

amount requested by the President. This important program supports projects that provide health services to rural populations not currently receiving them and that enhance access to existing services.

The National Health Service Corps receives \$120 million in this bill, which is a \$4.6 million increase above both the fiscal year 1997 level and the amount requested by the President. One of the top health care concerns in rural America is the shortage of physicians and other health professionals due to the difficulties rural areas have in attracting and retaining primary health care professionals. The NHSC program addresses this need by providing scholarships to, and repays loans of, primary care professionals in exchange for obligated services in a health professional shortage area [HPSA].

The program also provides matching grants to States for a loan repayment program. These incentives for health professionals and physicians to serve in rural areas are greatly needed.

This Member is also pleased that H.R. 2264 includes \$1.5 million for Ellender fellowships. Earlier this year, this Member testified before the subcommittee regarding this important program. This amount is the same as the fiscal year 1997 level, even though the President's budget did not include any funds for the extraordinarily valuable citizen education program for American high school students. The Ellender fellowships are used to enable low-income students to participate in the highly successful Washington Close Up Program.

Each year the Close Up Foundation awards thousands of Ellender fellowships, which included 3,942 students during the 1995-96 school year. Nationally, since 1971 over 480,000 students and teachers have participated in the Washington Close Up Program. Almost 94,000 of those participants received full or partial fellowships.

Again, Mr. Chairman, this Member commends the distinguished gentleman from Ohio [Mr. STOKES], the chairman of the subcommittee, and the distinguished gentleman from Wisconsin [Mr. OBEY], the ranking member of both the full committee and the subcommittee for their continued support of these important programs.

Mr. PORTER. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly the Committee rose; and the Speaker pro tempore (Mr. PEASE) having assumed the chair, Mr. GOODLATTE, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2264) making appropriations for the Departments of Labor, Health and Human Services, and Education, and related agencies, for the fiscal year ending September 30, 1998, and for other purposes, had come to no resolution thereon.

MOTION TO INSTRUCT CONFEREES ON H.R. 1119, NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 1998

The SPEAKER pro tempore. The unfinished business is the demand for a recorded vote on the motion to in-

struct offered by the gentleman from Ohio [Mr. TRAFICANT] on which further proceedings were postponed and on which the ayes prevailed by voice vote.

The Clerk will re-report the motion.

The Clerk read as follows:

Mr. TRAFICANT moves that the conferees on the part of the House on the bill, H.R. 1119, be instructed to insist upon the provisions of section 1032 of the House bill relating to the assignment of Department of Defense personnel to Border Patrol and control.

RECORDED VOTE

The SPEAKER pro tempore. A recorded vote has been demanded.

A recorded vote was ordered.

The vote was taken by electronic device, and there were—ayes 261, noes 150, not voting 22, as follows:
