BEVERLY LAHAYE—40 YEARS OF  
SERVICE

**HON. VICKY HARTZLER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 11, 2019*

Mrs. HARTZLER. Madam Speaker, today I want to commend Mrs. Beverly LaHaye of the Concerned Women for America for the work that she has done in inspiring millions of women across America to defend Christian, conservative values throughout our beloved country.

This month marks the 40th anniversary of this great national organization. LaHaye has been a hero of mine and has been an inspiration in my own public service.

She started as a pastor's wife who was serving the church and raising her family, deeply concerned about the direction some in our country wanted to take. After hearing other progressive organizations claiming to speak on behalf of all American women, LaHaye had the courage to stand up and work with other Christian, conservative women across America to join together and pray for the soul of our nation. As more women gathered and joined the group, LaHaye became instrumental in promoting Godly values of life and the value of family in the public arena.

I appreciate everything she has done in paving the way for other conservative women to speak out, to get involved, and to never give up. I wish her all the best in her well-deserved retirement.
