MOMENT OF SILENCE HONORING MIGRANTS WHO HAVE DIED ATTEMPTING TO REACH THE SHORES OF THE UNITED STATES

(Ms. ESCOBAR asked and was given permission to address the House for 1 minute.)

Ms. ESCOBAR. Mr. Speaker, today I ask that we observe a moment of silence for the migrants who have died as they have tried to reach the shores of the America that they dream of.

The photograph that all of us saw this week should tear all of us up, for those of us who are parents, to see a toddler with her little arms wrapped around the neck of her father.

There is nothing that we wouldn't do for our children, nothing, to give them a better life.

Oscar and Valeria represent tens of thousands of migrants who have died

as they have tried to build a better life for themselves, only to find that they are demonized and locked out of the promise that those of us who are natural born citizens are so fortunate to enjoy.

In their name, let us never forget their sacrifice and the sacrifice that so many parents make for the most vulnerable among us.

Mr. RODNEY DAVIS of Illinois (during the reading). Mr. Speaker, I ask unanimous consent to waive the reading of the motion to recommit.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?

There was no objection.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Illinois is recognized for 5 minutes in support of his motion.

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise in support of the motion to recommit.

For months, we have heard about the interference in our elections and the report of Special Counsel Robert Mueller, this report right here. But nothing in this bill that we are debating today and voting on today before this body now addresses the concerns that have been raised in this report.

Mr. Speaker, nothing in the bill we are debating today addresses the concerns of foreign interference raised in the special counsel's report that I am holding right now. What we know is that Russia attempted to interfere in our 2016 election through a misinformation campaign, email hacking, and by exploring vulnerabilities of registration databases. This is gravely concerning to every Republican and Democrat in this institution.

But what does the Federal Government telling States that they must replace their safe, new, and auditable machines have to do with addressing these concerns? What does a hand recount mandate have to do with these concerns? What does recycled paper have to do with these concerns?

The tremendous costs associated with these Federal mandates only serve to draw resources away from the real vulnerabilities our States face.

My colleagues on the other side of the aisle have also represented that Republicans have done nothing to address foreign interference in our elections, and that, Mr. Speaker, is simply not true.
