NOT VOTING—15

Calvert	Filner	McKinney
Clay	Gutierrez	Moakley
Costello	Hastings (WA)	Paxon
Diaz-Balart	Hefner	Pickering
English	McCreery	Schiff

□ 1605

The Clerk announced the following pairs:

On this vote:

Mr. Diaz-Balart for, with Mr. Filner against.

Mr. Calvert for, with Mr. Moakley against.

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. ENGLISH of Pennsylvania. Mr. Speaker, on rollcall No. 118, final passage of H.R. 3. I was unavoidably detained in my office and was unable to appear to cast my vote prior to the close of the rollcall. Had I been present, I would have voted "aye."

AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 3, JUVENILE CRIME CONTROL ACT OF 1997

Mr. MCCOLLUM. Mr. Speaker, I ask unanimous consent that in the engrossment of the bill, H.R. 3, the Clerk be

authorized to correct section numbers, cross-references and punctuation, and to make such stylistic, clerical, technical, conforming, and other changes as may be necessary to reflect the actions of the House in amending the bill.

The SPEAKER pro tempore (Mr. LAHOOD). Is there objection to the request of the gentleman from Florida?

There was no objection.

LEGISLATIVE PROGRAM

(Mr. BONIOR asked and was given permission to address the House for 1 minute.)

Mr. BONIOR. Mr. Speaker, I yield to the gentleman from Texas [Mr. ARMEY], the distinguished majority leader, for the purpose of engaging in a colloquy on the schedule for today, the rest of the week and next week.

Mr. ARMEY. I thank the gentleman for yielding.

Mr. Speaker, I am pleased to announce that we have just had our last vote for the week. However, this afternoon the House will continue to debate amendments to H.R. 2, the Housing Opportunity and Responsibility Act of 1997. Members should note that any recorded votes ordered on the housing bill today will be postponed until Tuesday, May 13, after 5 p.m.

I would like to outline, Mr. Speaker, next week's schedule.

The House will meet on Monday, May 12, for a pro forma session. There will be no legislative business and no votes on that day.

On Tuesday, May 13, the House will meet at 12:30 p.m. for morning hour and 2 p.m. for legislative business. Members should note that we will not hold any recorded votes before 5 p.m. on Tuesday next.

The House will consider the following bills, all of which will be under suspension of the rules:

H.R. 5, the IDEA Improvement Act of 1997.

H.R. 914, a bill to make certain technical corrections in the Higher Education Act of 1965 relating to graduation data disclosures, as amended.

House Concurrent Resolution 49, authorizing use of the Capitol grounds for the Greater Washington Soap Box Derby.

House Concurrent Resolution 66, authorizing use of the Capitol grounds for the National Peace Officers' Memorial Service.

House Concurrent Resolution 67, authorizing the 1997 Special Olympics Torch Relay to be run through the Capitol grounds.

House Concurrent Resolution 73, a concurrent resolution concerning the death of Chaim Herzog.

And House Resolution 103, expressing the sense of the House of Representatives that the United States should maintain approximately 100,000 United States military personnel in the Asia and Pacific region until such time as there is a peaceful and permanent resolution to the majority security and political conflicts in the region.

After consideration of the suspensions on Tuesday, the House will resume consideration of amendments to H.R. 2, the Housing Opportunity and Responsibility Act of 1997. We hope to vote on final passage of the public housing bill on Wednesday morning.

Mr. Speaker, on Wednesday, May 14, and Thursday, May 15, the House will meet at 10 a.m., and on Friday, May 16, the House will meet at 9 a.m. to consider the following bills, all of which will be subject to rules:

H.R. 1469, the Fiscal Year 1997 Supplemental Appropriations Act; and H.R. 1486, the Foreign Policy Reform Act.

Mr. Speaker, we should finish legislative business and have Members on their way home to their families by 2 p.m. on Friday, May 16.

Finally, Mr. Speaker, I would like to take this occasion to notify all Members of some potential changes in the schedule as it affects the month of June.

Mr. Speaker, because we anticipate a heavy work month with appropriations bills and budget reconciliation bills throughout the month of June, I should like to advise all Members that contrary to the published schedule in their possession, that they should expect and we anticipate that we will have votes on Monday, June 9; Friday, June 13; and Monday, June 23. Appropriate notification will be sent to Members' offices. We will keep Members posted about those dates, but I think in all deference to their June scheduling concerns, Members should have this notice as soon as I can give it and, therefore, it is given at this time.

Mr. BONIOR. Can I just repeat those dates, because I think they are important. Monday, June 9, Friday, June 13, and Monday, June 23 we will be meeting.

Mr. ARMEY. The gentleman is correct.

Mr. BONIOR. I thank the gentleman. I noticed on the schedule that we are going to have two athletic events on the Capitol grounds, the Greater Washington Soap Box Derby and the Special Olympics Torch Relay to be run through the Capitol grounds.

I am wondering if the gentleman from Texas would be interested in engaging someone here on the minority, namely myself, in the soap box derby with the winner writing the tax bill. What does the gentleman think?

Mr. ARMEY. I am not quite sure. If the soap box derby is racing, I think I might be willing, but if it is orating, I would never want to engage the gentleman in such a derby.

Mr. BONIOR. I have just two brief questions, if the gentleman would indulge me.

On the supplemental, it is an emergency bill that is badly needed for relief of flood victims. It has been pulled for the past 2 weeks. What day next week do we expect that? Do we expect that on Wednesday or Thursday?

Mr. ARMEY. If the gentleman will yield further, it is our expectation that
