

Bertha is gifted with remarkable literary talent. Her work has appeared in hundreds of literary journals and in several collections, and her translation of Beowulf was published in 2000. She has been the recipient several NYSCA and NYFA grants and residency fellowships to the McDowell Colony, the Millay Artists Colony, Jentel, Caldera, Saltonstall, Hedgebrook, and Hawthornden International Writers Residence (Scotland). Using this talent, Bertha has left a permanent mark on the Treadwell community through her work at Bright Hill.

What started as weekly poetry readings, Bright Hill has grown to become an established and respected literary organization, attracting authors and poets both locally and worldwide. Largely the result of Bertha's time and efforts, Bright Hill now offers youth and adult writing workshops, reading series, small press publishing, and boasts an impressive literary library. Bertha's excitement for literature and poetry, combined with an authentic passion for teaching, has fostered an increased appreciation for writing and the arts in the Catskills.

It is an honor to recognize Bertha and Bright Hill for their distinctive milestones. Leaving behind an organization marked by ingenuity, creativity, and passion, Bertha has given Bright Hill a buildable legacy which will grow in future years. I wish Bertha every happiness as she embarks on this new chapter, and I am confident that even in retirement she will continue to be an advocate for the literary arts. The 19th District and New York State are a better place because of Bertha and Bright Hill Press. I thank them for helping to make the Catskills a cultural center.

HONORING DEBRA HOOD OF
HALEYVILLE, AL

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mr. ADERHOLT. Mr. Speaker, I would like to recognize the talents, achievements and dedication of Mrs. Debra Hood on the occasion of her retirement as City Clerk of Haleyville, Alabama.

Debra Hood began her career with Haleyville 30 years ago and worked alongside numerous mayors and members of the city council. She has also worked with numerous municipal judges and attorneys in the municipal court system. As municipal judge for the city of Haleyville, I had the privilege to work alongside Debra back in the mid-1990s. Debra's goal was always to advance the city of Haleyville and make it a better place to live, work and raise a family.

During her three decades as clerk, Debra Hood has taken a particular interest in community and economic development. Her work has directly helped the city of Haleyville to continue to be one of the most prosperous communities in Winston County.

Debra, along with other local leaders, played a valuable role in keeping hundreds of jobs in Haleyville through Exxel Outdoors. Exxel provides 100 jobs for area citizens and is one of the major manufacturers of sleeping bag in the nation.

I would be remiss if I did not point out the most important job Debra has had as city clerk: the chief election official of the city. She has overseen numerous municipal elections in

the past 30 years, ensuring that the people of Haleyville had their voices heard at the ballot box.

Debra's family is also immeasurably important to her. She and her husband Gary have two children, daughter Dana Saylor and son Bruce Hood. Debra and Gary have six grandchildren: Sydney, Bryant, Titus, Elijah, Abigail and Lydia.

Representing the city of Haleyville, my hometown, and the Fourth Congressional District, I appreciate the hard work and the dedication that Debra has given the city over the past three decades.

Debra will be missed by those she has served for so many years, but I know she will continue to be active in her community. She has earned this retirement with her years of dedication. I wish her all the best in her retirement.

RECOGNIZING TOM THOMS, JIM
MILLMAN AND TOM ROWE FOR
THEIR EXTRAORDINARY COMMUNITY SERVICE—

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize Tom Thoms, Jim Millman and Tom Rowe for their extraordinary service to children and families.

These three bicyclists took a 1,827 mile, 21 day bicycle ride from Itasca, Minnesota to Venice, Louisiana. These men set out on this journey with one common goal: to help break the cycle of child abuse by raising money and bringing attention to this pressing issue. They originally set a goal of raising \$42,000, but they drastically exceeded that goal by raising a total of \$108,494. All of the money raised went to three Quad-City charities—Alternatives, the Child Abuse Council, and Bethany for Children & Families. The men spent 146 hours on their bikes, which is the equivalent of six days and one night. Collectively, their bicycle tires spun more than eight million times.

Mr. Speaker, I would like to recognize Mr. Thoms, Mr. Millman, and Mr. Rowe, once again, for their outstanding efforts and selfless community service. The generous actions of individuals such as these men make me especially proud to serve Illinois' 17th Congressional District.

IN RECOGNITION OF COMPUTER
SCIENCE EDUCATION WEEK

HON. STEPHANIE N. MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mrs. MURPHY of Florida. Mr. Speaker, when I think about America's future, I know that its success will be driven by the bright, technologically-savvy minds of our young people.

That is why I am honored to recognize the winner of my district's 2017 Congressional App Challenge: Carlson Sharpless, a senior at Lake Brantley High School in Altamonte Springs, Florida.

Translating a good idea into lines of code, Carlson created an app called "Grammarlets," a tutoring program designed to help students

practice their grammar skills for the SATs. His creation stood out among several impressive and unique apps submitted by students seeking to solve everyday problems.

What these students have accomplished is an example of the kind of innovative thinking and entrepreneurial spirit that central Florida is known for.

As a nation, it's important that we continue to make meaningful investments in STEM education and that we empower our students with the tools needed to invent, to innovate, and to improve the lives of all Americans.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Randy Hughes. Randy was inducted into the Creston High School Hall of Fame as Distinguished Faculty on Friday, September 29, 2017.

He coached students for the Academic Decathlon for 10 years, served as the Student Council advisor and coached girls' tennis. Thursday, December 14, 2017

Mr. VALADAO. Mr. Speaker, I rise today to thank Iris Lizzette Vélez for her service to my office and the constituents of California's Twenty First Congressional District of California over the past year.

Iris Vélez was born on April 3, 1960 in the beach town of Guánica, Puerto Rico to Iris Lucía Santana Colón and Félix Gilberto Vélez Quiñones. Both high school teachers, her parents instilled in Iris the importance and love of learning at a young age. Iris and her three siblings spent most of their time feeding animals, harvesting crops, and fishing on their grandparents' farm in San German, Puerto Rico. It was during this time that Iris developed a true love and respect for nature.
