Ms. MOORE changed her vote from "yea" to "nay." So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. SCALISE. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "Nay" on Rollcall No. 674 and "Yea" on Rollcall No. 675.

ISIS IN AFRICA

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, as ISIS loses ground in Syria and Iraq, we must remain vigilant. There is a growing terrorist threat in Africa. Between January and September of 2016, the African continent suffered at least 1,426 incidents of terrorism-related violence.

Terrorism is a major challenge to peace, security, and development in Africa. Recently, the threat has grown to directly impact U.S. servicemembers serving in Africa.

Last May, a Navy SEAL was killed in an operation against al-Qaida affiliate al Shabaab, the first U.S. servicemember killed in action in Somalia since the 1993 infamous Black Hawk Down incident. Last month, an ambush by Islamist militants in Niger left four U.S. Green Berets killed. Recently, the U.S. conducted its first airstrikes against ISIS in Somalia.

Mr. Speaker, the writing is on the wall. The terrorist cancer in Africa is metastasizing. It is on its way to becoming a full-blown threat to African and American interests.

Having been displaced by war in Syria and Iraq, ISIS is finding a new home in Africa to carry out its reign of terror, and we must be mindful and vigilant.

And that is just the way it is.

ATTACK ON RULE OF LAW AND DEMOCRATIC INSTITUTIONS

The SPEAKER pro tempore (Mr. ADAMSPORTEHO). Under the Speaker’s announced policy of January 3, 2017, the gentleman from Florida (Mr. GAETZ) is recognized for 60 minutes as the designee of the majority leader.

Mr. GAETZ. Mr. Speaker, I take the floor tonight, along with many of my colleagues, to fight back against an attack on the rule of law and our democratic institutions.

Right now, the investigations into Donald Trump and the prior investigations into Hillary Clinton have been infected with the virus of severe bias.

Hillary Clinton went under investigation for the mishandling of classified information and her dealings through the Clinton Foundation, which was essentially investigated by her own fan club. Meanwhile, Robert Mueller obtained his team by fishing in the never- Trump aquarium.

Only through the antidote of transparency can we end this misuse of the rule of law and restore the American people’s confidence in the institutions that we must trust to live in a civilized society.
