

Major General Berry has received numerous awards and recognitions for his service to the United States during his career, including the Legion of Merit for exceptional conduct in the performance of his services to our Nation, and has had a positive impact on the lives of many servicemembers, peers, and superiors. His accomplishments reflect highly not only on himself, but also on the men and women of our Nation's military. As his time in uniform comes to an end, we honor his dedication to our country and his invaluable service to the U.S. Air Force and Arkansas National Guard.

It was a genuine pleasure to have worked with MG Mark Berry throughout his years serving his country and our State. I commend General Berry for his exceptional service and decorated career and greatly appreciate his friendship of many years. We wish him all the best as he begins his retirement from the U.S. Armed Forces.●

RECOGNIZING LEVATAS

● Mr. RUBIO. Mr. President, as chairman of the Senate Committee on Small Business and Entrepreneurship, it is my honor to recognize a small business that exemplifies innovation, entrepreneurship, and hard work. This week, it is my privilege to name Levatas of Palm Beach Gardens, FL, as the Senate Small Business of the Week.

Levatas is a strategic marketing and consulting firm that uses artificial intelligence—AI—and machine learning technologies to develop solutions for their clients. They utilize AI technology to help the manufacturing industry and other companies better understand their customers. Levatas was started 13 years ago by Chris Nielsen in his Jupiter, FL, garage. Nielsen and his team have since expanded to become one of south Florida's leader in AI solutions.

Moving from Jupiter, FL, Levatas expanded to their current office in Palm Beach Gardens and recently announced a second expansion, headquartered in Rosemary Square, where an additional 50 new jobs will be created.

A large part of their success lies in Levatas's excellent company culture. In fact, Levatas was recently honored by Entrepreneur magazine in the "2018 Top Company Cultures" for the "Small Companies" category. They have also been recognized by the Florida community as well. In 2018, Palm Beach Tech Association awarded Chris Nielsen, Ryan Gay, CEO of Levatas, and Levatas Golden Palm awards for excellence. In addition to numerous accolades, Levatas has made significant contributions to their community. Through Levatas's GenerosiTeam initiative, employees have supported local philanthropic organizations including the Big Heart Brigade, Sheridan House, One Blood Organization Blood Drive, Children's Miracle Network donation drive, and other nonprofits.

Levatas has cemented themselves as a local hub for innovation in the Palm

Beach community. Levatas's extensive clientele spans many industries and includes companies such as Royal Caribbean Cruise Line, Orangetheory Fitness, SunTrust Bank, HSBC, Dell, IBM, Discover the Palm Beaches, Duffy's Sports Grill, and more. Renowned for their phenomenal quality of service, Levatas's innovative solutions for digital transformation showcase their significant experience in building technology and bringing products to market.

Levatas has remained true to their core values by focusing on quality service with an expert ability to provide innovative, creative, and experienced solutions to shape brands and build technology. Furthermore, Levatas is a phenomenal example of how hard work can lead to success. It is with great pleasure that I extend my congratulations to Chris Nielsen and all of the members of the Levatas community. Levatas has an exciting future ahead, and I look forward to watching your continued success.●
