A TRIBUTE TO ALLAN P. DUHN

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 3, 2018

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Allan P. Duhn for his 50 years of service as a funeral director in Griswold, Iowa. Allan was recently honored at the 138th Annual Iowa Funeral Directors Association Convention.

Allan said that he was influenced by his hometown funeral directors and he witnessed the professional services they provided to their communities. He attended the Dallas Institute of Mortuary Science (Gupton Jones College) in Dallas, Texas, and worked for funeral homes in Spirit Lake and Exira, Iowa. In 1970, he purchased the Wagley Funeral Home in Griswold, Iowa. Today, the funeral home is known as the Reiken-Duhn Funeral Home of Griswold.

I commend and congratulate Allan P. Duhn for his many years of dedicated and devoted service to Griswold, Iowa and the surrounding area. Allan and his staff have a reputation for making a difference by helping and serving others in time of need. It is with great honor that I recognize him today. I know that my colleagues in the House of Representatives join me in applauding his service in the funeral industry and I wish him and his family continued success in the future.

CELEBRATING THE 100TH
ANNIVERSARY OF THE TIPPY DAM

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 3, 2018

Mr. BERGMAN. Mr. Speaker, it's my honor to recognize the Tippy Dam upon the occasion of its 100th Anniversary. Through a century of dedicated service and commitment to its community, the Tippy Dam has become an indispensable part of Northern Michigan and the First District.

Originally completed in 1918, the dam then known as Junction Hydro was lauded for its innovative engineering and design. It was later renamed in honor of Charles W. Tippy, a Board of Directors chair for Consumers Power. Spanning the Manistee River 20 miles from its end in Lake Michigan, the Tippy Dam generates 20,000 kilowatts of clean, renewable electricity for approximately 6,500 residents of Manistee County in Northern Michigan.

In addition to its critical energy production for the region, the Tippy Dam is beloved for the outdoor recreation it facilitates. Every year, its recreation area hosts over 50,000 visitors—most taking advantage of the world-class fishing for salmon, steelhead, and brown trout in its tailwaters. The dam is also home to the largest bat hibernaculum in the Lower Penin-

sula of Michigan. Its long stretch of underground passages and warm temperature makes the Tippy Dam an ideal location for the more than 20,000 bats that hibernate there over the winter—the dam's operators have played a critical role in protecting the bats by following strict operation regulations. Tippy Dam is a perfect example of what can happen when business and government work together for the good of the American people. I am pleased to join Consumers Energy employees and retirees to commemorate 100 years of clean, reliable, and renewable energy generated by this facility.

Mr. Speaker, it's my honor to congratulate the fortitude and dedication of the men and women who have kept watch over the Tippy Dam as it has supplied power to generations of Michiganders. On behalf of my constituents, I wish the Tippy Dam and its operators all the best as we look forward to the next 100 years.

COST ESTIMATE ON H.R. 4991, H.R.
4627, AND H.R. 5762

HON. MICHAEL T. MCCAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 3, 2018

Mr. MCCAUL. Mr. Speaker, the following cost estimate for H.R. 4991, the Supporting Research and Development for First Responders Act; H.R. 4627, the Shielding Public Spaces from Vehicular Terrorism Act; and H.R. 5762, the Joint Task Force to Combat Opioid Trafficking Act of 2018, prepared by the Congressional Budget Office was not made available to the Committee at the time of filing of the legislative report.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE
Washington, DC, June 28, 2018.

Hon. MICHAEL MCCAUL,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed the following pieces of legislation that were passed by the House of Representatives on June 19, 2018:

H.R. 4991, the Supporting Research and Development for First Responders Act;

H.R. 4627, the Shielding Public Spaces from Vehicular Terrorism Act; and

H.R. 5762, the Joint Task Force to Combat Opioid Trafficking Act of 2018.

H.R. 4991 would codify programs that currently exist at the Department of Homeland Security (DHS). H.R. 4627 would confirm the authority of DHS to establish a task force to disrupt drug trafficking, and H.R. 5762 would clarify the scope of the department's research and development program.

CBO estimates that enacting these pieces of legislation would not significantly affect DHS spending. Because the legislation would not affect direct spending or revenues, pay-as-you-go procedures do not apply.

CBO estimates that enacting the acts would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

None of the acts contain intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

If you wish further details on this estimate, we will be pleased to provide
