THE JOURNAL

The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

THANKING 16TH AND 17TH DISTRICTS OF FLORIDA, STAFF, FAMILY

(Mr. THOMAS J. ROONEY of Florida asked and was given permission to address the House for 1 minute.)

Mr. THOMAS J. ROONEY of Florida. Mr. Speaker, this is the last time I will have the privilege to address this body.

It has been an honor to serve the people of Florida's 16th and 17th Districts over the last 10 years. I am eternally grateful for the trust that the people of Florida's heartland bestowed upon me to be their voice in the United States Congress for the last five terms.

I would not have been able to do this job without the great work of my staff both here in Washington, D.C., and back in Florida. Thank you, Team Rooney.

Thanks always to the love and support of my family: my mom and dad; my brothers and sisters, Pat, Joe, Suzanne, Terry, Chris, Molly, and Brian; and, most importantly, to my wife, Tara; and my sons, Tommy, Jr., Sean Patrick, and Seamus. I will be home soon. I love you guys.

HONORING RAED FARES

(Mr. BRENDAN F. BOYLE of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BRENDAN F. BOYLE of Pennsylvania. Mr. Speaker, I am here this evening to honor Raed Fares, a hero who I had the opportunity to meet right here in the Capitol some months ago. He was shot and killed in Idlib, Syria, last week by two gunmen, likely al-Qaida affiliates.

Raed founded "Radio Fresh" to give Syrians a source for unbiased reporting other than that of the extremists and the Assad regime. He trained journalists and organized community services and events with the goal of empowering civil society. His work made him the target of the Assad regime, al-Nusra, and ISIS many times, but he refused to back down.

Raed was killed because of his bravery. His work mattered. His life mattered. Raed's death must remind each of us that the Syrian people are fighting for their lives. In the words of Raed: "Freedom is an idea, and an idea cannot die."

HONORING NEEDVILLE HIGH SCHOOL BLUE JAYS

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, 2017 was an amazing year for the Needville High School Blue Jays. The Lady Jays won the Texas State 4A championship.

They lost over one-half of their team in 2018. The naysayers said there was no way the Needville Blue Jays will play for the State title in 2018.

The naysayers never talked to Rockie, Evan, Meghan, Treasure, Samantha, Anna, Baley, Madison, Samia, Maddy, Kaitlyn, Tori, or Coach Amy Schultz.

The Lady Jays knew they would play the State finals in 2018, and they did just that. Last week, their season ended with a record of 41-9 and the Texas 4A State runner-up.

The Lady Jays were a true team. They put their heart and soul on the line for their hometown of Needville. It is a town we all love. Needville is proud of our girls.

We will see the naysayers next year at the 2019 State championships.

CONDEMN RUSSIAN NAVAL AGGRESSION

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, as co-chair of the Ukrainian Caucus, I rise to strongly condemn Russia's dangerous assault on Ukrainian ships in the Kerch Strait. Russia's blockade of Ukrainian ports should alarm the world.

As Russian dictator Vladimir Putin attempts to tighten his bloody, illegitimate grip on the Crimean peninsula and his ill will on the people of Ukraine, the free world cannot sit back and watch.

Crimea and its surrounding waters belong to the people of Ukraine. No amount of propaganda can cover Russia's egregious human rights record in Crimea, including the illegitimate detainment of Oleg Sentsov.

We stand shoulder to shoulder with the international community and our NATO allies in our unshakeable commitment to Ukraine's sovereignty and freedom. We stand in steadfast solidarity with the Ukrainian people. Russia must understand that its actions have consequences.

We must not hesitate to work with our European allies to increase sanctions on Putin's cronies to punish this continued, flagrant aggression. We demand that Russia withdraw from Crimea and Eastern Ukraine.

RECOGNIZING JOHN SCARANO

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise to recognize my dear friend, John Scarano, who recently retired as the executive director of the Herkimer County Chamber of Commerce after 12 years at the helm.

John, a native of Little Falls and also a twin, returned to Herkimer County after serving in the U.S. Army for 6 years. Upon his return, John spent 23 years at Mohawk Data Sciences Corporation in East Herkimer before his appointment to the chamber in 2006.

During his tenure, John has played a pivotal role in revitalization projects, which have made significant contributions to Herkimer's budding economy, including the Frankfort 5S South Business Park, a new Tractor Supply Distribution Center in Frankfurt, the new Heidelberg Bakery facility, and the emergence and support of countless new small businesses.

Along with his work at the chamber, John has served on the boards of the Herkimer County Industrial Development Agency, the Herkimer County Historical Society, and the Herkimer County HealthNet.

John is a generous, deeply caring, and honorable person, and I know he will continue to do the best for our community in retirement. John is also one of the most relentlessly fun, enthusiastic, and patriotic people I have ever known.

To my dear friend John Scarano, thank you for your many years of dedicated service to our community and our Nation. We are grateful to you, and we wish you the best in retirement.

NAFTA 2.0

The SPEAKER pro tempore (Mr. BUDD). Under the Speaker's announced policy of January 3, 2017, the gentlewoman from Ohio (Ms. KAPTUR) is recognized for 60 minutes as the designee of the minority leader.

Ms. KAPTUR. Mr. Speaker, tomorrow President Trump will claim victory as the United States, Canadian, and Mexican officials gather to sign a replacement for the North American Free Trade Agreement. But let us make no mistake, this is far from a finished deal.

Congress has the final say on trade. From where we stand today, what has been called NAFTA 2.0 still requires work to reach standards acceptable to the American people and American workers and companies.

How can any President claim this victory the same week General Motors announces the idling of five North American facilities, and as it cuts 15,000 living-wage jobs, including one in Lordstown, Ohio, not even counting the thousands and thousands more jobs that will be lost in the automotive parts sector in our country. What an affront to every promise President Trump has made American manufacturing towns.

Ohio's trade message to our Nation is as loud and clear as it always has been. The job outsourcing destruction due to the original NAFTA deal, which passed a quarter century ago, over my great objection on this floor, continues to reverberate across our State and Nation.

Now, we just saw at Lordstown, another, at that plant, 1,600 General Motors jobs, and upwards of 5,000 total job losses when the auto suppliers are counted at just that one facility.

Following the original NAFTA's implementation, town after town lost good jobs with good wages and benefits.

How many times must America's towns and workers bear witness to NAFTA's vast U.S. job outsourcing and wage drag? How many more?

Millions have suffered firsthand as dire predictions actualized and the false promises of NAFTA job creation failed to materialize. Instead, they personally experienced the great sucking sound of job outsourcing, just what we said here on this floor back in the early 1990s.

Whether GM's decision was at all influenced by NAFTA 2.0 is irrelevant. American trade deals have far too long allowed corporate America to run rampant over America's workers as they seek out the penny-wage laborers who can't afford to buy what they make.

I have a couple of charts here that I want to bring to the floor to describe what has been happening across this continent now for a quarter century, and what is upsetting the American people.

Millions of U.S. jobs have been obliterated year after year, as replacement workers toil and work in unsafe sweatshops and maquiladoras south of the border exposed to unimaginable toxins.

The original NAFTA was supposed to create trade surpluses for the United States. It was supposed to create job growth in the United States. And you know what has happened? Exactly the reverse.
