

CONDEMNING THE USE OF CHEMICAL AGENTS ON UNARMED ASYLUM SEEKERS

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. DANNY K. DAVIS of Illinois. Mr. Speaker, the cruelty, heartlessness and failure of the Trump administration immigration policy have reached a new low point with the reprehensible use of chemical agents against unarmed asylum seekers including children. The unilateral, unlawful policy requires those seeking asylum in the U.S. to remain in Mexico after adding their names to an interminable waiting list facing deteriorating living conditions in what increasingly have come to resemble detention camps. The use of violence and fear to deter legal asylum applications ignores the real social, political and economic forces driving emigration and the role of current and historical U.S. foreign and economic policies in creating those conditions. A nation of immigrants such as the United States deserves, demands, a policy collectively-negotiated with our neighbors grounded in democracy and human rights and dedicated to mutual social and economic development.

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. MESSER. Mr. Speaker, I rise to recognize a former member of my staff, Megan Robertson, for her work in my office and her service to our state.

Megan worked on our team during my first term in office, serving as Communications Director. In that role, Megan advised me on communications strategy and served as my spokesperson. She brought a wide breadth of political knowledge from her experience on campaigns, which helped us establish the framework for our communications operation. She's also a huge Bears fan and I always enjoyed talking about the NFL with her too.

I would like to thank Megan for her hard work in our office. I wish her and Katie continued success in all that remains ahead for their family.

HONORING MARY MCCULLOUGH

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. PANETTA. Mr. Speaker, today I rise to honor Mary McCullough for a lifetime of service to her community, including her extraordinary efforts to address healthcare needs in Hollister, California. Ms. McCullough has been recognized by many local civic and community organizations for these efforts, most recently as the Hazel Hawkins Hospital Foundation's 2018 "Heart for Hazel" award recipient.

After moving to Hollister in 1963, Ms. McCullough immediately immersed herself in the community. She joined several community organizations and quickly distinguished herself as a leader in local preschools, concert associations, Girl Scouts, Woman's Fund, and the United Way. In addition to her volunteerism and community work, Ms. McCullough also made time to help establish the Community Foundation for San Benito County, which serves as a hub for philanthropic work in the area.

Most notably, Ms. McCullough chose to dedicate her time and efforts to improving healthcare at local and statewide levels. In 1963, Ms. McCullough joined the Hospital Auxiliary as a volunteer and, in 1982, began serving on the San Benito Health Care District Board of Directors, where she remained until her retirement earlier this year. She was also appointed to the Association of California Healthcare Districts Board of Directors where she has served since 2002. In these roles, Ms. McCullough committed to herself to supporting healthcare facilities and locations to better serve patients and their families.

During Ms. McCullough's tenure, the San Benito Health Care District Board oversaw the construction of a skilled nursing facility, extension of the main hospital, and development of a state-of-the-art emergency department and women's center. As Ms. McCullough prepares for her retirement from these positions, I am thankful for her work and feel confident that she will remain an active member of our community.

I am deeply grateful for Ms. McCullough's commitment to public service to the residents of San Benito County and state of California. As she celebrates her retirement, I am proud to recognize her for the invaluable work she has completed. Mr. Speaker, I ask that my colleagues join me in recognizing Mary McCullough on her lifetime of service and congratulate her on a well-earned retirement.

PLEASANTON VETERANS POST OFFICE

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. CUELLAR. Mr. Speaker, I rise today to present H.R. 1210, which will re-name the post office facility located at 122 W. Goodwin Street, Pleasanton, Texas, as the "Pleasanton Veterans Post Office." This bill will show our appreciation for the veterans of Pleasanton, Texas, and ensure their service and sacrifices to our country is not forgotten.

Across my district, fine men and women of all walks of life have honorably served our country. It is critical that we honor their service and dedication to our nation. Pleasanton alone is home to over 600 veterans. Dedicating this post office to our veterans will serve as an enduring reminder of the sacrifices that our friends, neighbors, and family made while serving their country. These individuals put country ahead of self, and I am proud to recognize them with the dedication of this post office facility.

Today, I acknowledge the service of Judge Robert "Bob" L. Hurley of Pleasanton, TX. Judge Hurley served in the United States Air Force as a medic and eventually rose to the rank of Staff Sergeant. He was NCOIC of the U.S. Air Force Academy Cadet Medical Clinic—Medical Records and Appointments Department. After the completion of his service, he moved back to Pleasanton. He later became president of two companies and served his hometown as both a councilmember and mayor. He now serves as a Judge for Atascosa County, a position he's held since 2014.

We owe our freedom to veterans like Judge Hurley, which is why I am recognizing him with the dedication of this post office. He is just one example of the many veterans who prioritize service to their country. The bravery and commitment of these men and women to our nation demonstrates what it really means to be an American.

I would also like to take a moment to thank the veterans' organizations throughout my district for their tireless work in providing the care our veterans need. And in the words of President John F. Kennedy, "A nation reveals itself not only by the men it produces but also by the men it honors, the men it remembers."
