

REMEMBERING LARRY LEONG
HONG

• Ms. DUCKWORTH. Mr. President, I rise today to pay tribute to the remarkable life of Larry Leong Hong, who passed away peacefully on April 20, 2018, surrounded by his loving family.

Born in China in 1922, his family immigrated to Burma when he was an infant, to seek better fortune. Larry was the oldest son of six children; he had three sisters and two brothers. His family sent him back to China to get his schooling and to learn about his heritage and his culture. At age 13, shortly after he returned home to Burma, he left to seek a better future for himself and for his family. He came by himself to America, to the Golden Mountain, where it was believed the streets were paved with gold.

In 1935, when he arrived in America, he found no streets paved in gold bricks. Instead, he found a country in the grips of the Great Depression, and life was hard. But that did not deter him. He worked hard at the family restaurant. Larry learned the value of hard work, determination, and self-sufficiency. He worked in the restaurant until the clarion call of World War II. In 1942 Larry joined the war effort, working at a factory as an engine lathe operator and was promoted to be an inspector until he was called to serve. Larry—also known as Wing Q. Hong—was inducted into the Army of the United States on March 2, 1943. He was an infantryman and rose to TEC 4 as a cook. He served in the European theater, landing with his regiment in Normandy and went on to serve in Ardennes-Rhineland, Northern France, and Central Europe, serving as the acting mess sergeant for the officers. He was honorably discharged on October 19, 1945. He was awarded the Good Conduct Medal AR 600-68 and the EAMETO Medal with one Silver Service Star. This patriotic and hard-working immigrant started a tradition of service to his country. All of his descendants and their spouses served this Nation, either in Active Duty as members of the military or as civilians. Upon discharge, Larry returned to civilian life and went back to the restaurant business. Two years after his discharge from the Army, his only son, Kenneth, was born.

He met the love of his life, Annette Moy, at the restaurant in which they both worked, and they were married in 1942. This was a love affair that lasted for almost 62 years, until his beloved wife passed in January of 2000. Even though Larry came to America by himself, as a young teen, when he married Annette, he married into the Moy Clan—very large, very tight-knit, and very loving family. He learned through Annette the value and the strong bonds of family. Larry was devoted to his immediate and extended family. He was generous, strong, dependable, and stable. He and his wife were the anchor for their very large family.

The family took every opportunity to gather together, whether it was to cel-

brate a holiday, to celebrate a special milestone or just to get together for a picnic. They were fun, and of course these gatherings always featured good food. Each weekend the extended family came together at one of the sisters' house to play mah-jongg, while the young children went to sleep to the sound of the click-clicking of the mah-jongg game. Larry loved good Chinese food; he especially loved lobster and Chinese-style chicken.

Larry was a fighter. He met several challenges throughout his life, and each time he fought it—and he won. His love of family, his love of food, his strength, and his fighting spirit will be missed.

Larry is survived by his son, Kenneth Leong Hong—wife Belkis—of Gaithersburg, MD, and his only granddaughter, Denise Williams—husband Dan—of National Harbor, MD.●

TRIBUTE TO ROHAN RAJEEV

• Mr. INHOFE. Mr. President, today I would like to recognize Rohan Rajeev, of Edmond, OK, a young man of exemplary character and talent. Rohan made history as the runner-up at the 2017 Scripps National Spelling Bee. In his first appearance at the bee, Rohan earned his position by qualifying from a pool of over 11 million students from around the world. In 2016, Rohan earned the distinction as the first speller from Oklahoma to win the Association of Christian Schools International Spelling Bee.

Rohan has used his skills to help and teach others. He has served as the first grand marshal of the Eastern Oklahoma State Spelling Bee, a nonprofit competition whose mission is to help students develop spelling and vocabulary skills. He has contributed to the community by volunteering and taking leadership positions in programs and organizations, including Oklahoma Student Voices and Youth and Government.

While his honors are many, I am most impressed by Rohan's humility and courage. He attributes his success to his faith in Jesus Christ, knowing that He has brought him thus far in life. Despite enduring the loss of his sister, Raina, to a severe neurological condition, Rohan continues to honor her memory by dedicating his performances to Raina, and she continues to inspire Rohan to pursue his dreams.

Congratulations, Rohan. I wish you well in your future endeavors, and I know your future is bright.●

MESSAGE FROM THE PRESIDENT

TEXT OF AN AGREEMENT BETWEEN THE GOVERNMENT OF THE UNITED STATES OF AMERICA AND THE GOVERNMENT OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND FOR COOPERATION IN PEACEFUL USES OF NUCLEAR ENERGY—PM 33

The PRESIDING OFFICER laid before the Senate the following message

from the President of the United States, together with accompanying reports and papers, which was referred to the Committee on Foreign Relations:

To the Congress of the United States:

I am pleased to transmit to the Congress, pursuant to subsections 123b. and 123d. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(b), (d)) (the "Act"), the text of an Agreement between the Government of the United States of America and the Government of the United Kingdom of Great Britain and Northern Ireland for Cooperation in Peaceful Uses of Nuclear Energy (the "Agreement"). I am also pleased to transmit my written approval, authorization, and determination concerning the Agreement and an unclassified Nuclear Proliferation Assessment Statement (NPAS) concerning the Agreement. In accordance with section 123 of the Act, a classified annex to the NPAS, prepared by the Acting Secretary of State, in consultation with the Director of National Intelligence, summarizing relevant classified information, will be submitted to the Congress separately. A joint memorandum submitted to me by the Acting Secretary of State and the Secretary of Energy and a letter from the Chairman of the Nuclear Regulatory Commission stating the views of the Commission are also enclosed. An addendum to the NPAS containing a comprehensive analysis of the export control system of the United Kingdom with respect to nuclear-related matters, including interactions with other countries of proliferation concern and the actual or suspected nuclear, dual-use, or missile-related transfers to such countries, pursuant to section 102A(w) of the National Security Act of 1947 (50 U.S.C. 3024(w)), is being submitted separately by the Director of National Intelligence. Although not required by the Act, I am also transmitting an analysis and a determination and judgment from the Secretary of Energy concerning the advance, long-term approvals contained in the proposed Agreement.

The Agreement has been negotiated in accordance with the Act and other applicable law. In my judgment, it meets all applicable statutory requirements and will advance the nonproliferation and other foreign policy interests of the United States.

The Agreement contains all of the provisions required by subsection 123a. of the Act. It provides a comprehensive framework for peaceful nuclear cooperation with the United Kingdom based on a mutual commitment to nuclear nonproliferation. It would permit the transfer of material, equipment (including reactors), components, sensitive nuclear facilities, major critical components, and information for nuclear research and nuclear power production. It also would allow for the transfer of sensitive nuclear technology if the parties later agree on conditions in writing.

The Agreement has a term of 30 years, although it can be terminated by either party on one year's advance written notice. In the event of termination or expiration of the Agreement, key nonproliferation conditions and controls will continue in effect as long as any material, equipment, component, sensitive nuclear facility, or major critical component subject to the Agreement remains in the territory or under the jurisdiction or control of either party, or until such time as the parties agree in writing that such nuclear material or non-nuclear material is no longer usable for any nuclear activity relevant from the point of view of international safeguards or have been practically irrecoverable, or that such equipment, components, sensitive nuclear facilities, or major critical components is no longer usable for nuclear purposes.

As one of the five nuclear weapon states under the Treaty on the Non-Proliferation of Nuclear Weapons, including one of the Treaty's three Depository States, and one of the five permanent members of the United Nations Security Council, the United Kingdom holds an important leadership role in the global nonproliferation regime and the larger international security architecture. The United Kingdom is a member of the four major multilateral export control regimes: the Nuclear Suppliers Group, the Australia Group, the Missile Technology Control Regime, and the Wassenaar Arrangement. In addition, the United Kingdom has provided financial, technical, and leadership support to key nonproliferation mechanisms such as the Global Threat Reduction Program, the Global Initiative to Combat Nuclear Terrorism, the Elimination of Weapons-Grade Plutonium Production Program, the International Atomic Energy Agency (IAEA) Technical Cooperation Program, the IAEA Department of Safeguards, the G7 Global Partnership against the Spread of Weapons of Mass Destruction, and the Proliferation Security Initiative. A more detailed discussion of the United Kingdom's civil nuclear activities and its nonproliferation policies and practices is in the NPAS and its classified annex.

I have considered the views and recommendations of the interested departments and agencies in reviewing the Agreement and have determined that its performance will promote, and will not constitute an unreasonable risk to, the common defense and security. Accordingly, I have approved the Agreement and authorized its execution and urge that the Congress give it favorable consideration.

This transmission shall constitute a submittal for purposes of both subsections 123b. and 123d. of the Act. My Administration is prepared to begin immediately consultations with the Senate Foreign Relations Committee and the House Foreign Affairs Committee, as provided in subsection 123b. Upon completion of the 30 days of con-

tinuous session review provided for in subsection 123b., the 60 days of continuous session review provided for in subsection 123d. shall commence.
