

RECOGNIZING JOHNNIE RUTH
HUBER BOYD

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 4, 2019

Mr. CORREA. Madam Speaker, I rise today to honor Mrs. Johnnie Ruth Huber Boyd. My constituent, Mrs. Boyd recently visited Washington, DC, as an Honor Flight Network participant to visit the memorials dedicated to honor the service and sacrifices of other American veterans like her.

Johnnie, as she is known to her family and friends, was born September 28, 1924, in Brownfield, Texas, where cotton farming is still the backbone of the region. From an early age, Johnnie worked on her family's farm and attended school when she wasn't needed in the fields.

At 14 years old, Johnnie moved hundreds of miles from home to serve as a caretaker for a family in Lueders, Texas. There, she attended and graduated high school. Thanks to her tenacity and determination, Ms. Boyd earned a scholarship to Texas State College for Women but was unable to submit her application in person because she could not afford bus fare.

At 17 years old, while America was embroiled in World War II, Johnnie answered the nation's call to service by lying about her age to enlist in the U.S. Navy WAVES or "Women Accepted for Volunteer Emergency Service." These women held the same status as naval reservists. Johnnie was among 350,000 women who joined the Armed Services during WWII, serving at home and abroad.

Upon enlisting in the U.S. Navy, she was stationed at Hunter's College in New York where she received her initial Navy training. After training, she was transferred to a base in San Francisco and lived in Berkeley. She took the ferry into San Francisco each day to board the ship, on which she served as Store Keeper 1st class alongside the paymaster and other soldiers. During this time, she also continued her education.

She served from 1941 to 1945, and later married Raymond Huber, a Master Sergeant in the United States Marine Corps. She went on to attend Santa Ana College and received her Associate's Degree in Business Finance in 1978.

Johnnie, now 94 years old, currently resides in the City of Orange, where she continues her service to our great country as an active community member. She is the proud mother of 8, grandmother of 17, and great grandmother of 10.

Please join me in saluting this WWII veteran who continues to contribute her wisdom, tenacity, and life-long American work ethic toward making America the greatest country in the world.

REMEMBERING THE LIFE OF
WALTER E. GOOD

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, October 4, 2019

Mr. RYAN. Madam Speaker, I rise today to honor the life of Walter E. Good of Boardman,

Ohio, who passed away on Thursday, September 26, 2019, at the age of 80.

Walter will always be remembered as a caring, loyal and faithful man that stood by the principles of duty, honor and country. He was born October 9, 1938, in Youngstown, the son of Walter P. and Marguerite (Clark) Good and was a lifelong area resident.

Walter was proud to have grown up on the east side, where he graduated from East High School. He then continued his education at Youngstown State University, where he earned his two bachelor's degrees in Mathematics and Engineering, and his master's degree in Business Administration. With his love for education, Walter taught part-time at Youngstown State University.

He was a proud United States Army veteran, who served during the Vietnam Era. For his service to our country, Walter received the Good Conduct Medal, the Marksman Badge and received an Honorable Discharge on June 6, 1963. Walter celebrated his career as an industrial engineer in the steel industry, ultimately retiring from the United States Postal Service.

He was a member of the Basilica of Our Lady of Mount Carmel, its Vestibule Club, and was a lector for Sunday mass. He also belonged to the Penguin Club, the Theta Chi Fraternity and the Smoky Hollow Golden Eagle Club. Upon his retirement, Walter took great pride in maintaining the Smoky Hollow Memorial.

Walter had many passions in his life. He enjoyed reading history books and tailgating prior to the YSU football games. He had a true passion for sporting events, especially for Ursuline High School and Youngstown State University. Walter was so proud of his family, especially his grandchildren, and always put them at the center of his life.

Walter leaves behind his high school sweetheart and wife of over 57 years, the former Dolores Lariccia, whom he married June 9, 1962; two children, Walter Michael (Tracy) Good of Boardman and Nannette (Terry) Jacobs of Youngstown; five grandchildren, whom he adored, Christine, Michael and Riley Good, and Caila and Alexis Jacobs; and a sister, Sr. Brigid (Jeraldine Good) of the Poor Clares Monastery, Rockford, Illinois. All of whom will continue Walter's legacy of kindness, generosity, and unconditional love.

I am honored to be a long-time friend of Mr. Good's son, Walt, who undoubtedly inherited his passion for our community from his father. Our Valley certainly owes both father and son a great debt for their service to the community. My condolences go out to anyone whose life was touched by Walter.

COLLIER-LEE HONOR FLIGHT

HON. FRANCIS ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 4, 2019

Mr. ROONEY of Florida. Madam Speaker, I rise today to honor the Collier-Lee Honor Flight for their above and beyond service to the veterans of our district. Every year, Collier-Lee Honor Flight works to take hundreds of veterans from Southwest Florida to our nation's capital to visit the memorials that honor their bravery and sacrifice in service to our

country. These moments are cherished by those who served, and many of our veterans would never have the opportunity to see them without the help of the honor flight.

This past weekend, when one veteran, Paul Jordan, needed to remain in D.C. due to medical reasons and missed the hero's welcome home ceremony event at our airport, Collier-Lee Honor Flight took it upon themselves to organize a second patriotic ceremony for Paul—leaving no man behind. Collier-Lee Honor Flight members, members of our community, airport staff, and fellow veterans, all came together to give him an unforgettable welcome home.

This above and beyond spirit shines through in all the efforts of Collier-Lee Honor Flight. Thank you to Collier-Lee Honor Flight and all who make these trips possible, those who welcome home our veterans, and most importantly to the veterans who served our country so bravely.

SECURE AND FAIR ENFORCEMENT
BANKING ACT OF 2019

SPEECH OF

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2019

Mr. PERLMUTTER. Madam Speaker, while the SAFE Banking Act focuses on harmonizing federal and state banking laws regarding serving legitimate cannabis businesses and their service providers, there are still several issues where the federal government could provide more clarity. The Department of Treasury and its regulatory agencies should issue guidance on behalf of all federally licensed businesses engaging in, or considering engaging in, the legal cannabis trade, or Hemp and CBD trade, with respect to their engagement in a legal business.
