

There was no objection.

Mr. CISNEROS. Madam Speaker, I am delighted to welcome to this Chamber Father John P. Fitzgibbons, who delivered today's opening prayer.

A native of Omaha, Nebraska, he entered the Wisconsin Province of the Society of Jesus in 1973, and he was ordained as a priest in 1985.

Like all good Jesuits, Father Fitzgibbons has dedicated his life to God and to education. He currently holds bachelor's degrees in philosophy and English, two master's degrees in theology, a master's in English, as well as a Ph.D. in English.

He had stints teaching at Creighton and Marquette Universities, and he served as the dean of the College of Professional Studies at the University of San Francisco. He would later return to Marquette University to serve as the associate provost for faculty development. In 2012, he was appointed the 24th president of my alma mater, Regis University.

Madam Speaker, I thank Father Fitzgibbons for his 26 years in education, his 34 years as a priest, and his 46 years of dedication to God. It has been a tremendous pleasure having him here today.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. BEYER). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

CELEBRATING THE 30TH ANNIVERSARY OF GRANDMONT ROSEDALE DEVELOPMENT CORPORATION

(Ms. TLAIB asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TLAIB. Mr. Speaker, I rise today in honor of the Grandmont Rosedale Development Corporation as they celebrate 30 years of service to the residents of northwest Detroit.

Grandmont Rosedale Development Corporation was formed in 1989, initially as a business association for the five neighborhoods it represents. However, its focus from business to neighborhood preservation. From then on, Grandmont Rosedale Development Corporation has been active in reducing neighborhood blight, promoting sustainable economic development, and increasing homeownership.

Beyond that, they run a number of community-based programs, including a neighborhood coworking space, farmers market, and vacant property task force to help improve the quality of life for all the residents in the city of Detroit.

Grandmont Rosedale Development Corporation's holistic approach to maintaining its neighborhoods is the true definition of community development. Its diverse staff and the count-

less volunteers put their heart and soul into the community, and that shines through in every project.

I am honored to serve this community, and I commend Grandmont Rosedale Development Corporation on the occasion of its 30th anniversary.

RECOGNIZING MURRAY-CALLOWAY COUNTY CHAMBER OF COMMERCE

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Mr. Speaker, I rise today to recognize the Murray-Calloway Chamber of Commerce for their designation as the 2019 National Chamber of the Year.

This national honor was awarded at the ACCE National Convention in Long Beach, California, on July 15. This is the second win for the Murray-Calloway County Chamber, the first being in 2012.

The National Chamber of the Year Award recognizes the area's business leaders whose community contributions are unparalleled. ACCE only invites a limited number of the chambers to apply, and the application process considers the chambers' structure, finances, member engagement, services, and programs upon honoring a chamber. The chamber's efforts have benefited not only the Murray-Calloway County area, but positively impacted communities throughout western Kentucky.

I would like to thank President Michelle Bundren and Board Chair LaCosta Beane-Hays, as well as the directors, staff, and chamber members for their unwavering dedication to the betterment of local industry.

I look forward to future accomplishments of the chamber and am proud to represent the thriving business leaders in Murray and Calloway County, Kentucky.

HONORING THE LIFE AND LEGACY OF MICHAEL GONZALEZ

(Mr. GARCÍA of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GARCÍA of Illinois. Mr. Speaker, I would like to honor the life and legacy of one of my constituents and a friend for over 50 years, Michael Gonzalez. He was a professional engineer, deeply involved in many Chicago community issues and affairs.

As one of the founding members of the Illinois Latino Legislative Caucus Foundation, Michael paved the way for younger Latinos to follow. In his role as vice chair, Michael was instrumental to the growth of the foundation for 17 years. His invaluable work for our community ensured that hundreds of talented Latino and Latina students received scholarships to college.

Michael's dedication and unwavering commitment to the foundation did not

go unnoticed. He was often referred to as "the heart and soul" of the foundation. Most notably, he never received a dollar for the thousands of hours he dedicated to the foundation.

Michael Gonzalez leaves a legacy of engagement that continues to shape the foundation. His passing is a true loss for the foundation and the community. His presence in the community will be missed by many.

I extend my condolences to family, neighbors, and friends.

MADE IN AMERICA SHOWCASE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the importance of American manufacturing and to highlight Pennsylvania's contributions.

This week, the White House hosted its annual Made in America showcase, displaying products from all 50 States. Businesses of all sizes were invited to participate in the event to highlight the strength, creativity, and ingenuity of American manufacturers. I am pleased that Pennsylvania's 15th District represented the Commonwealth for 2 years in a row.

In 2018, BWP Bats, a baseball bat company from Brookville, traveled to the White House to share their products with attendees. This year, Zippo lighters, which are manufactured in Bradford, Pennsylvania, McKean County, represented the Keystone State.

Businesses involved in manufacturing are vital to Pennsylvania's economy. Advanced manufacturing ranks among the Commonwealth's top five industries, and nearly 1 in 10 people across the Commonwealth work for a manufacturer.

A strong manufacturing sector helps America stay competitive, and supporting legislation that strengthens the industry bolsters our Nation's potential for a prosperous future by keeping good-paying, family-staying jobs right here at home.

HEALTHCARE IS PERSONAL

(Ms. HILL of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HILL of California. Mr. Speaker, I rise today to give voice to what so many individuals and families in my community and across the country are feeling: deep anger at the threat of losing access to their healthcare.

First, I have to condemn the developments in the Ninth Circuit case that state title X providers can no longer lawfully refer women for abortion services.

Healthcare is personal. The conversations that take place between a woman and her doctor cannot be policed by Congress. These rules are damaging to
