

**USMCA IS A WIN FOR ALL
AMERICANS**

(Mrs. HARTZLER asked and was given permission to address the House for 1 minute.)

Mrs. HARTZLER. Madam Speaker, this month marks 1 year since the Trump administration negotiated the U.S.-Mexico-Canada Agreement.

USMCA is undoubtedly a win for Missourians and for all Americans. The agreement will bring 176,000 new jobs and will spur \$63 billion in new economic activity.

Benefits of USMCA will be felt across diverse industries, including many of our manufacturing industries, agriculture, and small businesses, while also supporting technology and innovation.

But month after month, this Congress has been subject to missed opportunities for our producers and consumers as we have been refused the chance to vote on the USMCA. This needs to change.

Instead of House leaders squandering precious legislative time bringing up impeachment inquiries, they should be bringing up USMCA for a vote.

Let us hope that we get this opportunity soon. That would be a positive win for all Americans.

BRING USMCA TO A VOTE

(Mr. STEIL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STEIL. Madam Speaker, I look forward to welcoming Vice President MIKE PENCE to Pleasant Prairie, Wisconsin, on Wednesday.

Agriculture and manufacturing are vital to Wisconsin and our Nation. However, unfair trade practices are hindering our manufacturers' ability to create jobs.

USMCA is an important and improved trade deal between Canada, Mexico, and the United States. That is why passing USMCA is important.

USMCA helps small family farms. USMCA supports American workers. USMCA is a win for Wisconsin.

Vice President MIKE PENCE and I will be in Pleasant Prairie to push USMCA across the finish line. The Trump administration has done a great job negotiating this trade deal. It is now up to Congress to pass USMCA. Let's get this done.

Madam Speaker, bring USMCA to a vote. Wisconsin workers and farmers are depending on it.

**HONORING THE LIFE OF IAN
COCHRAN**

(Mr. GUEST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUEST. Madam Speaker, on October 3, Ian Alan Cochran, a talented young man from Brandon, Mississippi,

joined our Heavenly Father after a courageous fight with a rare form of brain cancer.

Ian graduated as an A student from Brandon High School in 2018, where he also excelled in extracurricular activities. He was a member of the tech club, served as president of the chess club, and was a talented soccer player.

Ian was well liked for his humor, talent, and high-spirited attitude. Everyone who knew Ian remembers his light-hearted and friendly approach to life.

As members of their Brandon Baptist Church family, my family and I joined Ian's parents, Joel and Kim; his sisters, Hope and Kayla; his grandparents; and his extended family and friends in remembering and celebrating his life and the positive mark he left on all of us who knew him.

Madam Speaker, I now ask this body to join me in a moment of silence to remember Ian Cochran and to thank our Heavenly Father for the joy of Ian's life.

**ALLOW ALL MEMBERS ACCESS TO
IMPEACHMENT PROCEEDINGS**

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, I rise today to highlight the failure of House Democrats to run a fair and transparent process, ostensibly toward an impeachment.

We have yet to hold a vote on whether or not to actually open up a true impeachment inquiry. Instead, Democratic leaders have simply decided it for themselves. That goes against all precedent established in this Chamber and under the Constitution.

Last week, I attempted to attend one of their closed-door impeachment hearings, or to simply view testimony transcripts, but was promptly asked to leave.

This is exactly what a partisan, secretive, and unfair process looks like. Why would Members not have access to an unclassified hearing and not be able to view materials that should be public, as they normally would? What is there to hide?

Last week, the Republican whip, STEVE SCALISE, filed a rule change to allow all Members of Congress access to documents related to this impeachment show and the documents associated with it.

I am fully supportive of this rule change. We will vote on this measure soon, and now my colleagues from the other side of the aisle must show the American people whether or not they support giving them the transparency they deserve in this process.
