TRIBUTE TO NATHAN CONYERS

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Ms. MOORE. Mr. Speaker, I rise today to pay tribute to Nathan Conyers a veteran, media professional, publisher, entrepreneur, activist, mentor, faith leader and trailblazer. Nathan Conyers passed away on April 27, 2018 at the age of 72 years.

Nathan Conyers was a South Carolina native and was the youngest of seven children. He attended public school in Paxville, SC in Clarendon County. The Conyers family would later move to Sumter, SC, where Nathan graduated from Lincoln High School in 1964.

He enlisted in the U.S. Army and after completing basic and advanced training in communications, he was sent to Germany where he served for the duration of his military career until being honorably discharged. After his military service Nathan Conyers relocated to Atlanta, Georgia graduated from Clark College (now Clark Atlanta University) where he earned a Bachelor of Arts degree in political science. He held down full time employment while attending college; he worked at Time Magazine's Atlanta bureau for 6 years. He was quite industrious; attending classes at Clark in the morning, working at the Times in the afternoon and studying at night.

Nathan Conyers relocated to Milwaukee soon and found work with The Milwaukee Community Journal as a writer and reporter. Nathan Conyers also worked for State Senator Monroe Swan, Wisconsin's first African American State Senator. He served as a legislative aide during a nearly 10 year tenure utilizing his strong journalism and political skills.

In 1981, Conyers joined forces with Mrs. Johnson, local realtor Luther Golden, and Lynda Jackson, to establish a bi-weekly newspaper entitled The Christian Times devoted to church news within the city's African American faith community. The paper expanded to cover more general community news and was renamed The Milwaukee Times Weekly Newspaper within the year, while The Christian Times remains as a standing feature section to this day. He opened the first Econoprint franchise in Wisconsin owned by an African American.

In 1985, the Milwaukee Times publishing team launched the annual Black Excellence Awards program as a way to pay tribute to the good works of ordinary people from Milwaukee's black community who were accomplishing extraordinary things, yet going unnoticed. To date, nearly 1,000 black Milwaukeeans have been named as Black Excellence Awards honorees.

Nathan Conyers promoted education of youth and at the third Black Excellence Awards program in 1988 assisted his co-founder, Mrs. Louvenia Johnson in launching The Louvenia Johnson Journalism Scholarship Fund. While the scholarship began to assist college-bound high school graduates to pursue careers in print and broadcast journalism, it has expanded to offer financial support to graduating high school seniors seeking a degree in any major. To date, the 501c3 non-profit, charitable organization has awarded more than half a million dollars to area students through the scholarship fund.

Nathan believed in promoting journalism for youth, the newspaper sponsored The Milwaukee Times Weekly Newspaper High School Journalism Workshop. This internship program beginning in 1991 operated for three years. The program gave area students hands-on, paid experience in news writing, editing, photojournalism, printing and publishing skills.

Nathan Conyers believed in economic development, job creation and giving back to the community. In fact, The Milwaukee Times Weekly Newspaper and its parent company, NCON Publishing and Printing Company has been a prolific creator of jobs within Milwaukee's central city for more than three decades. Further, he served as an advisor or board member to many community organizations including: the interdenominational faith group Pastors United; the Milwaukee Chapter of Operation PUSH; and Independence First, an advocacy organization for people with disabilities, Discovery World, Milwaukee Urban League, the NAACP Milwaukee Branch, and Miller (Brewing) Ride for the Arts.

Nathan was the beloved husband for 35 years of educator, Lynda Jackson Conyers and the loving father of daughters Morgan and Deloris. As a man of faith, he and his family attended Community Baptist Church of Greater Milwaukee. He leaves a strong legacy of leadership for all people to model.

Mr. Speaker, Nathan was my friend. I am blessed to have worked with him on many projects that assisted the community. Also on personal level, he and his wife Lynda, have been so helpful to me and my family as we grappled with the loss of family members. They were both so patient, thoughtful and kind. Nathan devoted his life to serving the community with a positive spirit. Milwaukee and Wisconsin have been made better as a

result of his service to the 4th Congressional District. I urge my colleagues in the U.S. House of Representatives to join me in a salute to the late Nathan Conyers.

HONORING ENCUESTRO HOME HEALTH AIDE PROGRAM

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor Encuentro's Home Health Aide Program and the 24 graduates of the spring 2018 class.

Encuentro is a New Mexico organization that provides high quality adult education to immigrants through a variety of programs including the Workforce and Small Business Development Initiative. This program provides immigrants with supportive services in addition to education and training in order to support meaningful career development. In January of 2016, they introduced the Home Health Aide program as part of this initiative in order to train and support immigrants to be employed in the fast-growing home health care industry.

I want to take this opportunity to congratulate the 24 members of the spring 2018 class on their completion of the Home Health Aide Program. I wish them well as they embark on this new and exciting journey. They have taken it upon themselves to study and earn a certificate in a skill that makes our communities better and helps people live healthier and more productive lives. It is their story that keeps true the idea that our country is a place of opportunity.

Over the last 15 weeks these individuals have sacrificed their time to complete the course and the clinical work needed to not just meet, but to exceed the state's training requirements for Personal Care Attendees and Home Health Aides. With their new certification, they are now able to provide care to older adults and individuals with disabilities who need extra support to live independently. I know firsthand how tough of a job this is but also how fulfilling it is.

Mr. Speaker, I want to extend my gratitude to the Encuentro Home Health Aide Program and my congratulations to the spring 2018 class. I wish them the best of luck in all their future endeavors.

HONORING THE CITY OF MANTECA

HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Mr. DENHAM. Mr. Speaker, I rise today to congratulate and honor the City of Manteca on a tremendous milestone—the celebration of its first centennial. As Manteca enters into its 100th year, I wish to honor and mark its history as a member of the Central Valley community.

In 1918, Manteca entered cityhood. The city was destined to become a burgeoning agricultural center due to its combination of good soil, excellent climate, and clean water. Manteca has also seen many progressive transitions in the development of new industries that have brought a flux of families to the Central Valley.

Originally known as the sand plains, Manteca was first settled by Native Americans. Following California's Gold Rush, Joshua Crowell, the "Father of Manteca," served as the City's first Mayor. Several businesses sprouted and thrived in the City during its formative years. When the World War II economy introduced non-agriculture related industries to Manteca, the city enjoyed an inflow of population approaching 40,000 people in the mid to late 20th century. Manteca's robust growth and development throughout its history has provided plenty of opportunity for its families.

Today, the City of Manteca boasts more than 75,000 residents and a thriving economy, while attracting increases in both tourism and interests from leading developers. Thanks to the contributions of Manteca residents like the Mural Society, it has become a successful and impactful city.

Mr. Speaker, please join me in congratulating the City of Manteca on their first 100 years and honor the city for its ongoing contribution to our nation.

CELEBRATING BUILDING SAFETY MONTH

HON. PETER WELCH

OF VERMONT

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Mr. WELCH. Mr. Speaker, I rise today to mark the beginning of Building Safety Month and to recognize the men and women of the International Code Council (ICC) who have dedicated their livelihoods to ensuring the public safety of Americans.

Building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers and others in the construction industry work year-round to ensure the safe construction and maintenance of buildings. It is through their efforts that our nation continues to address critical safety issues in the built environment that affect our citizens in both everyday life and in times of natural disaster.

These individuals, who are dedicated members of the International Code Council, develop and implement the highest quality codes to protect Americans in the buildings where we work, live, and play.

The International Codes, the most widely adopted building safety and fire prevention codes in the nation, are used by most U.S. cities, counties and all 50 states including my State of Vermont. These modern building safety codes also include safeguards to protect the public from natural disasters, such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes.

Each year, in observance of Building Safety Month, which is sponsored by the International Code Council, Americans are encouraged to raise awareness of the importance of safe and resilient construction, fire prevention, disaster mitigation, and new technologies in the construction industry.

The theme for Building Safety Month 2018, "Building Codes Save Lives," encourages appropriate steps everyone can take to ensure that the places where we live, learn, work, worship and play are safe, and recognizes that countless lives have been saved due to the implementation of safety codes by local and state agencies.

Mr. Speaker, please join me in thanking ICC Board President Mr. Jay Elbettar, the International Code Council leadership, and its Members as they recognize Building Safety Month.

COST ESTIMATE ON H.R. 4569, THE COUNTERTERRORISM INFORMATION SHARING IMPROVEMENT ACT OF 2017

HON. MICHAEL T. MCCAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Mr. MCCAUL. Mr. Speaker, the following cost estimate for H.R. 4569, the Counterterrorism Information Sharing Improvement Act of 2017, prepared by the Congressional Budget Office was not made available to the Committee at the time of filing of the legislative report.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 4, 2018.

Hon. MICHAEL MCCAUL,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 4569, the Counterterrorism Information Sharing Improvement Act of 2017.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Mark Grabowicz.

Sincerely,

KEITH HALL, *Director*.

Enclosure.

H.R. 4569—COUNTERTERRORISM INFORMATION SHARING IMPROVEMENT ACT OF 2017

As passed by the House of Representatives on January 9, 2018

H.R. 4569 would direct the Department of Homeland Security (DHS) to ensure that it has access to any biographical and biometric data collected by federal agencies (such as the Department of Defense) on people associated with terrorist organizations. Because

DHS currently carries out similar activities, CBO estimates that implementing H.R. 4569 would have no significant effect on spending by DHS or other agencies.

Enacting H.R. 4569 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 4569 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 4569 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

RECOGNIZING THE SEVENTH ANNUAL COCOA BEACH KIDNEY WALK AND THOSE WHO HAVE GIVEN THE PRECIOUS GIFT OF LIFE

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 7, 2018

Mr. POSEY. Mr. Speaker, on Saturday, May 12, 2018, thousands of residents from across Central Florida will gather at the Cocoa Beach Pier in Cocoa Beach, Florida, to take part in the Seventh Annual "Footprints in the Sand" Cocoa Beach Kidney Walk. Katie and I have joined others in our community in participating every year since the first walk was organized in 2012 by Rich Salick, Bill Hahn and volunteers with the Florida Chapter of the National Kidney Foundation.

The "Footprints in the Sand" Kidney Walk brings our community together to show our love and concern. So many of us have family, friends and loved ones that are afflicted by kidney disease and they need our strength and support. The road ahead is not easy for them, but as the kidney walk demonstrates, they do not have to travel that path alone.

The National Kidney Foundation, its supporters and activists have made a significant difference in people's lives. They not only raise awareness about this disease but they have helped push for much needed changes in our laws and new innovations to give patients more treatment options and a better quality of life.

This year organizers of the kidney walk will recognize organ donors and their families for giving the precious gift of life so that others could receive a second chance and continue with their lives.

Those recognized include: Patricia Brown on behalf of Michael Robert Brown, Mary and Bill Carpenter on behalf of Shawn Carpenter, Billie Lomonaco on behalf of Tiffany Accardi, Dawn and Mike Futch on behalf of Michael-Gene Futch, Deborah and Dennis Thrope on behalf of Jessica Carter, Diane Couch on behalf of Linda Couch, Jasmine and Trip Persaud on behalf of Tribhawan Anand Persaud, Chris and Laura Dawkins on behalf of Brooke Dawkins, Jen and Timothy Eden on behalf of Blake Eden, Laila Merolle on behalf of Mario Merolle, Patricia and Obdulio Rivera on behalf of Sebastian Rivera, Ada Torres and Efrain Morales on behalf of Neysha Estrella, Michelle Lashley on behalf of Jharod Lashley, Theresa Black on behalf of Timothy Bishop,
