tained and arrived too late for the vote on the Mollohan-Shays amendment. I would like to have the RECORD note that had I been here to vote, I would have voted against rollcall vote 475 to H.R. 2267.

(Mrs. ROUKEMA asked and was given permission to revise and extend her remarks.)

Madam Speaker, we are bound by the Constitution to conduct a census every 10 years. Article 1, section 2 of the Constitution calls for an actual enumeration. The 14th amendment calls for the Representatives to be apportioned by counting the whole number of persons in each State. Any deviation from conducting the census under this constitutional mandate is a question for the Supreme Court to answer.

This is what this bill will now do. It will bar the Census Bureau from using sampling until this vital question is answered. Any other course of action would not be prudent or constitutional. It is for this overriding reason that I would have opposed the Mollohan-Shays amendment.
