The Congress urges the President to expeditiously nominate a qualified Chief Financial Officer for the Corporation. Further, to the maximum extent practicable and as quickly as possible, the Corporation should implement the recommendations of the independent auditors contracted for by the Corporation’s Inspector General, as well as the Chief Financial Officer, to improve the financial management of

taxpayers' funds. Should the Chief Financial Officer determine that additional resources are needed to implement these recommendations, the Corporation should submit a reprogramming proposal for up to \$3,000,000 to carry out reforms of the financial management system.

Except as otherwise provided in this subchapter, the provisions of this subchapter and the amendments made by this subchapter shall be effective on the date of enactment of this Act.

PART I—GENERAL DEBT COLLECTION INITIATIVES

Subpart A—General Offset Authority

SEC. 5201. ENHANCEMENT OF ADMINISTRATIVE OFFSET AUTHORITY.

(a) Section 3701(c) of title 31, United States Code, is amended to read as follows:

"(c) In sections 3716 and 3717 of this title, the term 'person' does not include an agency of the United States Government, or of a unit of general local government."

(b) Section 3716 of title 31, United States Code, is amended—

(1) by amending subsection (b) to read as follows:

"(b) Before collecting a claim by administrative offset, the head of an executive, legislative, or judicial agency must either—

"(1) adopt regulations on collecting by administrative offset promulgated by the Department of Justice, the General Accounting Office and/or the Department of the Treasury without change; or

"(2) prescribe independent regulations on collecting by administrative offset consistent with the regulations promulgated under paragraph (1).";

(2) by amending subsection (c)(2) to read as follows:

"(2) when a statute explicitly prohibits using administrative 'offset' or 'setoff' to collect the claim or type of claim involved.";

(3) by redesignating subsection (c) as subsection (d); and

(4) by inserting after subsection (b) the following new subsection:

"(c)(1)(A) Except as provided in subparagraph (B) or (C), a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, or any disbursing official of the United States designated by the Secretary of the Treasury, is authorized to offset the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

"(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency's disbursing officials offset such claims.

"(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965, as amended, shall not be subject to offset under this subsection.

"(2) Neither the disbursing official nor the payment certifying agency shall be liable—

"(A) for the amount of the offset on the basis that the underlying obligation, represented by the payment before the offset was taken, was not satisfied; or

"(B) for failure to provide timely notice under paragraph (8).

"(3)(A) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Act of August 14, 1935 (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C. 923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), all payments due under the Social Security Act, Part B of the Black Lung Benefits Act, or under any law administered by the Railroad Retirement Board shall be subject to offset under this section.

"(B) An amount of \$10,000 which a debtor may receive under Federal benefit programs cited under subparagraph (A) within a 12-month period shall be exempt from offset under this subsection. In applying the \$10,000 exemption, the disbursing official shall—

"(i) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period; and

"(ii) consider all benefit payments made during the applicable 12-month period which are exempt from offset under this subsection as part of the \$10,000 exemption.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authorizing the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program).

"(C) The Secretary of the Treasury shall exempt means-tested programs when notified by the head of the respective agency. The Secretary may exempt other payments from offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under the standards prescribed by the Secretary. Such standards shall give due consideration to whether offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency's program.

"(D) The provisions of sections 205(b)(1) and 1631(e)(1) of the Social Security Act shall not apply to any offset executed pursuant to this section against benefits authorized by either title II or title XVI of the Social Security Act.

"(4) The Secretary of the Treasury is authorized to charge a fee sufficient to cover the full cost of implementing this subsection. The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring the claim. Fees charged to the agencies shall be based only on actual offsets completed. Fees charged under this subsection concerning delinquent claims may be considered as costs pursuant to section 3717(e) of this title. Fees charged under this subsection shall be deposited into the 'Account' determined by the Secretary of the Treasury in accordance with section 3711(g) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

"(5) The Secretary of the Treasury may disclose to a creditor agency the current address of any payee and any data related to certifying and authorizing such payment in accordance with section 552a of title 5, United States Code, even when the payment has been exempt from offset. Where payments are made electronically, the Secretary is authorized to obtain the current address of the debtor/payee from the institution receiving the payment. Upon request by the Secretary, the institution receiving the payment shall report the current address of the debtor/payee to the Secretary.

"(6) The Secretary of the Treasury is authorized to prescribe such rules, regulations, and

procedures as the Secretary of the Treasury deems necessary to carry out the purposes of this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

"(7)(A) Any Federal agency that is owed by a named person a past-due legally enforceable non-tax debt that is over 180 days delinquent (other than any past-due support), including non-tax debt administered by a third party acting as an agent for the Federal Government, shall notify the Secretary of the Treasury of all such non-tax debts for purposes of offset under this subsection.

"(B) An agency may delay notification under subparagraph (A) with respect to a debt that is secured by bond or other instruments in lieu of bond, or for which there is another specific repayment source, in order to allow sufficient time to either collect the debt through normal collection processes (including collection by internal administrative offset) or render a final decision on any protest filed against the claim.

"(8) The disbursing official conducting the offset shall notify the payee in writing of—

"(A) the occurrence of an offset to satisfy a past-due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the debtor against which the offset was executed;

"(B) the identity of the creditor agency requesting the offset; and

"(C) a contact point within the creditor agency that will handle concerns regarding the offset."

Where the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such offset.

"(9) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for offset received from other agencies."

(c) Section 3701(a) of title 31, United States Code, is amended by adding at the end the following new paragraph:

"(8) 'non-tax claim' means any claim from any agency of the Federal Government other than a claim by the Internal Revenue Service under the Internal Revenue Code of 1986."
