MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was commu-

nicated to the House by Miss Kaitlyn Roberts, one of his secretaries.

HOUR OF MEETING ON TOMORROW

Mrs. LAWRENCE. Madam Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 11 a.m. tomorrow.

The SPEAKER pro tempore (Ms. SCHRIER). Is there objection to the request of the gentlewoman from Michigan?

There was no objection.

HONORING MISS DAISY ELLIOTT

(Mrs. LAWRENCE asked and was given permission to address the House for 1 minute.)

Mrs. LAWRENCE. Madam Speaker, today, I stand here proud to say that I was one who cast my vote for the passage of ERA in America.

I also rise today to recognize a woman who was so very instrumental to the State of Michigan and its fight for civil rights, Miss Daisy Elliott.

Miss Elliott was only 1 of 11 women elected to the Michigan Constitutional Convention in 1961. She was key in ensuring that our State’s constitution established the Michigan Civil Rights Commission, with the authority to investigate charges of discrimination based on race, religion, color, or national origin.

Daisy served in the Michigan Legislature for nearly 20 years as an effective and influential voice of equality and introduced more than 80 bills that were enacted, including the Elliott-Larsen Civil Rights Act. Daisy Elliott was a fierce advocate for workers, senior citizens, and people of color.

Today, in honor of Black History Month, I salute and honor Miss Daisy Elliott. Madam Speaker, I honor her legacy.

OBSERVING NATIONAL CHILDREN’S DENTAL HEALTH MONTH

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Madam Speaker, February is National Children’s Dental Health Month. This month is a time when healthcare professionals, providers, and educators help promote good oral health practices to children, families, and many others.

Tooth decay is still the number one chronic infectious disease among children in the United States.

Throughout my career as a dentist, I can attest to the benefits of proper oral health and how important it is to focus on children from a very young age. Preventive measures like brushing, flossing, and rinsing correctly are important life lessons that should be learned from a young age.

I would also like to recognize the American Dental Association for their

strenuous work in this area. They have implemented the Give Kids A Smile program. It provides hundreds of thousands of underserved kids with free oral health education, screenings, and preventive and/or restorative services throughout the entire year.

It is a very much needed program, and I am personally very proud of the American Dental Association for the work that they do in this area.

SUPPORT MEDICAID EXPANSION, NOT BLOCK GRANTS

(Ms. KENDRA S. HORN of Oklahoma asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KENDRA S. HORN of Oklahoma. Madam Speaker, I rise to speak on the issue of healthcare in Oklahoma. I hear from far too many Oklahomans who can’t afford the healthcare they need.

Today, Oklahoma has the second highest rate of uninsured people in the Nation. Our State ranks 48th for uninsured children. We cannot continue to let Oklahomans fall through the cracks of our healthcare system.

The answer to solving our State’s healthcare crisis is straightforward. We must expand Medicaid. By not expanding Medicaid, Oklahoma has lost up to \$1 billion per year. Seven hospitals across our State have closed, in part because we did not accept the healthcare support our State is entitled to.

Expanding Medicaid in Oklahoma would extend health insurance to up to 200,000 Oklahomans who don’t currently have insurance. It is the right choice for our State. Instead, the administration and our Governor are proposing an alternative plan to turn SoonerCare into a block grant program.

The plan to block grant Medicaid would encourage cuts to healthcare services, restrict access to healthcare providers and lifesaving medications, and contribute to hospital closures. Too often, block grants have often been misused for political pet projects and to fill holes in the budget.

While we are still learning the specifics of the block grant plan, here is what we do know: more than 500,000 children rely on SoonerCare, and their insurance would be threatened by the plan to cap and slash Medicaid. Enough is enough.

CONGRATULATING DALLAS HIGH SCHOOL MOUNTAINEERS

(Mr. MEUSER asked and was given permission to address the House for 1 minute.)

Mr. MEUSER. Madam Speaker, I rise today to congratulate the Dallas High School Mountaineers football team for their outstanding championship season.

Dallas football went undefeated during their regular season, going 15-0 with playoff wins and a district championship.
