REPORT OF THE NOTICE OF THE CONTINUATION OF THE IRAN EMERGENCY—MESSAGE FROM THE PRESIDENT—PM 70

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iran emergency declared in 1979 is to continue in effect beyond November 14, 1997, to the *Federal Register* for publication. Similar notices have been sent annually to the Congress and the *Federal Register* since November 12, 1980. The most recent notice appeared in the *Federal Register* on October 31, 1996. This emergency is separate from that declared with respect to Iran on March 15, 1995, in Executive Order 12957.

The crisis between the United States and Iran that began in 1979 has not been fully resolved. The international tribunal established to adjudicate claims of the United States and U.S. nationals against Iran and of the Iranian government and Iranian nationals

against the United States continues to function, and normalization of commercial and diplomatic relations between the United States and Iran has not been achieved. In these circumstances, I have determined that it is necessary to maintain in force the broad authorities that are in place by virtue of the November 14, 1979, declaration of emergency and that are needed in the process of implementing the January 1981 agreements with Iran.
