

I want to give credit to Senator WYDEN of Oregon, the ranking Democrat on my committee and my partner on this issue.

Thank you for working with us in the tradition of the Finance Committee in the same way that Senator Baucus and I worked together 15 years ago on Part D legislation.

I ask all of my colleagues to join Senator WYDEN and me in our bipartisan effort to lower the cost of prescription drugs.

I yield the floor.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The senior assistant legislative clerk proceeded to call the roll.

Mr. McCONNELL. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

MORNING BUSINESS

(At the request of Mr. SCHUMER, the following statement was ordered to be printed in the RECORD.)

S.J. RES. 53

• Ms. KLOBUCHAR. Mr. President, I rise today to discuss S.J. Res. 53, the resolution of disapproval under the Congressional Review Act on the Environmental Protection Agency's Affordable Clean Energy, ACE rule. I fully support passage of the resolution.

Every week seems to bring fresh evidence of the damage climate change is causing to our environment and economy. Increasing floods, heatwaves, droughts, hurricanes, and snowstorms have wreaked havoc on communities across the country. We cannot continue to ignore that climate change is already happening all around us. We must take immediate action.

The Obama administration's Clean Power Plan established Federal standards for emissions of carbon dioxide from fossil fuel-fired power plants. The plan set achievable carbon emissions reduction targets of 32 percent from 2005 levels by 2030 to be reached by reducing emissions from coal-fired power plants, shifting energy generation from fossil fuels to renewable sources, and promoting energy conservation. The Clean Power Plan not only helped drive the transition of our energy generation to cleaner sources, it also served as the centerpiece of U.S. efforts to lead the world in addressing climate change through the Paris Climate Agreement.

The administration's rule would take us backward by repealing the emissions reduction targets in the Clean Power Plan and replacing them with less ambitious targets based on narrow energy efficiency improvements that also wholly exempt natural gas-fired power plants. It is clear that the new rules will likely result in more carbon pollution, halt the accelerated trends toward low- and zero-carbon energy, and

have dire implications for our air quality and public health.

For these reasons, I oppose the administration's rule and support passage of Senator CARDIN's resolution—S.J. Res. 53—to disapprove of it.

Thank you. •

(At the request of Mr. SCHUMER, the following statement was ordered to be printed in the RECORD.)

VOTE EXPLANATION

• Ms. HARRIS. Mr. President, I was absent for vote No. 324 on S.J. Res. 53, providing for congressional disapproval under chapter 8 of title 5, United States Code, of the rule submitted by the Environmental Protection Agency relating to "Repeal of the Clean Power Plan; Emission Guidelines for Greenhouse Gas Emissions From Existing Utility Generating Units; Revisions to Emissions Guidelines Implementing Regulations."

Had I been present, I would have voted yea on the resolution. •

ARMS SALES NOTIFICATION

Mr. RISCH. Mr. President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

DEFENSE SECURITY  
COOPERATION AGENCY,  
Arlington, VA.

Hon. JAMES E. RISCH,  
Chairman, Committee on Foreign Relations,  
U.S. Senate, Washington, DC.

DEAR MR. CHAIRMAN: Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 19-51 concerning the Air Force's proposed Letter(s) of Offer and Acceptance to the Republic of Korea for defense articles and services estimated to cost \$253 million. After this letter is delivered to your office, we plan to issue a news release to notify the public of this proposed sale.

Sincerely,

CHARLES W. HOOPER,  
Lieutenant General, USA, Director.

Enclosures.

TRANSMITTAL NO. 19-51

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act, as amended

(i) Prospective Purchaser: Republic of Korea.

(ii) Total Estimated Value:  
Major Defense Equipment \* \$250 million.  
Other \$3 million.  
Total \$253 million.

(iii) Description and Quantity or Quantities of Articles or Services under Consideration for Purchase:

Major Defense Equipment (MDE): One hundred twenty (120) AIM-120C-7/C-8 Advanced Medium Range Air-to-Air Missile (AMRAAM).

Non-MDE: Also included are containers; weapon support and support equipment; spare and repair parts; U.S. Government and contractor engineering, technical, and logistics support services; and other related elements of logistical and program support.

(iv) Military Department: Air Force (KS-D-YDB).

(v) Prior Related Cases, if any: None.

(vi) Sales Commission, Fee, etc., Paid, Offered, or Agreed to be Paid: None.

(vii) Sensitivity of Technology Contained in the Defense Article or Defense Services Proposed to be Sold: See Annex Attached.

(viii) Date Report Delivered to Congress: October 17, 2019.

\* As defined in Section 47(6) of the Arms Export Control Act.

POLICY JUSTIFICATION

Republic of Korea—AIM-120C Advanced Medium Range Air-to-Air Missile (AMRAAM)

The Republic of Korea (ROK) has requested to buy one hundred twenty (120) AIM-120C-7/C-8 Advanced Medium Range Air-to-Air Missiles (AMRAAM). Also included are containers; weapon support and support equipment; spare and repair parts; U.S. Government and contractor engineering, technical, and logistics support services; and other related elements of logistical and program support. The total estimated program cost is \$253 million.

This proposed sale will support the foreign policy and national security objectives of the United States by meeting the legitimate security and defense needs of one of the closest allies in the INDOPACOM Theater. The Republic of Korea is one of the major political and economic powers in East Asia and the Western Pacific and a key partner of the United States in ensuring peace and stability in that region. It is vital to U.S. national interests to assist the Republic of Korea in developing and maintaining a strong and ready self-defense capability.

This proposed sale will improve the ROK capability to meet current and future threats by increasing its stocks of medium range missiles for its F-15K, KF-16, and F-35 fleets for its national defense. The potential sale will further strengthen the interoperability between the United States and the ROK. The ROK will have no difficulty absorbing these additional missiles into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Raytheon of Waltham, MA. There are no known offset agreements proposed in connection with this potential sale. Any offset agreement will be defined in negotiations between the Purchaser and the prime contractor.

Implementation of the proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the ROK.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

TRANSMITTAL NO. 19-51

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

Annex Item No. vii

(vii) Sensitivity of Technology:

1. The proposed sale will involve the release of sensitive technology to the Republic of Korea related to the AIM-120C-7/C-8 Advanced Medium Range Air-to-Air Missile (AMRAAM). The AIM-120C-7/C-8 AMRAAM is a supersonic, air launched, aerial intercept, guided missile featuring digital technology and micro-miniature solid-state electronics. Purchase will include AMRAAM Guidance Sections. AMRAAM capabilities include look-down/shoot-down, multiple launches against multiple targets, resistance to electronic countermeasures, and interception of high- and low-flying maneuvering targets. The AIM-120C-8 is a form, fit, function refresh of the AIM-120C-7 and is the next generation to be produced. The capabilities of the AIM-120C-7 and C-8 are identical. The AMRAAM All Up Round is classified CONFIDENTIAL, major components and subsystems range from UNCLASSIFIED to CONFIDENTIAL, and technical data and other documentation are classified up to SECRET.

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures that might reduce weapon system effectiveness or be used in the development of a system with similar or advanced capabilities.

3. A determination has been made that the Republic of Korea can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of the U.S. foreign policy and national security objectives outlined in the Policy Justification.

4. All defense articles and services listed on this transmittal have been authorized for release and export to the Republic of Korea.

#### RECOGNIZING CAPE ELIZABETH HIGH SCHOOL

Ms. COLLINS. Mr. President, I am delighted to commend Cape Elizabeth High School of Cape Elizabeth ME, on being named a 2019 National Blue Ribbon Exemplary High Performing School. This outstanding high school is one of only 362 schools across the country to receive Blue Ribbon recognition this year from the U.S. Department of Education.

Created in 1982, the Blue Ribbon Schools Program honors schools that are either academically superior in their States or that demonstrate significant gains in student achievement. The schools singled out for this national recognition are models of high educational standards and accountability.

This award recognizes the hard work and determination of Cape Elizabeth High School's students, faculty, and staff. This top-performing school has a strong commitment to professional development that ensures that teachers and staff, as well as students, are life-long learners. This recognition continues a tradition of excellence that builds upon Cape Elizabeth High School's previous Blue Ribbon Award in 2004.

Cape Elizabeth High School's mission is to "open minds, open doors." The school provides its 540 students with a rigorous academic experience that prepares students for college and career,

in a supportive environment that offers students many opportunities to explore their interests. Approximately 90 percent of students participate in at least one extracurricular activity, from the arts and athletics to robotics club and model united nations.

Cape Elizabeth students support each other. Every incoming ninth-grade student is assigned an upper class mentor to ease the transition to high school. Freshman Academy helps ninth graders explore their own values and strengths. Across the grade levels, students often say "thank you" to their teachers at the end of class, a powerful sign of a respectful school climate.

An active high school parents association strengthens the connections between school and home. The Cape Elizabeth Education Foundation, the first education foundation in Maine, fosters innovation and excellence. Over the years, the foundation has funded the creation of the Achievement Center to offer individualized tutoring, commissioned compositions for performance by school music ensembles, sponsored sexual assault awareness programs planned by students and staff together, and supported teacher professional development.

This Blue Ribbon Award is a tribute not only to the students but also to the administrators, teachers, staff, and parents of Cape Elizabeth High School. Together, they are accomplishing their mission to help students succeed in the classroom and as engaged citizens. They are making a difference in the lives of their students, helping them reach their full potential. I congratulate the entire community for this well-deserved recognition.

#### RECOGNIZING FRUIT STREET ELEMENTARY

Ms. COLLINS. Mr. President, I am delighted to commend Fruit Street Elementary School in Bangor, ME, on being named a 2019 National Blue Ribbon Exemplary High Performing School. Serving 325 students from pre-K through third grade, this outstanding school is one of only 362 schools across the country this year to receive Blue Ribbon recognition from the U.S. Department of Education.

Created in 1982, the Blue Ribbon Schools Program honors schools that are either academically superior in their States or that demonstrate significant gains in student achievement. The schools singled out for this national recognition are models of high educational standards and accountability.

The Blue Ribbon designation continues a tradition of quality education in Bangor. The graduation rates and assessment test scores for the town's K-12 school district consistently are among the highest in the State of Maine.

Fruit Street Elementary School's mission statement, "A high quality education is attainable by all of our

students who will receive the encouragement and opportunities to develop the knowledge, skills, and attitudes that prepare them for citizenship in a global society," is carried out daily. Students focus on the core values of fairness, citizenship, respect, and caring. The core curriculum has a strong focus on math, literacy, science, and social studies, with special programs that recognize each student's individual learning style.

At Fruit Street, rich and diverse learning opportunities are a part of every child's experience, from art and music, to library skills and physical education. The school involves all students in extracurricular activities, which helps forge a strong school community where students are connected and encouraged to pursue their interests. Throughout the curriculum, students are also taught to use technology both effectively and responsibly.

Faculty, parents, and community members are committed to both academic excellence and each child's social, emotional, and physical health. Faculty work to ensure an effective learning environment and to develop strong and collaborative relationships with parents and community members. An active parent-teacher organization supports enriching educational activities and promotes excellence and innovation by funding special projects and initiatives.

I applaud the administrators, teachers, staff, and parents of Fruit Street Elementary School. Together, they are succeeding in their mission to build students' confidence and generate momentum for learning. I congratulate the entire school community for this outstanding achievement.

#### RECOGNIZING YARMOUTH HIGH SCHOOL

Ms. COLLINS. Mr. President, I am delighted to commend Yarmouth High School of Yarmouth, ME, on being named a 2019 National Blue Ribbon Exemplary High Performing School. This outstanding high school is one of only 362 schools across the country to receive Blue Ribbon recognition this year from the U.S. Department of Education.

Created in 1982, the Blue Ribbon Schools Program honors schools that are either academically superior in their States or that demonstrate significant gains in student achievement. The schools singled out for this national recognition are models of high educational standards and accountability.

This award recognizes the hard work and determination of Yarmouth High School's students, faculty, and staff. This is a top-performing school on State-required assessments, and its strong commitment to professional development ensures that teachers, staff, and students are life-long learners. This recognition adds to the town's record of achievement in education—
