

black lung funding to issue its February monthly payments as well.

Mr. President, as I introduce this bill, I know that efforts are underway to bring a third continuing resolution to the House floor—and I sincerely hope that the Black Lung Programs are included in that measure. If that is the case, this legislation will be unnecessary.

These programs are vitally important to thousands of disabled miners and their families and survivors in my State of Virginia and many other coal producing States. I hope we receive a continuing resolution from the House later this evening which will allow us to uphold our historic commitment to victims of black lung and their families and survivors. ●
