

a member of the president's club for 6 years, and 10 years on the leadership conference, David has redefined loyalty and dedication in the workplace. If ever there was a man who could be counted on to put forth his best effort day in and day out, David Hendel is that man.

David has not merely made his mark at MetLife, he has also worked hard to better his community and this is what makes him such a special individual. A veteran of the U.S. Army, David has devoted his spare time to such organizations as the West Hartford Zoning Board of Appeals, the West Hartford Democratic Town Committee, and Temple Beth El of West Hartford. Truly, David has taught a generation of West Hartford residents the meaning and value of community service.

A true role model, David has shown us all that we must work both as individuals and as parts of a greater community to leave a positive mark on the world around us. As Members of Congress, we are charged with improving and strengthening the fabric of this Nation. I hope this body recognizes that, by following the lead of citizens like David Hendel, we can all advance toward that lofty goal.●

NOMINATION OF JOHN DOUGLASS TO BE ASSISTANT SECRETARY OF THE NAVY

● Mr. LEVIN. Mr. President, I wish to offer a few comments on the nomination of John Wade Douglass to be the Assistant Secretary of the Navy for Research, Development and Acquisition. John has served as a professional staff member of the Senate Armed Services Committee for more than 3 years, and he has served the committee well.

John has been responsible for technology base programs and defense research and development issues, as well as NATO issues, for the committee's Democratic members. He has worked on such difficult tasks as reducing the size of the Defense Department and its budget while keeping a coherent program of research and technology that will help preserve our national security in the decades to come. He has also dealt with the thorny issues of Bosnia and NATO expansion.

In all his work for the committee, John has offered wise and creative approaches to these difficult issues. For example, he has been a tireless champion of cost-sharing in Federal dual-use research funding, which has now become a standard practice for the Pentagon and other government agencies. This new standard will save the taxpayer hundreds of millions of dollars while improving the chances that the joint research bears fruit for both the military and civilian users.

Mr. President, I have enjoyed the opportunity to work with John over the past 3 years. He has worked with me on a number of issues, always with energy, intelligence, and humor. Clearly, the Navy's gain will be the commit-

tee's loss. I want to offer my congratulations to John and wish him well in his new position. If he serves the Navy as well as he did the committee, as I am sure he will, the Nation will be well served indeed.●
