks or less are capable of showing pain. This is brought forth by the fact that when an in-utero procedure is done, both the mother and the unborn child are given anesthesia. Not to do so allows that child to recoil in pain and show a stress response in the uterus.

I have heard, personally, as a physician, heartbeats in babies as early as 6 weeks of age in utero.

So this legislation is critical, it is needed, it is past due, and I urge my colleagues to support this.

#### PROVIDING FOR CONSIDERATION OF H.R. 36, PAIN-CAPABLE UNBORN CHILD PROTECTION ACT

Ms. CHENEY. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 548 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 548
