

is fascinating reading. It is current history. It is current events. It will give you an understanding and a feel for the men and women who wear the uniform, not just in our military services, but in the Coast Guard and in all of our law enforcement agencies, marshals, sheriffs, deputy sheriffs, cops up and down the line in all cities, American towns, and villages, and hamlets, people who will give their life not just for your life, but for your property.

Read this material, and you will understand why BOB DORNAN is sometimes aggressive, sometimes passionate, always dedicated, and always wanting to keep my eye focused on changing the leadership at the top to sync up with the worthy people up and down the chain of command like the 19 men who died in Mogadishu on October 3, 4, and 6, 1993, deaths that I predicted on this House floor in September and October of 1992, that I said would happen if we put someone into the White House who did not understand this dangerous world we live in.

I wanted to speak shorter than this, and I apologize to the official reporters, but obviously to this American this is very, very important, and I would point out, Mr. Speaker, and those that try to keep some modicum of civility here on this House floor, that I did not mention a book called "Passion and Betrayal," which was the sixth book called "Passion and Betrayal," which was the sixth book to come out in the past 18 months because I believe that book should be called "Lust and I Got Just What I Deserved" because you cannot make a credible case with a bimbo against somebody who traffics in that kind of person.

So I do not recommend reading what the Washington Post recommended people read because they said it was the first long-awaited Presidential pornography and it is about time was the reviewers smart-aleck attitude in recommending that dumb book. Do not waste time. Do not look for articles in Playboy or Penthouse, although somebody told me there is even a factual article in Penthouse last month and the month before, that you really can get away with saying you read the articles. Do not do that. Read these five books. Read the McNamara book. Try to get it from a library. Do not give him any money. And read "Working Class War," and you will understand why some of us are passionate, and it is not a 48-hour story.
