

The NIAAA's commitment to its mission and its efforts to provide developed leaders is inspiring. In acknowledgement of its success, the NIAAA became the first national association to be accredited by the North Central Association Commission on Accreditation and School Improvement in the post-secondary division. The NIAAA has also developed the only all-inclusive Professional Education Program and Certification Program for secondary school athletic administrators.

I ask my colleagues to join me in recognizing the NIAAA for their renowned administrators and for their dedication to America's youth. As one of Indiana's Senators, I am honored to represent the NIAAA and commend their commitment to responsible athletic administration.●
