The tragic plane accident that claimed the lives of these Idaho sons will forever cement the ideals and values that motivated these men to do good where good was needed.

Idaho said farewell to several great men who were not only pillars of the community, but also beloved by employees everywhere. Jim Hansen, Sr., and his two sons, Kirk and Jim, Jr., were known throughout the world as men who were passionate about helping others and touching lives wherever they went. The Hansen men and children who lost their lives in this tragic plane accident will be deeply missed, but their legacy will not be forgotten.●

RECOGNIZING VALLEY QUEEN CHEESE FACTORY

● Mr. ROUNDS. Madam President, today, it is my pleasure to name Valley Queen Cheese Factory of Milbank, SD as the Senate Small Business of the Week. Valley Queen Cheese is a prime example of the important role small businesses play in their local economies and communities.

In 1929, Alfred Nef and Alfred Gonzenbach decided Milbank, SD was the perfect home for their business and founded Valley Queen Cheese. Four generations later, Valley Queen remains a family-run operation and is still owned by the Nef and Gonzenbach families. Today, it operates less than half a mile from the original location. It is a recognized leader in the South Dakota business community and the greater dairy industry. Since 2017, Doug Wilke has served as CEO of Valley Queen. With guidance from the board of directors, he currently oversees the largest cheese plant in South Dakota and the largest employer in Milbank.

More than 90 percent of all milk Valley Queen uses comes from South Dakota cows, and they make a conscious effort to continue South Dakota's leadership in this important industry. Thanks to a recent expansion, Valley Queen now has the capacity to produce 200 million pounds of cheese from 2 billion pounds of milk each year. Their cheese can be found in most local grocery stores, as it is sold to some of the best-known food brands in the world. To meet the growing demand, Valley Queen recently invested in a business expansion project that increased the factory's output by twenty-five percent.

Valley Queen is an active leader in the Milbank community, where it has grown to employ 300 people. In 2017, the Valley Queen Charitable Foundation was established to advance positive change by supporting local organizations and initiatives. In its first 3 years as a nonprofit, the foundation has contributed more than \$900,000 to local charities that have a community, educational, or humanitarian focus. Since

1990, Valley Queen has awarded high school and college students over \$300,000 in scholarships. In addition to the business's own philanthropy, Valley Queen makes an annual contribution to the Milbank Community Foundation, which seeks to improve the quality of life of residents in the community.

Valley Queen has been recognized for their continuous improvement and exceptional process control through several awards. Earlier this year, Valley Queen won two awards and received near-perfect marks at the U.S. Championship Cheese Contest for their reduced fat cheddar and Monterey Jack jalapeno cheeses. Valley Queen's sustained efforts toward improved research and development does not go unnoticed by the industry.

Valley Queen is an excellent example of how small businesses fit the shared values and ideals of their community and give back in a multitude of ways. I am proud to highlight Valley Queen and its team for their integral social and economic contributions to South Dakota. Although many years removed from being a startup company, Valley Queen remains committed to the legacy of its founders. Furthermore, Milbank, South Dakota continues to serve as the perfect home for this thriving business. Congratulations again to the entire team at Valley Queen Cheese Factory for being named Senate Small Business of the Week.●
