### PROPOSED CHANGES TO RULE ON DEFENSE AUTHORIZATION

(Mr. BONIOR asked and was given permission to address the House for 1 minute.)

Mr. BONIOR. Mr. Speaker, I wish to inquire of the distinguished chairman of the Committee on Rules, the gentleman from New York [Mr. SOLOMON], what proposed changes he may have to offer with respect to the rule.

Mr. SOLOMON. Mr. Speaker, will the gentleman yield?

Mr. BONIOR. I yield to the gentleman from New York.

Mr. SOLOMON. Mr. Speaker, I would say to the minority whip that out of consideration for the ranking member of the Committee on National Security, the gentleman from California [Mr. DELLUMS], who we have the greatest respect for, I have said that many times and will say it over and over again. He and I come from different philosophical persuasions, but he is one of the true gentlemen and sincere Members of this body.

Because of that, we are going to change this rule and we are going to remove an amendment that would be a striking amendment on the B-2 bomber, remove that from the rule, having made it in order. And we will make in order the original Dellums amendment No. 104, which is a striking amendment and the transfer of those funds. That will be one change in the rule that I will propose in a few minutes.

Second, we will make in order an Everett amendment No. 77 dealing with the depots around this country with a 1-hour debate.

We will substitute a Frank amendment; we will make in order a Frank amendment No. 85 instead of the Frank amendment No. 83. In addition to that, we will make a Traficant amendment No. 3 authorizing the use of the defense personnel to assist border patrols to stop illegal immigration coming into this country. And we will make in order a Weldon amendment No. 110 which is a sense of Congress on the need for Russian transparency on the Yamantau Mountain project. That is somewhat classified information, but most of the Members understand what that is all about.

Mr. BONIOR. Mr. Speaker, is the gentleman anticipating any additional time on any of these amendments?

Mr. SOLOMON. Mr. Speaker, if the gentleman will continue to yield, we will include on the B-2 issue, we will extend that to 1½ hours by agreement. And, of course, the Everett amendment has an hour of debate based on the agreement we just discussed.

Mr. BONIOR. Mr. Speaker, I thank the gentleman. I thank him and the gentleman from Texas [Mr. ARMEY] and others for signing off on this agreement.

Mr. SOLOMON. Mr. Speaker, if the gentleman will continue to yield, I will call up the rule in just a moment. I will make this unanimous-consent request. If it is objected to, I will wait until the

end of the rule and then make the unanimous-consent request again. If it is objected to, I will move that unanimous-consent request before the vote on the rule.

Mr. BONIOR. Mr. Speaker, I thank the gentleman.

### PROVIDING FOR CONSIDERATION OF H.R. 1119, NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 1998

Mr. SOLOMON. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 169 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 169

*Resolved*, That at any time after the adoption of this resolution, the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1119) to authorize appropriations for fiscal years 1998 and 1999 for military activities of the Department of Defense, to prescribe military personnel strengths for fiscal years 1998 and 1999, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed two hours equally divided and controlled by the chairman and ranking minority member of the Committee on National Security. After general debate the bill shall be considered for amendment under the five-minute rule.

SEC. 2. (a) It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on National Security now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. All points of order against the committee amendment in the nature of a substitute are waived.

(b) No amendment to the committee amendment in the nature of a substitute shall be in order except the amendments printed in the report of the Committee on Rules accompanying this resolution and amendments en bloc described in section 3 of this resolution.

(c) Except as specified in section 5 of this resolution, each amendment printed in the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. Unless otherwise specified in the report, each amendment printed in the report shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent and shall not be subject to amendment (except that the chairman and ranking minority member of the Committee on National Security each may offer one pro forma amendment for the purpose of further debate on any pending amendment).
