

H.R. 95 updates the Department of Veterans Affairs per diem payment calculation for entities furnishing services to homeless veterans to include funding for a minor dependent.

The rate for per diem payments is the daily cost of care as estimated by the grant recipient or eligible entity.

This bill would expand the per diem payment amount for a homeless veteran who has care of a minor dependent to the daily cost of care, plus, for each minor dependent, an amount that equals 50 percent of such daily cost of care.

This bill is an intrinsic part of a much greater national movement to recognize the transitional needs of all Veterans and their families nationwide.

Our Veterans are America's indispensable asset; their dedication to the United States Military and protecting the lives of the American people is to be commended.

Lack of access to childcare presents a unique safety hazard to homeless veterans' families, and puts a unique pressure on the shelters and facilities in Houston.

Less than 3 percent of Veterans experiencing homelessness (2.9 percent) were in families with children.

Veteran women experiencing homelessness are more likely to be a part of a family with children, compared to Veteran men.

Because of a lack of affordable health treatment and job prospects, veterans represent about 12 percent of America's homeless population, and approximately 50,000 veterans are homeless each night.

This bill will allow homeless veterans with children to receive enhanced child care services.

When enacted, H.R. 95 will alleviate the financial burdens homeless veterans experience with child care and assist them to transition into the workforce.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 95 to expand resources for homeless veterans with children.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. TAKANO) that the House suspend the rules and pass the bill, H.R. 95.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SIGNIFICANT NARCOTICS TRAFFICKERS CENTERED IN COLOMBIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 116-74)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days before the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to significant narcotics traffickers centered in Colombia declared in Executive Order 12978 of October 21, 1995, is to continue in effect beyond October 21, 2019.

The circumstances that led to the declaration on October 21, 1995, of a national emergency continue to exist. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and to cause an extreme level of violence, corruption, and harm in the United States and abroad. For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 12978 with respect to significant narcotics traffickers centered in Colombia.

DONALD J. TRUMP.
THE WHITE HOUSE, October 15, 2019.
